Sparrow Andrea & David

Abarth Andrea Sparrow,David Sparrow,2006-03-18 Ninety colour photographs. Brief background history of the company. Full FIAT/Abarth story. Basic specification and statistics. Quotes, and interesting facts and feats. During the early 1950s, Abarth's business was booming in three main areas - custom-built racing cars, tuning/accessories, and modification of production cars.

Fiat 131 Abarth Graham Robson,2008-12-15 When Fiat entered rallying in 1970, its ultimate aim was to become World Rally Champion and the 131 Abarth of 1976-1980 provided the machinery to make that possible. It started winning World rallies within months of being launched, and in 1977, 1978 and 1980 the 'works' team also won the World Championship for Makes, and set every standard by which Rally Giants were to be judged. Was there ever any doubt that successors like the Lancia Rally 037 and the Delta Integrale would eventually come from the same stable?

Abarth FIAT-based Cars Sparrow Andrea & David,2018

Abarth All the cars Elvio Deganello,Arturo Rizzoli,2009-08-15 There are names that alone express concepts, lifestyles and philosophies better than any lengthy explanation. That Abarth is one of these is a conviction by no means restricted to expert writers or specialist journalists. In the case of Abarth, perceived by enthusiasts as a synonym of performance, speed, agility and emotions, confirmation has been provided by the Fiat Group's extensive research ahead of the major relaunch of the Scorpion marque. Given the current situation, with the new Abarths returning to the road ready to "sting", it is an ideal time for this book that sets out to reconstruct the story that led to the birth of a legend. Subdivided model by model, the text is based on straightforward, effective descriptions, backed up by contemporary photos in black and white and color. The author has successfully illustrated the motivations that led Carlo Abarth to create something unique in the automotive world, at the cost of sacrifices, failures and disappointments such as the numerous custom models built in the early years. A story of cars capable of sparking great passions.
