Life's Big Adventure Mark Timothy Brion, 2024-01-05 Timmy has never been in a world where trees with luminous leaves swayed gently, and flowers that glittered with gems carpeted the ground. He has never met a talking cat, created a bridge of vines with a giant staff, or use a magic eyeglasses in making decisions. In his life, all Timmy knows is to live a simple life with his mother and his little sister Emma, in their small, thatched-roof house, tucked away in the seclusion of the forest. As their mother warned them in her story: "Do not follow the golden stag." His simple life started to change when his sister did the other way around. He found himself in an adventure where he finds not only friends, but a great journey that equipped him with skills he never dreamed existed.
