

Great House

Gil Schafer III

Great House: A Novel Nicole Krauss, 2011-09-06 New York Times Bestseller • Finalist for the National Book Award • Winner of the Anisfield-Wolf Book Award • A Best Book of the Year as chosen by the New York Times (Notable), Seattle Times, San Francisco Chronicle, The Atlantic, St. Louis Post Dispatch, The Oregonian, and Book Page. Masterful...Evocative and moving. —NPR For twenty-five years, a reclusive American novelist has been writing at the desk she inherited from a young Chilean poet who disappeared at the hands of Pinochet's secret police; one day a girl claiming to be the poet's daughter arrives to take it away, sending the writer's life reeling. Across the ocean, in the leafy suburbs of London, a man caring for his dying wife discovers, among her papers, a lock of hair that unravels a terrible secret. In Jerusalem, an antiques dealer slowly reassembles his father's study, plundered by the Nazis in Budapest in 1944. Connecting these stories is a desk of many drawers that exerts a power over those who possess it or have given it away. As the narrators of Great House make their confessions, the desk takes on more and more meaning, and comes finally to stand for all that has been taken from them, and all that binds them to what has disappeared. Great House is a story haunted by questions: What do we pass on to our children and how do they absorb our dreams and losses? How do we respond to disappearance, destruction, and change? Nicole Krauss has written a soaring, powerful novel about memory struggling to create a meaningful permanence in the face of inevitable loss. This is a novel about the long journey of a magnificent desk as it travels through the twentieth century from one owner to the next. It is also a novel about love, exile, the defilements of war, and the restorative power of language. —National Book Award citation

Great Houses, Modern Aristocrats James Reginato, 2016-10-04 This stunning book presents the intriguing stories and celebrated histories of some of the leading families of Great Britain and Ireland and the opulent residences that have defined their heritages. The history of England is inextricably linked with the stories of its leading aristocratic dynasties and the great seats they have occupied for centuries. As the current owners speak of the critical roles their ancestors have played in the nation, they bring history alive. All of these houses have survived great wars, economic upheavals, and, at times, scandal. Filled with stunning photography, this book is a remarkably intimate and lively look inside some of Britain's stateliest houses, with the modern-day aristocrats who live in them and keep them going in high style. This book presents a tour of some of England's finest residences, with many of the interiors shown here for the first time. It includes Blenheim Palace—seven acres under one roof, eclipsing the splendor of any of the British royal family's residences—property of the Dukes of Marlborough; the exquisite Old Vicarage in Derbyshire, last residence of the late Dowager Duchess of Devonshire (née Deborah Mitford); Haddon Hall, a vast crenellated 900-year-old manor house belonging to the Dukes of Rutland that has been called the most romantic house in England; and the island paradises on Mustique and St. Lucia of the 3rd Baron Glenconner. This book is perfect for history buffs and lovers of traditional interior design and English country life.

The Great House of God Max Lucado, 2011-01-09 God's greatest desire is to be your dwelling place -- The home for your heart. He doesn't want to be merely a weekend getaway. He has no interest in being a Sunday bungalow or even a summer cottage. He wants to be your mailing address, your point of reference, your home ... always. He wants you to live in the Great House of God. Using the Lord's Prayer as a floor plan, Max Lucado takes you on a tour of the home God intended for you. Warm your heart by the fire in the living room. Nourish your spirit in the kitchen. Seek fellowship in the family room. Step into the hallway and find forgiveness. It's the perfect home for you. After all, it was created with you in mind. There's only one home built just for your heart. No house more complete, no structure more solid: The roof never leaks. The walls never crack. The foundation never trembles. In God's house, you're home. So come into the house built just for you. Your Father is waiting.

The Great House Hunt Davide Cali, 2013-03-05 Mr. and Mrs. Polka-Dot are a young couple ready to settle down. With real estate agent Mr. Weevil, they search for their dream home. In this deliriously funny house-hunting marathon, the Polka-Dots view bizarre options: a moldy mushroom, a snail shell, a cork floating on the river, a crumbling sand castle, a rotten apple, an inhabited burrow, and a "loft-style" broken bottle. Will they ever find a nest? Davide Cali's humorous story is made all the more hilarious by Marc Boutavant's quirky characters and detail-filled illustrations that children will pore over again and again.

The Great American House Gil Schafer III, 2012-09-18 Acclaimed architect Gil Schafer illustrates how he blends classical architecture, interior decoration, and landscape to create homes with a feeling of history. As a traditional architect, Gil Schafer specializes in building new old houses as well as renovating historic homes. His work takes the best of American historic and classical architecture—its detailed moldings and harmonious proportions—and updates it, retaining its character and detail while simultaneously reworking it to be more in tune with the way we live now—comfortable, practical, family-oriented. In his first book, Schafer covers the three essential cornerstones of creating a great traditional house: architecture, landscape, and decoration. He discusses the important interplay between the interior architecture and the fabrics, furniture, and wall treatments. In-depth profiles build on these essays, including Schafer's own new old house in the Hudson Valley; the renovation of a historic home in Nashville designed by Charles Platt in 1915; and the restoration of a magnificent 1843 Greek Revival mansion in Charleston. Filled with hundreds of interior and detail shots, The Great American House is an invaluable resource for anyone who loves old houses and traditional design.

Great House Communities Across the Chacoan Landscape John Kantner, Nancy M. Mahoney, 2000-03 Beginning in the tenth century, Chaco Canyon emerged as an important center whose influence shaped subsequent cultural developments throughout the Four Corners area of the American Southwest. Archaeologists investigating the prehistory of Chaco Canyon have long been impressed by its massive architecture, evidence of widespread trading activities, and ancient roadways that extended across the region. Research on Chaco Canyon today is focused on what the remains indicate about the social, political, and ideological organization of the Chacoan people. Communities with great houses located some distance away are of particular interest, because determining how and why peripheral areas became associated with the central canyon provides insight into the evolution of the Chacoan tradition. This volume brings together twelve chapters by archaeologists who suggest that the relationship between Chaco Canyon and outlying communities was not only complex but highly variable. Their new research reveals that the most distant groups may have simply appropriated Chacoan symbolism for influencing local social and political relationships, whereas many of the nearest communities appear to have interacted closely with the central canyon—perhaps even living there on a seasonal basis. The multifaceted approach taken by these authors provides different and refreshing perspectives on Chaco. Their contributions offer new insight into what a Chacoan community is and shed light on the nature of interactions among prehistoric communities.

Great Houses of the South Laurie Ossman, 2010-03-23 An exquisitely photographed collection of the great houses and mansions of the South. In the tradition of Rizzoli's *Historic Houses of the Hudson Valley* and *Great Houses of New England*, *Great Houses of the South* features a stunning array of newly photographed homes that range over three centuries and are distinctive examples of the architecture of the region. While in popular imagination the Southern Style is embodied in the classic Southern plantation house with its Greek Revival detailing—its stately white columns, wide porch, and symmetrical shape—the houses themselves are much more various and engaging, as shown in this important volume. From stately Stanton Hall of Natchez, Mississippi, one of the most magnificent and palatial residences of antebellum America; to Longue Vue House and Gardens of New Orleans, the luxurious Classical Revival-style home of Edgar and Edith Stern; to the fabled Biltmore of Asheville, North Carolina, the opulent French Renaissance-inspired chateau and Gilded Age estate of George Washington Vanderbilt, this lavish volume is comprehensive in scope and a landmark work of enduring interest to homeowners, architects, architecture historians, and all those who love fine architecture.

The Hand of the Sun King J.T. Greathouse, 2021-08-05 “An original fantasy filled with magic and culture, the story of a character torn between two names, two loyalties, and two definitions of good and evil.”—Kevin J. Anderson, New York Times bestselling author of *Spine of the Dragon* Wen Alder was born into two worlds. On his father's side, a legacy of proud loyalty and service to the god-like Sienese Emperor spanning generations. And it is expected that Alder, too, will follow this tradition by passing the Imperial exams, learning the accepted ways of magic and, if he serves with honor, enhancing his family's prominence by rising to take a most powerful position in Sien—the Hand of the Emperor. But from his mother he has inherited defiance from the Empire, a history of wild gods and magic unlike anything the Imperial sorcerers could yet control. It began when his spirited, rebellious grandmother took Alder into the woods and introduced him to her ways—ways he has never been able to forget. Now, on the verge of taking the steps that will forge the path of his life, Alder discovers that the conflict between the Empire and the resistance is only the beginning of a war that will engulf both heaven and earth, gods and man—and he may be the key to final victory for whichever side can claim him as their own... “Sublime prose and pin-sharp characterisation combine to produce a captivating epic of conflicted loyalties and dangerous ambition.” —Anthony Ryan, New York Times bestselling author “The Hand of the Sun King is not the gentle story of a boy's rise to power; instead, it digs its fingernails into the layers of an empire that would consume and erase half that boy's identity. Brilliantly told and immediately engrossing, filled with magic, mistakes and their merciless consequences.” —Andrea Stewart, author of *The Bone Shard Daughter* “The Hand of the Sun King is an outstanding debut novel with very well-conceived world building and an excellent, original magic system, and twists that will keep you reading late into the night and guessing until the very end. The thing that really makes it shine is the main character—I really loved his development throughout the story. Alder is a character I look forward to following for multiple books to come.” —Michael Mammay, author of the *Planetside* series “A great coming of age story about a foolish boy who seeks to unravel the secrets of magic and maybe do something good in the process. I absolutely loved it.” —Nick Martell, author of *Kingdom of Liars* “Well written, thought provoking and enjoyable, The Hand of the Sun King is an impressive debut novel that left me eager for more.” —Lisbeth Campbell, author of *The Vanished Queen* “A great debut novel.” —SFFWorld “A spellbinding debut with terrific characterisations, immersive world-building, and prose that swept me away ... hands down the best debut of the year. Scratch that; this is one of the best debuts I've ever read.” —Novel Notions “Exquisite ... Greathouse's characterisation, his prose, and worldbuilding are an absolute triumph.” —The Fantasy Hive “An excellent mix of classic and modern fantasy with a grimdark undertone of despair.” —Grimdark Magazine “The Hand of the Sun King is an enjoyable novel that pays great homage to the traditions and mythologies it borrows from.” —Quill to Live “Teeming with culture, doused in war, political intrigue ... but strikes out its own path in the genre.” —FanFiAddict “Set in a fantastical world of magic with a rich history, this novel fits beautifully into its genre while also addressing some failings of the genre by turning them on their head.” —Dawn Vogel, *History That Never Was*

Wound from the Mouth of a Wound torrin a. greathouse,2020-12-22 A versatile missive written from the intersections of gender, disability, trauma, and survival. “Some girls are not made,” torrin a. greathouse writes, “but spring from the dirt.” Guided by a devastatingly precise hand, *Wound from the Mouth of a Wound*—selected by Aimee Nezhukumatathil as the winner of the 2020 Ballard Spahr Prize for Poetry—challenges a canon that decides what shades of beauty deserve to live in a poem. greathouse celebrates “buckteeth & ulcer.” She odes the pulp of a bedsore. She argues that the vestigial is not devoid of meaning, and in kinetic and vigorous language, she honors bodies the world too often wants dead. These poems ache, but they do not surrender. They bleed, but they spit the blood in our eyes. Their imagery pulses on the page, fractal and fluid, blooming in a medley of forms: broken essays, haibun born of erasure, a sonnet meant to be read in the mirror. greathouse’s poetry demands more of language and those who wield it. “I’m still learning not to let a stranger speak / me into a funeral.” Concrete and evocative, *Wound from the Mouth of a Wound* is a testament to persistence, even when the body is not allowed to thrive. greathouse—elegant, vicious, “a one-girl armageddon” draped in crushed velvet—teaches us that fragility is not synonymous with flaw.

Great Houses of New England Roderic H. Blackburn,2008 In the tradition of Rizzoli’s *Historic Houses of the Hudson Valley* and *The Houses of McKim, Mead & White*, *Great Houses of New England* features a stunning array of newly photographed houses that range over four centuries and are distinctive examples of the architecture of the region—from the mid-seventeenth-century New England Colonial Judge Corwin House (Witches House) in Salem, MA., and the eighteenth-century Jeremiah Lee Mansion in Marblehead, MA., to the late-nineteenth-century McKim, Mead & White Shingle-Style Isaac Bell House in Newport, R.I. With lavish photography of sumptuously appointed interiors including many rarely seen rooms, wonderfully detailed house exteriors and gardens, and authoritative text by architectural historian Roderic H. Blackburn, *Great Houses of New England* comprehensively considers the magnificent building styles of the region—including Early New England Colonial, Georgian, Federal, Greek Revival, Gothic Revival, Italianate, Shingle Style, Colonial Revival, and Tudor. *Great Houses of New England* is a landmark work of enduring interest to homeowners, architects, architecture historians, and all those who love fine architecture and interiors.

Great Houses of New York, 1880–1930 Michael C. Kathrens,2005 With anecdotes about the owners brightening the survey of the mansions, their construction, and architectural features, this text contains 43 entries, each illustrated with a wealth of period photos of the building's exterior and, especially, interior rooms and decor. An introduction discusses New York City's architectural history. An appendix with

National Geographic Guide to America's Great Houses Henry Wiencek,Donna M. Lucey,1999 More than 150 mansions open to the public.

Great Houses of Scotland Hugh Montgomery-Massingberd,Christopher Simon Sykes,1997 26 houses photographed in colour and accompanied by informative text about their history.

Inside the Great House Daniel Blake Smith,2018-05-31 *Inside the Great House* explores the nature of family life and kinship in planter households of the Chesapeake during the eighteenth century—a pivotal era in the history of the American family. Drawing on a wide assortment of personal documents—among them wills, inventories, diaries, family letters, memoirs, and autobiographies—as well as on the insights of such disciplines as psychology, demography, and anthropology, Daniel Blake Smith examines family values and behavior in a plantation society. Focusing on the emotional texture of the household, he probes deeply into personal values and relationships within the family and the surrounding circle of kin. Childrearing practices, male-female relationships, attitudes toward courtship and marriage, father-son ties, the character and influence of kinship, familial responses to illness and death, and the importance of inheritance—all receive extended treatment. A striking pattern of change emerges from this mosaic of life in the colonial South. What had once been a patriarchal, authoritarian, and emotionally restrained family environment altered profoundly during the latter half of the eighteenth century. The personal documents cited by Smith clearly point to the development after 1750 of a more intimate, child-centered family life characterized by close emotional bonds and by growing autonomy—especially for sons—in matters of marriage and career choice. Well-to-do planter families inculcated in their children a strong measure of selfconfidence and independence, as well as an abiding affection for their family society. Smith shows that Americans in the North as well as in the South were developing an altered view of the family and the world beyond it—a perspective which emphasized a warm and autonomous existence. This fascinating study will convince its readers that the history of the American family is intimately connected with the dramatic changes in the lives of these planter families of the eighteenth-century Chesapeake.

Great Houses of Britain Nigel Nicolson,1965

Great Houses of Florida Beth Dunlop,Joanna Lombard,2008 In the manner of Rizzoli’s acclaimed *Historic Houses of the Hudson Valley*, *Great Houses of Florida* presents the greatest and most intriguing houses of the state. Including John and Mabel Ringling’s fabulous Venetian Palazzo Ca d’Zan, James Deering’s spectacular Italianate Villa Vizcaya in Miami, and the Audubon and Hemingway houses in Key West. With all new color photography, this lavish book provides a rare look into the very finest houses from the one-time premier winter playground of America’s rich and famous.

selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Great House, especially related to Great House, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Great House, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Great House books or magazines might include. Look for these in online stores or libraries. Remember that while Great House, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Great House eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Great House full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Great House eBooks, including some popular titles.

FAQs About Great House Books

What is a Great House PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Great House PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Great House PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Great House PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Great House PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" ->

"Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
