The World of British Stoneware Frank L.

Wood, 2014-03-28 For nearly three hundred years, from the late seventeenth to the middle twentieth century, stoneware was a major part of British ceramic output. This book concentrates on that particular area of ceramics, and covers the history and development of stoneware in all its many variations. Those variations range widely from brown salt-glazed tavern wares to such refined wares as jasper, Castleford ware and the later art wares, to name a few. A specific aspect of the book is to give anyone interested in ceramics, and collectors in particular, very comprehensive information on the manufacture of the different types of stoneware, from the preparation of the clay, or body, through the forming, decorating and glazing techniques to the firing. Such is likely to provide a greater appreciation and understanding of stoneware in its many variations. There are separate chapters on the later art wares and their makers, bottle wares,

and marks and identification, as well as an appendix listing manufacturers, a comprehensive glossary and a list of museums. The illustrations cover a wide range of types. Many books on ceramics include information on stoneware, but this in-depth book benefits from the experience of a writer who is both a collector and ex-potter.

Starlight Enclave R. A. Salvatore, 2021-08-03

From New York Times bestselling author R. A. Salvatore comes a new trilogy and adventure of Drizzt and fantasy's beloved characters from Dungeons & Dragons' Forgotten Realms. After the settling dust of the demon uprising and two years of peace, rumblings from the Menzoberranzan drow have Jarlaxle nervous. Worried his allies may be pulled into a Civil War between the great Houses, he is eager to ensure Zaknafein is armed with weapons befitting his skill, including one in particular: Khazid'hea. A powerful artifact, the sword known as “Cutter” has started wars, corrupted its users, and spilled the blood of many, many people. Nonetheless—or maybe because of that—the rogue Jarlaxle and a small group of friends will go on an expedition looking for the weapon's last wielder, Doum'wielle, in the freezing north, for she may be the key to unlocking the sword's potential...and perhaps the key to preventing the bloodshed looming over the Underdark. And as they explore the top of the world, Drizzt is on a journey of his own—both spiritual and physical. He wants to introduce his daughter Brie to Grandmaster Kane and the practices that have been so central to his beliefs. But, having only recently come back from true transcendence, the drow ranger is no longer sure what his beliefs mean anymore. He is on a path to determining the future, not just for his family, but perhaps the entire northlands of the

Realms themselves. Two different roads. On one, Jarlaxle and Zaknefein are on a quest to find pieces that could offer salvation to Menzoberranzan. On the other, Drizzt seeks answers that could offer salvation to not just his soul, but all souls. And no matter the outcome of either journey, the Realms will never be the same again.

Creep (AdN) Philipp Winkler, 2023-03-16 UNA MIRADA AL LADO OSCURO DE LA HIPERMODERNIDAD Nos conocen porque nos observan. Les hemos dejado entrar en nuestras casas, compartimos nuestras imágenes y pensamientos más íntimos en la red. En Japón, Junya apenas sale de su habitación, no habla con nadie y se pasa el día frente al

ordenador. Solo deja su casa por las noches, y lo hace para cometer actos atroces, siguiendo las instrucciones que encuentra en un oscuro foro de internet. Por primera vez siente que forma parte de algo importante que le ayuda a dejar atrás todo el acoso y maltrato que sufrió de pequeño. Pero ahora el verdugo es él. En Alemania, Fanni no tiene vida social y su familia la desprecia, así que busca consuelo observando a otras personas a través de las cámaras de seguridad de la compañía para la que trabaja. También navega por lo más profundo de la red, donde se mete en negocios turbios. Cuando se dé cuenta de la magnitud de estos, será demasiado tarde. Junya y Fanni buscan en la vida de extraños las cosas que han perdido en sus vidas: control, pertenencia, liberación. Y, al hacerlo, cruzan límites que dejaron de aplicarse a sí mismos hace tiempo. Creep es una novela tan impactante como implacable en su visión de cómo el hipermodernismo digital nos deforma y de lo que somos capaces de hacer para huir de la oscuridad que reside dentro de nosotros.
