Matt Cameron

Cockatoos Matt Cameron, 2007 Cockatoos are large, intelligent and attractive birds. Of the twenty-one recognized species, fourteen occur in Australia, with three of these also found in New Guinea. Seven species are distributed across the islands of south-east Asia. While many species are common or abundant, an increasing number face extinction due to habitat loss, the illegal bird trade and global warming.

International Wildlife Encyclopedia Maurice Burton, Robert Burton, 2002 This twenty-two volume set presents the appearance and behavior of thousands of species of animals along with species population and prospects for survival in an arranged alphabetically and easy-to-read format.

Australian Bird Names Ian Fraser, Jeannie Gray, 2019-09-02 This second edition of Australian Bird Names is a completely updated checklist of Australian birds and the meanings behind their common and scientific names, which may be useful, useless or downright misleading! For each species, the authors examine the many-and-varied common names and full scientific name, with derivation, translation and a guide to pronunciation. Stories behind the name are included, as well as relevant aspects of biology, conservation and history. Original descriptions, translated by the authors, have been sourced for many species. As well as being a book about names, this is a book about the history of the ever-developing understanding of birds, about the people who contributed to this understanding and, most of all, about the birds themselves. This second edition has been revised to follow current taxonomy and understanding of the relationships between families, genera and species. It contains new taxa, updated text and new vagrants and will be interesting reading for anyone with a love of birds, words or the history of Australian biology and bird-watching.

When It's Right, It's Right! J Eileen, 2022-04-26 Miss Katy Williamson and her Maine Coon cat, Chester, moved from an apartment in Oklahoma City, Oklahoma, to the country just outside of the small town, Sweetwater, Oklahoma. Dave Middleton, owner of the Garden and Landscape Store in Sweetwater, Oklahoma, has become a very good friend to Miss Katy and Chester. Dave helps Miss Katy find the hidden oak stairway in her yellow Victorian home that leads to a third-story room. The two intruders who broke into Miss Katy's home have escaped. No one knows where they are. Chester made a promise to his friend Foxy Gent to help find what or who walks amongst Dark Woods along the Cedar River frightening all the animals and birds on Halloween night. The people of Sweetwater, Oklahoma, had discontinued traveling through Dark Woods when they had hayrides because of what they have seen and heard in Dark Woods for the past two years. Dave and Miss Katy are on the Ferris Wheel at the Springville, Oklahoma Fair. Dave asks Miss Katy if she will marry him.

Will the two intruders break into Miss Katy's home again? Will Chester be able to solve the mystery in Dark Woods on Halloween night? What will Miss Katy's answer be when Dave asks her to marry him? If Miss Katy says yes to Dave's question, what lies ahead in Miss Katy's and Chester's future?

Naamah Sarah Blake,2020-04-07 A dreamy and transgressive feminist retelling of the Great Flood from the perspective of Noah's wife as she wrestles with the mysterious metaphysics of womanhood at the end of the world. —O, The Oprah Magazine With the coming of the Great Flood—the mother of all disasters—only one family was spared, drifting on an endless sea, waiting for the waters to subside. We know the story of Noah, moved by divine vision to launch their escape. Now, in a work of astounding invention, acclaimed writer Sarah Blake reclaims the story of his wife, Naamah, the matriarch who kept them alive. Here is the woman torn between faith and fury, lending her strength to her sons and their wives, caring for an unruly menagerie of restless creatures, silently mourning the lover she left behind. Here is the woman escaping into the unreceded waters, where a seductive angel tempts her to join a strange and haunted world. Here is the woman tormented by dreams and questions of her own—questions of service and self-determination, of history and memory, of the kindness or cruelty of fate. In fresh and modern language, Blake revisits the story of the Ark that rescued life on earth, and rediscovers the agonizing burdens endured by the woman at the heart of the story. Naamah is a parable for our time: a provocative fable of body, spirit, and resilience.
