Gregory Albert Waller

Horror Show Greg Kihn,2015-08-18 A Bram Stoker Award finalist for Best First Novel: This endlessly inventive thriller pays homage to 1950s Hollywood horror films—with a demonic twist Schlock horror director Landis Woodley lives in a decaying mansion in the Hollywood Hills. When he abandoned the movie business—after being reduced to filming skin flicks and peep shows—he also left a laundry list of enemies, including the IRS. But avid fan Clint Stockbern is determined to write a piece on the alcoholic recluse for Monster magazine. Woodley agrees to the interview—for \$600 in cash. As the tape recorder starts rolling, Stockbern travels back in time with Woodley. He hears recollections of Attack of the Haunted Saucer, the worst movie of all time, and Blood Ghouls of Malibu. But he really wants to know about Woodley’s masterpiece, Cadaver. Shot on location in the Los Angeles County morgue, the film was rumored to have used real corpses and everyone associated with the production has been fatally haunted since its 1957 release. But the truth is far more terrifying than Stockbern imagined. Is a dead Satanist, possessed by the devil, reaching out beyond the grave? Or is the reporter the final victim in a diabolical scheme dreamed up by mortals? Horror Show is a wild and wacky romp that sends up mid-century Hollywood horror movies and schlockmeisters Roger Corman, William Castle, and Ed Wood.

Horror in the Night Mary Reason Theriot,2016-05-13 Gregory Ferris has been in the business of scaring people on a regular basis for years. He is very good at what he does. His haunted house is legendary. The public and media refer to him as the master of horror; wondering how he gets his Halloween props to look so life-like. He takes pride in his work. With each prop he likes to let his imagination run wild. There are so many different ways to pose a body that would shock and degrade most individuals, but when you add them as an attraction in a haunted house for Halloween the masses can't seem to get enough. It is a thrill to know that he can kill with complete anonymity, yet display his works of art for the world to see. He is careful in where he finds his props. He has to be cautious in what he does. He has to make sure that none of his props could ever be recognized. This year he has decided to open a second haunted house. The money is too good. Then he meets her and falls madly in love. He doesn't want to travel far from home anymore. What should he do? Can he be careful finding his props this close to home?

Cress Watercress Gregory Maguire,2024-03-19 A lavishly illustrated woodland tale with a classic sensibility and modern flair—from the fertile imagination behind Wicked Gregory Maguire turns his trademark wit and wisdom to an animal adventure about growing up, moving on, and finding community. When Papa doesn't return from a nocturnal honey-gathering expedition, Cress holds out hope, but her mother assumes the worst. It's a dangerous world for rabbits, after all. Mama moves what's left of the Watercress family to the basement unit of the Broken Arms, a run-down apartment oak with a suspect owl landlord, a nosy mouse super, a rowdy family of squirrels, and a pair of songbirds who broadcast everyone's business. Can a dead tree full of annoying neighbors, and no Papa, ever be home? In the timeless spirit of E. B. White and The Wind and the Willows—yet thoroughly of its time—this read-aloud and read-alone gem for animal lovers of all ages features an unforgettable cast that leaps off the page in glowing illustrations by David Litchfield. This tender meditation on coming-of-age invites us to flourish wherever we find ourselves.

American Horrors Gregory Albert Waller,1987 Since the release of Rosemary's Baby in 1968, the American horror film has become one of the most diverse, commercially successful, widely discussed, and culturally significant film genres. Drawing on a wide range of critical methods---from close textual readings and structuralist genre criticism to psychoanalytical, feminist, and ideological analyses---the authors examine individual films, directors, and subgenres. In this collection of twelve essays, Gregory Waller balances detailed studies of both popular films (Night of the Living Dead, The Exorcist, and Halloween) and particularly problematic films (Don't Look Now and Eyes of Laura Mars) with discussions of such central thematic preoccupations as the genre's representation of violence and female victims, its reflexivity and playfulness, and its ongoing redefinition of the monstrous and the normal. In addition, American Horrors includes a filmography of movies and telefilms and an annotated bibliography of books and articles about horror since 1968.

Just Thieves Gregory Galloway,2021-10-19 A CrimeReads Best Noir Novel of 2021 A sucker punch noir that is also a powerful and haunting allegory of work, debt, and power. –Richard Price An unreliable narrator makes this thriller all the more gripping. – WBUR A down and dirty gem of a tale—a twisty and twisted crime novel that evokes the worlds of George V. Higgins, Patricia Highsmith, and David Mamet, destined to be a Neo-noir classic. Rick and Frank are recovering addicts and accomplished house thieves. They do not steal randomly – – they steal according to order, hired by a mysterious handler. The jobs run routinely until they’re tasked with taking a seemingly worthless trophy: an object that generates interest and obsession out of proportion to its apparent value. Just as the robbery is completed, the two are involved in a freak car accident that sets off a chain of events and Frank disappears with the trophy. As Rick tries to find Frank, he is forced to confront his past, upending both his livelihood and his sense of reality. The narrative builds steadily into a powerful and shocking climax. Reveling in its con-artistry and double-crosses, Just Thieves is a nail-biting, noirish exploration of the working lives of two unforgettable crooks and the hidden forces that rule and ruin their lives.
