Jonathan London

*Gray Fox: Robert E. Lee and the Civil War* Burke Davis, 1956 Based on eyewitness accounts, Lee's letters, and his recorded conversations.

**Gray Foxes** Jane P. Gardner, 2013-08-01 What's that bushy-tailed animal scampering up a tree? It's a gray fox--the only canine that is as comfortable in a tree as it is on the ground. Mother foxes make their dens inside fallen logs or high off the ground in hollow trees. Inside the den, the mother gives birth to her tiny, helpless kits. As the kits get bigger and stronger, they wrestle with one another and pounce on their mother's tail, gaining the skills they need to become great hunters. In this coming-of-age introduction to gray foxes, readers will see how these pups learn how to catch prey and live as adult foxes. The lively text, colorful pages, and exquisite photos are sure to delight and engage emergent readers.

Gray Fox Jonathan London, 1995 A quiet, poetic text and luminous art depict a fox's year from fall to summer when, mesmerized by headlights, he's struck by a truck on a country road. Discovering the body, a farm boy . . . finds it 'a bed of grass where deer have slept, ' offering a prayer for the fox's spirit.--Kirkus Reviews. Full color.

Gray Fox Jonathan London, 1995-01-01 Gray Fox is at one with nature and his place in it. When his life is brought to a sudden end, we see--through the eyes of a compassionate young boy--that nature offers recompense for loss.

**Gray Foxes** Rebecca Sabelko, 2019-01-01 Gray foxes

look cute, but they are also smart woodland predators! These canines climb trees, stalk prey and sometimes bury leftovers for later! Budding naturalists will devour this low-level title about gray foxes and their forest homes.

**The Gray Fox** Paul Magid, 2015-04-23 George Crook was one of the most prominent military figures of the late-nineteenth-century Indian Wars. As Paul Magid portrays Crook in this highly readable second volume of a projected three-volume biography, the general was an innovative and eccentric soldier, with a complex and often contradictory personality, whose activities often generated intense controversy.

**Gray Fox in the Moonlight** Isaac Peterson, 2023-01-24 SLJ Starred Review! "This book needs not one breath more for its perfect autumn and winter message." – School Library Journal Gray Fox wanders alone in the forest at night. The woods are illuminated in the silvery light of the full moon and stars. She gazes around in wonder at the light in the birch grove and stops to look at her reflection in the river. But something calls to her in her reverie. She must return to her den by dawn to care for her kits when they wake. With simple poetry young children will love, *Gray Fox in the Moonlight* is a journey through a nighttime wonderland that celebrates the love between parents and children. Simple two-color illustrations overflow with light in this evergreen story that illustrates the value of independence in the parental relationship as well as the powerful bond which calls us home from wandering. *Gray Fox in the Moonlight* revels in the

profound beauty of nature. MORE PRAISE FOR Gray Fox in the Moonlight: "This work's spare text is chosen with expert precision so that the few words have maximum impact. The text's placement echoes the movement it depicts, making this book rife with early literacy opportunities. The monochromatism of the austere, gray tones doesn't want for detail and depth. Peterson's shifts in perspectives throughout create a sense of movement and heighten the immersive aspects of his illustrative style. Somber, contemplative works are often dense with text, whereas this book needs not one breath more for its perfect autumn and - winter message. VERDICT: Gray Fox in the Moonlight features simple two color illustrations overflowing with light in this evergreen story about a parent's love for their child." – School Library Journal, Starred Review "The text matches the fox's steps so perfectly that readers may feel as though they're following her home through the woods. But then, that's the entirety of the story: Gray Fox goes home to her children and falls asleep. There's no drama here, but if the story were any less spare, readers might not stop to see the wonders along the way." – Kirkus Reviews

Michael Phillips, 2016-03-15 When Zach Hollister hears stories of the first Pony Express riders, he jumps at the chance to finally strike out on his own and leave Miracle Springs behind. But he soon learns that the Pony Express Trail holds more than the promise of adventure, independence, and great pay. It's a challenging and dangerous road that will lead him to discover who he truly is.

Gray Fox Kenneth R Leonard, Sr, 2020-10-26 Gray Fox was captured by a White man leading a raid on his peaceful village. The man shoots his father and clubs his mother down. He is taken to replace the man's little boy who died from the flu. His name is changed to Pee Wee and is forced to learn the White Eyes ways. Things change when the man finds out his Christian wife wants no part of Gray Fox. He is treated with disdain and beaten into learning the White Eyes ways and language as a slave. He is placed on calves as a joke, but learns to ride them and so to break wild broncs. He is picked on by the the town boys and when he defends himself, he is punished. He helps his Master defeat the Enemy (Indians) when they come to steal horses. When his Master is killed in a raid, he is blamed and hunted.

*Into the Woods to Finish the Game with the Gray Fox* Tims Edwards, 2012-03 Dad and Papaw also gave me something that I will take to the grave, the love of hunting and fishing. Those two things have helped me more than almost anything else. When things appeared tough, somehow in a deer stand, duck blink, or a boat, I seemed to find a way to solve whatever problem I might be facing. I even wrote a lot of our first book in a deer stand on the backs of cigar boxes, if you can believe that! Out of everything we have to face in life, we need to remember where we came from and who we danced with, so to speak. We need to reflect on our lives to see how we are blessed....Because I have been given so much in life, and in many cases underserved, I try to give back something when the need arises. The little that is required may cost

you a little, but it will come back to you tenfold and you will be better for it!
