Greenway Gorillaz Victor L. Berry, 2017-04-19 Vi a young African American boy grew up too fast. Intrigued by the fast life and glamour his cousin Fly lived who was in the drug trade, his Uncles Rome, Burlow and Chill were successful in the Street Lottery (Number Racketeering) business backed by two different Italian Familys. The car, money, Jewelry, women, and clothes had him captivated. The aurora and respect they obtained made Vi want to live as they did. There was only one problem the Italians they werent in bed with wanted Chill and Rome dead and out of their territory because they were taking a great portion of their money and business. The brothers backing only went so far because of their race and a rogue family began to give the brothers trouble causing a war between the blacks and Italians. By now Vi was rolling with his uncles at the age of thirteen, he had a strong group of young shooters and Chill wanted Vi and his squad with him. Vi catches a aggravated assault charge and Gun charge. while away Rome is killed by a black hit man sent by the rogue Italians. When Vi return from his juvenile incarceration he find out that

his Uncle Rome had been killed and no one bothered to tell him. Not only did they not tell him but they laid Rome to rest while he was away. Vi feels betrayed and hurt that his own family would do such a thing. He unleashes hell in Philly against the Italians, their hitmen, anyone trying to hinder his objective and that may have had a hand in his uncle Rome's demise. Victor L. Berry

Gorillaz in the Bay 4 De'Kari, 2019-11-30 VOORHEEZE recovers from a coma and returns to the streets in full beast mode! Now, he's on an all-out mission to prove that he's as gangsta as ever. After stripping DOK HOLLIDAY of his authority, and committing a shocking murder, Voorheeze strongly backs up his belief that Black Lives Really Matter,

especially to GORILLAZ IN THE BAY. To make the world pay attention to their protest of injustice, Voorheeze and BATMAN go from killing the police to killing someone higher in authority. Standing in his way is S.A.C. Andreatta and her government team of elite agents who will stop at no cost to bring the cop killing duo to justice. Has Voorheeze contradicted their message of Black Lives Matter by falling in love with the white police chief, whose job is to bring him down ? Or is she simply a means to an end, another pawn in this real life game of chess. Will Dok Holliday take Voorheeze to war in order to regain his authority? Or will he see the bigger picture of peace and unity? At stake is the legacy of the Neva Die Dragon Gang.

The Art of Noise Daniel Rachel, 2014-10-07 THE ART OF NOISE offers an unprecedented collection of insightful, of-the-moment conversations with twenty-seven great British songwriters and composers. They discuss everything from their individual approaches to writing, to the inspiration behind their most successful songs, to the techniques and methods they have independently developed to foster their creativity. Contributors include: Sting * Ray Davies * Robin Gibb * Jimmy Page * Joan Armatrading * Noel Gallagher * Lily Allen * Annie Lennox * Damon Albarn * Noel Gallagher * Laura Marling * Paul Weller * Johnny Marr * and many more Musician-turned-author Daniel Rachel approaches each interview with an impressive depth of understanding—of the practice of songwriting, but also of each musician's catalog. The result is a collection of conversations that's probing, informed, and altogether entertaining—what contributor Noel Gallagher called without doubt the finest book I've ever read about songwriters and the songs they write. The collected experience of these songwriters makes this book the

essential word of songwriting—as spoken by the songwriters themselves.

Gorillaz in the Bay 2 De'kari, 2019-05 War is brewing in the hood. VOORHEEZE is raging after the death of his big homie, T'RIDA, and with blood in his eyes and pain in his heart, it's time to paint the streets blood red! CLARKOLA is called to step up to a position of leadership that he eagerly has awaited. Now, he's primed to take control of East Palo Alto. Meanwhile, a new team of young beasts, Y.N.M, is emerging and they're as lethal as death. SUTTON, their leader, has decided to take NEVA DIE to war. He and his team of young hyenas will test Neva Die like never before. When the smoke clears, who will be left standing? While the street drama builds to a crescendo, Voorheeze has a new agenda. He's declared war on the Milpitas Police Department for the death of T'Rida. In this bloody and all-out battle for vengeance and supremacy, who will emerge as the unchallenged GORILLAZ IN THE BAY? Whose lives will get snuffed out? How many families will shed tears before the final bullet is fired?

Gorillaz in the Bay De'Kari, 2018-12-27 Back on the streets after serving a three-year prison bid, T-RIDA is faced with mad drama and huge obstacles, including a baby mama whose troubles become an added weight on his back. The future doesn't look promising until he takes to the streets to do what he does best, lay suckaz down! But at what price will his criminal prosperity come? When a man chooses to dance with the Devil, he must pay for his sins. Can T-Rida escape the inevitable downfall as he and his crew climb to the top in the game and prove that they are the real GORILLAZ IN THE BAY? Or will he meet a fatal demise? T-Rida's homies, TOMMY GUNZ and VOORHEEZE, are about that gunsmoke too, as they clique up to form the Neva Die Dragon Gang, the Bay area's most

feared and respected organization. But on the road to riches, a man can become his own worst enemy. When that happens, the heavens will cry blood and the game will become downright unscrupulous.

Gorillaz in the Bay 3 De'kari,2019-08-19 The war with Y.N.M. (Young Ni**a Mafia) nearly destroys the Neva Die Dragon Gang. VOORHEEZE is in a medically induced coma, and the rank and file of his organization is falling apart from within. A new leader, DOK HOLLIDAY, who has come home after serving 20 years in prison, is given the reigns of the gang. But when CLARKOLA resurfaces, an internal war pits friends against friends, and brothers against brothers. Will Dok's GORILLAZ IN THE BAY prove triumphant? Or will Clarkola and his Smack Mob retire the old Legend for good? Meanwhile, BATMAN is on a quest to prove Black Lives Matter by killing one cop at a time. S.A.C. ANDREATTA and her FBI team has been called in to lead the manhunt for the nation's most dangerous fugitive. The race is on! Will the Feds be able to stop the cop slayings before others join the cause? Or will Batman teach them that Revenge Is Promised (R.I.P.)

Socially critical aspects of the concept album "Demon Days" by Gorillaz , 2022-08-31 Pre-University Paper from the year 2022 in the subject Musicology - Popular music, grade: A, , language: English, abstract: The main question this paper will be focusing on is what the socially critical aspects behind the concept album Demon Days by Gorillaz are and how the creators used animated virtual characters to convey their message. The creators of the band Gorillaz implemented a new way of discussing serious topics by introducing

four entirely virtual band members and creating a made-up world around them to move and perform in. Their goal was to produce a parody of the major label music industry and regain their authenticity and creative authority. The themes and social critiques discussed in the album were analyzed by using its most popular song and music video Feel Good Inc. and picking apart its different elements and putting them into context. The research in this paper shows that the main social critiques of the album were aimed at the music industry and mass consumption. The theme is set in a post-apocalyptic world, demonstrating the lasting effects of industrialization and capitalism.
