The Reaper Effect Jason Grimm,2008-11-01 Left with little understanding of who he is after a tragic car accident, Victor sets out to find a fresh start and a new life. His journey veers off-course when he finds himself stranded in a small town where the dead walk the streets and supernatural puppeteers pull the strings.

*Reapers of The Grimm Brotherhood: The Complete Series* Kel Carpenter,Meg Anne,2020-12-10 A Paranormal Romantic Comedy with Ghosts, Gods, and Grimm Fairytales by USA Today Bestselling urban fantasy romance authors Kel Carpenter and Meg Anne. . . I'm the first female reaper. Ever. It would be cool, if not for the boy's club secret society that would rather silence me than accept me as one of them. Instead, I have to hide my bad\*ss magic from the supernatural community like some sort of knock off Clark Kent. My dislike for glasses aside, hiding my newfound reaper identity isn't the easiest when the whole reason I returned home was to find out what happened to my brother. Learning I'm a reaper, like him, wasn't part of the plan. Neither was working with his sinfully attractive best friend. Graves is as arrogant and bad-tempered as they come. As the unofficial leader of the Grimm Brotherhood, he's not exactly my first choice as a partner. But if there's one thing we can agree on, it's that my brother's death wasn't an accident. He was murdered. And the talking stuffed animal I found in his things, might just be my first clue as to how. Together with my brother's best friend, a demonic crocheted sheep, and my bubbly personality—I'm going to get to the bottom of this. Hopefully I won't die, or worse, lose my heart in the process. Author's Note: The boxset contains the complete Reapers of the Grimm Brotherhood series. If you like secret societies, mysterious small towns, and slow-burn urban fantasy romance--you'll probably love this series. Fans of K.F. Breene, Shannon Mayer, Deborah Wilde, and Carrie Pulkinen should one-click right now!

Reaper Reborn Meg Anne,Kel Carpenter,2020-04-03 Just when I think things are finally starting to calm down, I come face-to-face with my long-lost twin. Turns out, being a Daughter of Death is a whole lot more than just kicking ass and taking names. There are things like rules...and responsibilities. Oh yeah, and let's not forget the monster that's killed me in all my past lives. That's a thing, too. There's also this teensy little problem: James may be gone but the distrust he created in the supernatural community is still very much alive. With the tensions between Council members bleeding into Farrow's Sqaure it's only a matter of time until someone does something crazy. Now I gotta figure out what my twin wants, learn about my super badass death powers, kill a monster, and stop a war. Sounds like a piece of cake. Speaking of cake... This whole thing started over a Hostess cupcake. Do I dare hope it can end with one? You bet your ass, I do. This is the last book in the Grimm Brotherhood series. This series must be read in order.

**The Reaper** A. E. Mccullough,2015-07-30 After three tours of duty, former Army Ranger and Delta Force Operator Erik Grimm has finally returned home to his family and the port city of Sanctuary. However, everything is not peaches and cream on the home-front. Erik is struggling with the injuries that forced his retirement and his daughter will barely even talk to him. Perhaps dinner out will help bridge the gap in his family? Turning the corner, they walk into the beginning of a gang war. Old habits die hard and the former Army Ranger springs into action, taking the fight to the thugs. However, the gang leader known only as The Capo doesn't like the interference of a would-be hero and takes Erik's wife hostage. Before the police can arrive to assist, the Grimm family is lying on the pavement bleeding and dying with no sign of the masked villain. When Erik wakes up six weeks later, he learns the hard truth. His wife is dead. His daughter is in a coma and the man responsible is still on the loose terrorizing the city of Sanctuary. Vowing to avenge his wife's death, Erik realizes that he must go outside the law if he wants his vengeance. Nonetheless as Edmund Burke once said, 'The only thing necessary for the triumph of evil is that good men do nothing.'

**Outcast Reaper** Shelley Russell Nolan,2019-02-06 Never say no to the Grim Reaper After twenty-five years working as a reaper, Ash is looking forward to fulfilling his contract and being reborn with a clean slate. When he refuses a job that would put his rebirth in jeopardy, he is cast out of the comfortable afterlife he'd built for himself in the Underworld. Ash must fight for his last five reaps. Not an easy task when the Grim Reaper wants to shred his soul. Will Ash have what it takes to cheat Death? Find out in this prequel short story to the Reaper Series.

Reaper's Blood Meg Anne,Kel Carpenter,2020-01-13 I died for Hostess cupcakes. I know. Tragic, right? Even worse, after I came back I still didn't get any cupcakes. What I did get, however, is a six-foot-something reaper with eyes like blue fire to guide me into the world of the supernatural. Which, as it turned out, wasn't quite like the fairytales little girls are told growing up. Not only is magic real, more importantly, so are monsters. And apparently, I'm one of them. But I'm getting ahead of myself here. You see, four years ago I left my hometown and swore to never come back. Now my brother is dead and I have no choice but to go searching for answers. Except finding them isn't easy when the secret society he belonged to is covering it up. I gotta find out who killed him while watching my own back, because if I'm not careful I might be next--and this time, there's no do over. Luckily for me, Mr. Single and Hot as F\*ck is determined to help me keep my ass alive. I'm a lucky, lucky girl. Some days. \*\*The Grimm Brotherhood is a new adult urban fantasy series with slow-burn romance and a snarky heroine. It contains material intended for mature teens and adults. Fans of Kelly St. Clare, Leia Stone, K.F. Breene, Annette Marie, and Audrey Grey will love this action packed, food-filled adventure!\*\*

**Lost Reaper** Shelley Russell Nolan,2019-07-26 The first dead body I ever saw was my own For twenty-five year old Tyler Morgan, being murdered was easy. Easy in comparison with working for the Grim Reaper. Jonathon Grimm may have brought her back from the dead in exchange for working as a reaper for her home town, Easton, but she has to find his lost reaper before she can enjoy her second chance at life. Only ... the lost reaper isn't actually lost. He has a new body, a new life, and no intention of turning himself in. He could be anyone – the intriguing detective, Sam Lockwood; the handsome, wealthy Chris Bradbury; or the serial killer stalking the women of Easton. Women who bear an uncanny resemblance to Tyler. And what is the ancient secret that has motivated Grimm to choose Tyler for such morbid work? As the killer closes in and Grimm's deadline draws closer, Tyler discovers she is fighting a much bigger threat than the Grim Reaper and time is running out for everyone. A fast-paced, supernatural thriller, Lost Reaper will appeal to male and female readers alike with its combination of great storytelling, action and romance.

Grimm Reapers Michael E. Berg,2017-05-23 Their fairy tales are famous, but the stories are incomplete. Jacob & Wilhelm Grimm may have collected folklore, but they did so with an ulterior motive: to purge Germany of all mythical creatures. After witnessing their father murdered by a werewolf, the brothers seek vengeance, traveling the countryside under the guise of fairy-tale collectors.

Grimm Consequences Kate SeRine,2014-04-01 The author of Red “takes urban fantasy, crime thrillers and fairy tale characters and creates magic in this paranormal romance novella (Caffeinated Book Reviewer). To put it lightly, Nate Grimm has a dark past. Fortunately, no one's bothered to look too closely at the Fairytale Management Authority's lead detective and part-time Reaper. And Nate wants to keep it that way. After centuries of torment and loneliness, he's finally found happiness with the hot and hard-charging love of his life, Tess Red Little. Of course, his love for Tess is the reason there's a posse of Reaper judges after him, led by a sadistic bastard acquainted with Nate from once upon a time. Now, Tess will pay the price for Nate's transgressions unless Nate severs his ties to the transplanted Tales—and Tess—forever. His enemy has the advantage in speed, malice and brutality. But the Reapers have underestimated the depth of Nate's love. And the fury of his wrath.

*Dates with the Grimm Reaper* Peter Onen,2017-01-19 This book is about the trials and tragedies that afflicted the Anwar family. Each and every one of the eleven children suffered personal tragedy or mortal tragedy. Rumors circulated around that someone or something put a curse on the family. The first born child was visited by the Grimm reaper only after a few weeks of life and taken away. The rest suffered innumerable tragedies as the story unfolds causing them to wonder if what befell them was the very act of God. Although much happened to all ten remaining brothers and sisters, book is centered on two individuals; Olan and Odom, born in a family with what seems to be 'the mother of all problems'. Olan was the sixth child and his brother Odom, the seventh among eleven siblings born to Anwar and his wife Celia. The book is based on actual events written on their turbulent lives, their struggles to fight and overcome obstacles one after another in an endless series of misfortunes and tragedies which inevitably led to their own demise. Born in a far-away and insignificant place, they moved to Atlanta, Georgia with the hope of achieving the American dream. To their surprise, achieving the American dream was like chasing and catching the phantom. Their struggles and challenges were unlike other struggles and challenges faced by ordinary people. Because they were born in a typically dysfunctional family, family who did not know the words 'peace' and 'serenity', the brothers found themselves in a far-away places hoping to finally find peace and some kind of serenity but there were surprises at every turn of their turbulent lives. From the age at which they became aware of their surroundings, all they witnessed around them were constant fights, heartbreaks, pains, deaths and endless struggles to survive. Every day came with its own sets of challenges and obstacles to overcome. What appeared like a light at the end of a tunnel was quickly and suddenly snuffed off leaving them with little to no hope of making it in life. Unable to overcome the challenges and obstacles in life, many of Anwar's family members became victims and succumbed leaving desolate children and broken hearts behind. It is a wonder that those who made it to adulthood, made it at all. This book will leave you and many others pondering the statement 'They hear the cry of the poor and destitute but they do not listen.'

Chasing the Grimm Reaper Katharina Gerlach,2017-01-28 An interactive mystery with more than twenty different endings. The Fairy Godmother's murder might just be the end of Sagaland, the kingdom of fairy tales. Only one person can solve the case--and it's not Sherlock Holmes: He's indisposed. Therefore Sagaland's king will gladly accept the help of a Realworlder to solve the case. Follow the clues with Watson's help. Which will lead to the true culprit? But beware! You must master dead ends and risk death to find out who killed the Fairy Godmother. Become the narrator of this non-linear mystery and solve the case with Watson at your side. Over twenty outcomes are possible ... if you dare to fill Holmes' shoes. Ready for adventure? Yes! -> buy this book now and choose your way. The game is afoot, and the culprit is getting away! Sounds too complicated? -> Open the sample and give it a try. You might discover something fun. A Word About Interactive Fiction eBooks (and books) of this kind are not meant to be read one page after the next like normal books. Whenever the reader reaches a link (in the eBook) or a page reference (in the print version), the story splits into several story lines, and the reader gets to choose how the adventure continues. Back when I was a child, I loved the Choose Your Own Adventure style books, but I never liked the second person point of view (you) and found the stories to be a series of unrelated events. With this novel, I took great care to tell a real story with all the elements a story should have (like beginning, middle, end and twists). The narrator is using first person (I) which should make it easier to identify with the main character. Try the sample to see if you like it.

**Silver Reaper** Shelley Russell Nolan,2019-08-16 How far would you go to save those marked for Death? When the call to reap uncovers a new threat to Easton and its inhabitants, Tyler is drawn back into a world she thought she'd left behind. Forced to face her greatest fears, she seeks to uncover the identity of the rogue reaper murdering men employed by her former ally. But the search leads her to a conspiracy decades in the making. With the line between friends and enemies blurring, Tyler begins to question her loyalties as she fights to stop the storm threatening to engulf Easton. But when the Grim Reaper offers the last hope, death might be the least of her problems. Who can Tyler trust when even her allies want her dead?

Lost Reaper Shelley Russell Nolan,2019-08-02

**Reap in the Beginning** Jonathan Reaper,2017-07-27 Based on a death bed whisper from the first Reaper in nineteen ninety-six, a foot locker revealed a journal. In it was a first-person confessional spanning from nineteen forty-two through nineteen eighty-six. The admission answers what really happened to all the major conspiracies of this period of time. The journal was written after receiving a fifty-year celebratory visit to Fort Bragg in nineteen ninety-five. This was for his service in the Office of Strategic Services as an Operational Group member. The declassified reports revealed how the Reaper Force was created from the ashes of our first heroes in the shadow. In the beginning, there was no fate. An organization needed to be created out of the atrocities of World War II. Even though this is Volume 4, it is a prequel to Volume 0 called the Recruit. Because of the spoilers in this book, please read the other four first. There was no such thing as fate deciding if you would live or die... then came the Grimm Reaper.

**The Grimm Brotherhood** Meg Anne,Kel Carpenter,2020-12 Dying sucks. Waking up in some creepy woods with a weird ghost girl who tells me I have to go back? That makes it worse. To learn the truth about my brother's death, I do what I swore I'd never do. I return home to Farrow's Square-and flip my car in the process. Just when I think my night can't get any worse, my dead brother's best friend finds me and fills me in on some dirty secrets. My brother didn't die in a hunting accident. He was murdered because he was a reaper. My best friend isn't actually human. She's a sex vampire. And me? Well, I'm one of a kind. Turns out, half the population of my hometown are actually monsters-and people like my brother exist to keep them in line. Talk about an ever-growing suspect list. Now I've got to find the killer while

watching my own back because whoever it is-they're coming for me too. There's just one little thing they didn't count on. The dangerously attractive reaper at my side who wants answers as much as I do. He's as lethal as he is arrogant-and he's determined to help me keep my ass alive. They say death is the end, but for me it was only the beginning. This collection contains: 1. Reaper's Blood 2. Reaping Havoc 3. Reaper Reborn 4. Succubus Blues

Winged Reaper Shelley Russell Nolan,2019-08-03 Secrets, lies and the Grim Reaper: A recipe for disaster! Twenty-five-year-old Tyler Morgan is only alive – technically reborn - because the Grim Reaper offered her a job. Now she has to find a way to stop her ‘boss’ from starting a war that threatens the survival of mankind. Weak and in need of fresh souls, the Grim Reaper has sent his wraiths to Tyler’s hometown, Easton, and by the time he gets his fill, it could turn into a graveyard. Tyler’s resolve is tested when old secrets surface and a new betrayal has her questioning where her loyalties lie. Supported by the intriguing detective, Sam Lockwood; the handsome, wealthy Chris Bradbury; and sources she never expected to come to her aid, Tyler must fight her way to the truth if she is ever to find the strength to harness the powers she has inherited, and vanquish the Grim Reaper forever.

*Trail of the Reaper (A Grimm Reaper Western #7)* BJ. Holmes,2014 Bounty-hunter Jonathan Grimm04the man they called the Reaper04took a break from his man-hunting to attend a family wedding. But a shooting on the doorstep hurled him back into his man-chasing role. Then, what started out as a straightforward chase ran him smack into hard-case gunmen aiming to cut him down. At the tail end of his life, how could he afford to keep tangling with younger, trigger-happy gunnies? But one thing was dead certain04before the last man was left standing, a lot of lead was going to fly.

*Reap the Corruptible* Jonathan Reaper,2018-03-16 In the Journals, with the Global War on Terrorism and Iraqi Freedom, the OSS has a purpose not aligned with the allies. Jonathan's counter missions are revealed as stealing artifacts, hiding the enemy, and erasing weapons of mass destruction.In the present, Jane is tasked with growing her Reaper force while protecting the family. It is exposed to Tina the Grimm Reaper mission. Jacob's curiosity almost gets him killed.What would you do if it was revealed that your friend was really using you for evil? With the Order controlling the past, the counter missions just got bigger in the present. Join the adventure with all the old and new characters in Volume 5, help fight the future.

A Coffin for the Reaper (A Grimm Reaper Western #6) BJ. Holmes,2014 Jonathan Grimm had been a bounty hunter for far too long. His joints were creaking and his reflexes were slowing. He needed one big one, and then he could retire. It looked like he could do it, too, when he learned that a bunch of hardcases had broken out of Austen jail. He weighed it up. If he roped them in and recovered the loot, the bounties would total over ten thousand.But before he could pocket the money he needed to do a heap of riding, all the way to California. A long haul for his ancient limbs, and ahead the daunting prospect of fronting up to six trail-hardened sonsofbitches.However, as one by one his victims ended up in Boot Hill, it never occurred to Jonathan Grimm, the no-nonsense killing machine known to history as the Reaper, that this might be his last ride.

**The Reaper** Greg Krojac,2021-09-07 A sci-fi parable on the consequences of personal freedom taken to extremes.
