Shattered Legions Laurie Goudling,2018 Driven almost to the brink of self-destruction at Isstvan V, the Iron Hands now seek vengeance for the murder of their primarch Ferrus Manus. Gathering survivors from the Raven Guard and the Salamanders aboard any vessels capable of warp travel, these Shattered Legions wage a new campaign of annihilation against the traitor forces across the galaxy - a campaign masterminded by legendary warleader Shadrak Meduson. This Horus Heresy anthology contains ten short stories by authors including Dan Abnett, Chris Wraight, John French and many more. Also, in the novella The Seventh Serpent, Graham McNeill revisits the ragtag crew of the starship Sisypheum as they are drawn into a war of subterfuge against the Alpha Legion.--Page [4] of cover.

For ten thousand years, the Voice of Mars has been a secretive, but powerful position upon the Iron Council. Yet its ambitions, first seeded during the Horus Heresy, are only now beginning to mature. Iron Father Kristos is charged with unlocking

the mysterious Eldar devices known collectively as the ‘Dawnbreak Technologies.’ Before he can recover the first element from Fabris Calivant, the Eldar orchestrate a vicious greenskin invasion which descends upon the Knight World. Kristos soon realises the xenos are not alone in their attempts to thwart his duty. His own brothers also seek to possess the formidable powers for their own ends. In a mission that pitches Clan against Clan, Iron Hand against Iron Hand, to what lengths will the Iron Father go to secure victory?

**Horus Rising** Dan Abnett, 2018-08-28 Re-release of the mass market edition of the first novel in the best selling Horus Heresy series Under the benevolent leadership of the Immortal Emperor the Imperium of Man has stretched out across the galaxy. On the eve of victory, the Emperor leaves the front lines, entrusting the great crusade to his favorite son, Horus. Promoted to Warmaster, the idealistic Horus tries to carry out the Emperor's grand design, all the while the seeds of heresy and rebellion have been sowed amongst his brothers.

**The Primarchs** Christian Dunn, 2012 Created in the Emperor's own image, the primarchs had long thought themselves to be princes of the universe and masters of their own destiny--they led the Space Marine Legions in glorious conquest of the galaxy, and

no enemy of the Imperium could stand against them. However, even amongst this legendary brotherhood, the seeds of dissent has been sown long before the treacherous Warmaster Horus declared his grand heresy. Gathered within this anthology are four novellas focusing on some of the mightiest warriors and leaders that mankind has ever known--Fulgrim, Ferrus Manus, Lion El'Jonson and the twin primarchs Alpharius and Omegon--and the roles that they may have yet to play in war which threatens to change the face of the Imperium forever.

*The Age of Darkness* Christian Dunn,2011-04-26 A new anthology of short stories delving into the secret history of the Horus Heresy. After the betrayal at Isstvan, Horus begins his campaign against the Emperor, a galaxy-wide war that can lead only to Terra. But the road to the final confrontation between father and son is a long one – seven years filled with secrecy and silence, plans and foundations being formed across distant stars. An unknown history is about to be unveiled as light is shed on the darkest years of the Horus Heresy, and revelations will surface that will shake the Imperium to its very foundation...

**Lion El'Jonson: Lord of the First** David Guymer,2020-10-27  
Book 13 in The Horus Heresy Primarch Series Each primarch is an

exemplary being, derived from the Emperor's own genetic stock to embody a facet of His personality. Their powers are unfathomable, but only one of them is the First. Lion El'Jonson is the paragon of what it is to be a primarch. His Legion, pre-eminent for most of their long history, typify the virtues of temperance, pride, and martial excellency that the Lion embodies. They are the Emperor's last line and final sanction. They are His Dark Angels. Now, while the Emperor gathers His mightiest sons for an assault on Ullanor Prime, the Lord of the First instead draws his Legion to the farthest reaches of the known galaxy, seeking to subdue a single rebellious world. Is this but another example of the Lion's infamous pride, or is there more afoot amidst that graveyard of empires that is the Ghoul Stars, more than the Lion will share even with his own sons?

**Sons of the Selenar** Graham McNeill, 2020-04-28 A Siege of Terra novella from New York Times best selling author Graham McNeill. The Shattered Legion crew of the Sisypheum, broken and at the end of their endurance, find themselves divided; torn between following their resurrected captain on a suicidal mission or obeying orders to return to Terra and rejoin their Legion brothers. Following a series of garbled messages intercepted by the Kryptos,

the divided warriors descend to the shattered surface of Luna. Here, their bonds of loyalty, duty, as well as their devotion to one another will be tested as ancient horrors of the earliest days of genemanipulation are unleashed, and a longburied secret is revealed. A secret that will have farreaching consequences for the future course of the galaxy, no matter who eventually claims Terra.

**Angel Exterminatus** Graham McNeill,2013-01-29 The latest title in Black Library's premium line. Perturabo – master of siegecraft, and executioner of Olympia. Long has he lived in the shadow of his more favoured primarch brothers, frustrated by the mundane and ignominious duties which regularly fall to his Legion. When Fulgrim offers him the chance to lead an expedition in search of an ancient and destructive xenos weapon, the Iron Warriors and the Emperor's Children unite and venture deep into the heart of the great warp-rift known only as ‘the Eye’. Pursued by a ragged band of survivors from Isstvan V and the revenants of a dead eldar world, they must work quickly if they are to unleash the devastating power of the Angel Exterminatus!

**The Monstrous-Feminine** Barbara Creed, 2015-09-04 In almost all critical writings on the horror film, woman is conceptualised only as victim. In The Monstrous-Feminine Barbara Creed challenges this patriarchal view by arguing that the prototype of all definitions

of the monstrous is the female reproductive body. With close reference to a number of classic horror films including the Alien trilogy, T

Iron Hands Jonathan Green, 2004 Amongst the Adeptus Astartes there are few warriors so utterly committed to the Imperium and the service of mankind than the Iron Hands. With their conviction comes contempt for any show of weakness and a determination to expunge it whatever the cost. Original.

Stan Winston's Realm of the Claw Stan Winston, Francis Takenaga, 2006-10-03 When zookeeper Harrison Reed becomes plagued with strange, dream-like visions, he is forced to confront the unthinkable: that he and his brother are more than they seem. With enemies lurking in every corner and the allure of power corrupting at every turn, the truth must be discovered else his world... and his sanity... will be lost forever.

A Korean War Odyssey Tom Gormley, 2020-01-20 The picture of the young soldier with the ears sticking out graced my mother-in-law's kitchen forever. When asked, she would reply that her younger brother Donnie disappeared during the Korean War at the tender age of eighteen. In 2010, my wife, Sandy, and I set out to discover what happened to Corporal Donald Matney and to bring

him home. Our journey took us to Washington, DC; Seoul, Korea; and many places in between. But slowly, carefully, step-by-step, we reconstructed the short life of Sandy's uncle Donnie, identified his remains, and returned him to rest by his mother's side in Missouri. A Korean War Odyssey is this story. The saga begins with a Korean history lesson told through the eyes of a fictional young refugee family fleeing the North Korean invasion. It continues from the viewpoint of a soldier on occupation duty in Japan suddenly thrust into a violent "police action". Both witness the atrocities of war until one disappears. Through alternating perspectives, the account continues weaving what happened during the war with how we identified this missing young soldier and brought him home. A Korean War Odyssey provides much needed insight for today's headlines. Those with friends and relatives lost during the Forgotten War will learn what may have happened. Anyone who desires to understand the Korean War and why the US still has a presence on this Asian peninsula today will gain a new viewpoint.

*Wolf's Honour* Lee Lightner, 2008 Following on from events in Sons of Fenris set in the nightmare future of the 41st millennium, can superhuman warrior Ragnar Blackmane redeem his honor and

rejoin his battle-brothers? This is the gripping conclusion to the Spear of Russ story arc, a popular Sace Wolf series.

**Salvation's Reach** Dan Abnett, 2012-10-23 The latest Gaunt's Ghost now in paperback The Tanith First-And-Only embark on a desperate mission that could decide the fate of the Sabbat Worlds Crusade in the thirteenth book of this popular Imperial Guard series. The Ghosts of the Tanith First-and-Only have been away from the front line for too long. Listless, and hungry for action, they are offered a mission that perfectly suits their talents. The objective: the mysterious Salvation's Reach, a remote and impenetrable stronghold concealing secrets that could change the course of the Sabbat Worlds campaign. But the proposed raid is so hazardous, it's regarded as a suicide mission, and the Ghosts may have been in reserve for so long they've lost their edge. Haunted by spectres from the past and stalked by the Archenemy, Colonel-Commissar Gaunt and his Ghosts embark upon what could be their finest hour... or their final mission.

*The Unremembered Empire* Dan Abnett, 2014-07 The unthinkable has happened Terra has fallen to the traitor forces of Warmaster Horus! Nothing else could explain the sudden disappearance of the Astronomican's guiding light at the heart of

the Imperium, or so Robute Guilliman would believe. Ever the pragmatist, he has drawn all his forces to Ultramar and begun construction of the new empire known as Imperium Secundus. Even with many of his primarch brothers at his side, he still faces war from without and intrigue from within with the best of intentions, were the full truth to be known it would likely damn them all as traitors for all eternity.

*The Eye of Medusa* David Guymer, 2017-11-14 The coldly methodical and unrelenting Iron Hands Space Marine Chapter clash with the cybernetic soldiers of the Adeptus Mechanicus over control of the world of Thennos. Ever since the dark days of the Great Heresy, the Iron Hands have a long and tortured history. Their years of suffering and war has left them hardened and believing in a brutal tenet: the flesh is weak. Heavily cybernetic, their flesh extensively altered, these warriors of the Imperium are more machine than man, cold in aspect as well as demeanour. Their methods of recruitment are harsh, their rituals arcane, their pride unshakable. So when a world under the protection of the Chapter falls foul of insurrection, the Iron Hands answer with fire and cold retribution. It matters not that Thennos is considered sovereign territory by the Adeptus Mechanicus - the Iron Hands'

campaign is one of extermination. But there is something dark lurking within Thennos, a horror that defies the purity of cold logic and the machine, and threatens something more, something ruinous...

**Dark Apostle** Anthony Reynolds,2007-09-25 Chaos Space

When ungodly visions drive Dark Apostle Jarulek of the Word Bearers to the unsuspecting Imperial planet of Tanakreg, he and his dark force attack without mercy and brutally enslave the population. What is Jarulek's vile purpose, and can he achieve it before the Imperial forces arrive to reclaim the planet?

**The Talon of Horus** Aaron Dembski-Bowden,2016-12-06 The

A broken Legion, beset by rivalries and hunted by their erstwhile allies, the former Luna Wolves have scattered across the tortured realm of the Eye of Terror.
