Pendleton Ward

Exploring the Land of Ooo Paul A. Thomas,2023-08-16 Exploring the Land of Ooo: An Unofficial Overview and Production History of Cartoon Network's Adventure Time is a guide through the colorful and exuberant animated television series that initially aired from 2010 to 2018. Created by visionary artist Pendleton Ward, the series was groundbreaking and is credited by many with heralding in a new golden age of animation. Known for its distinct sense of humor, bold aesthetic choices, and memorable characters, Adventure Time has amassed a fan-following of teenagers and young adults in addition to children. Popularly and critically acclaimed, the show netted three Annie awards, eight Emmys, and a coveted Peabody. In this thorough overview, author Paul A. Thomas explores the nuances of Adventure Time's characters, production history, ancillary media, and vibrant fandom. Based in part on interviews with dozens of the creative individuals who made the show possible, the volume comprises a captivating mix of oral history and primary source analysis. With fresh insight, the book considers the show's guest-directed episodes, outlines its most famous songs, and explores how its characters were created and cast. Written for fans and scholars alike, Exploring the Land of Ooo ensures that, when it comes to Adventure Time, the fun truly will never end.

Adventure Time and Philosophy Nicolas Michaud,2015-04-07 Adventure Time and Philosophy is a monster-beating, wild ride of philosophical mayhem. The authors have come together to understand and explore one of the deepest and most thoughtful television shows ever to assault human brain waves. Where Adventure Time shows us what the world could be like, this book screws open our cranial lids, mucks about in the mess that is our heads, and attempts to come to some answers about the nature of reality. Adventure Time challenges everything we know about life, meaning, heroism, and even burritos. And it's time to give the show some serious thought. Adventure Time and Philosophy is a chance to put down your broadsword, put your exhausted monster-slaying feet up, and try to figure out why you spend your time rescuing people in distress and fighting for justice. What is justice anyway? If you don't happen to have your pocket edition of the Enchiridion on hand, and Billy the Hero *wicked guitar solo* hasn't been returning your calls, pick up Adventure Time and Philosophy and learn what it means to be a real hero! The authors of the chapters will prove that Adventure Time is much more than a cartoon, it's a way of life. . . . It's also the future!--a post-apocalyptic future 10,000 years after the Great Mushroom War, actually. Who better to have as companions than Finn and Jake when taking on Plato, Nietzsche, and Baudrillard or encountering the Slime Princess, the Ice King, and Marceline the Vampire Queen. In a review of the show in Entertainment Weekly, Darren Franich characterized Adventure Time as a "hybrid sci-fi/fantasy/horror/musical/fairy tale, with echoes of Calvin and Hobbes, Hayao Miyazaki, Final Fantasy, Richard Linklater, Where the Wild Things Are, and the music video you made with your high school garage band." This book is filled with chapters written by a colorful cast of characters who enlighten us about the profound and life-affirming spiritual subtext and dark comedic elements of an awesomely fantastic show.

Mimetic Theory and Film Paolo Diego Bubbio,Chris Fleming,2019-02-21 The interdisciplinary French-American thinker René Girard (1923-2015) has been one of the towering figures of the humanities in the last half-century. The title of René Girard's first book offered his own thesis in summary form: romantic lie and novelistic truth [mensonge romantique et vérité romanesque]. And yet, for a thinker whose career began by an engagement with literature, it came as a shock to some that, in *La Conversion de l'art*, Girard asserted that the novel may be an "outmoded" form for revealing humans to themselves. However, Girard never specified what, if anything, might take the place of the novel. This collection of essays is one attempt at answering this question, by offering a series of analyses of films that aims to test mimetic theory in an area in which relatively little has so far been offered. Does it make any sense to talk of vérité filmique? In addition, *Mimetic Theory and Film* is a response to the widespread objection that there is no viable "Girardian aesthetics." One of the main questions that this collection considers is: can we develop a genre-specific mimetic analysis (of film), and are we able to develop anything approaching a "Girardian aesthetic"? Each of the contributors addresses these questions through the analysis of a film.

Religion and Popular Culture in America, Third Edition Bruce David Forbes,Jeffrey H. Mahan,2017-03 The connection between popular culture and religion is an enduring part of American life. With seventy-five percent new content, the third edition of this multifaceted and popular collection has been revised and updated throughout to provide greater religious diversity in its topics and address critical developments in the study of religion and popular culture. This edition also adds to the end of each chapter new the pedagogical tools of discussion questions and key term glossaries.

Analyzing Adventure Time Paul A. Thomas,2023-07-20 In 2010, Cartoon Network debuted a new animated series called Adventure Time, and within just a few short years the show became both a pop culture phenomenon and a critical darling. But despite all the admiration, not many works of scholarship have assessed the show through a critical lens. This anthology is an attempt to fill this scholarly oversight and spark a wider conversation about the show's deeper themes. Across 15 scholarly essays, this book's contributors study Adventure Time from a variety of angles, proving just how insightful the series really is. From a consideration of BMO's queer identity to a psychoanalytic reading of Lemongrab and an examination of how anime has impacted the show, the topics explored in this anthology are diverse and unique and are likely to appeal to scholars and fans alike.

The Routledge Companion to Religion and Popular Culture John C. Lyden,Eric Michael Mazur,2015-03-27 Religion and popular culture is a fast-growing field that spans a variety of disciplines. This volume offers the first real survey of the field to date and provides a guide for the work of future scholars. It explores: key issues of definition and of methodology religious encounters with popular culture across media, material culture and space, ranging from videogames and social networks to cooking and kitsch, architecture and national monuments representations of religious traditions in the media and popular culture, including important non-Western spheres such as Bollywood This Companion will serve as an enjoyable and informative resource for students and a stimulus to future scholarly work.

How to Draw Adventure Time Step by Step Book1 John Smith,2017-03-09 Adventure Time is the story of an almost normal 12-13 year old human boy named Finn, and his magical dog Jake. They live in the enchanted land of Ooo and have many strange adventures exploring dungeons, saving princesses(most commonly Princess Bubblegum of the Candy Kingdom) and meeting many strange inhabitants of the world, some friendlier than others.This book contains step by step instructions of how to draw your favourite cartoon characters from Adventure Time in a picture book format. Art grids are used to help improve your work by breaking down intimidating imagery into

more manageable portions. The grid basically divides the original image into smaller blocks so that you can more easily see what belongs where. This can help you create more natural, effortless artwork, and increase your understanding of shapes, composition and color. The grid method has been used by artists for centuries as a tool to creating correct proportions. All the steps in this book are visually depicted in a very detailed manner and are self explanatory. Hence there are no written instructions required. In this book you will learn to draw following characters: Learn To Draw Abracadaniel, Butterscotch Butler, Cinnamon Bun, Dr Ice Cream, Finn The Human, Grob Gob Glob Grod, Izuru, Joshua, Lumpy Space Prince, Lumpy Space Princess, Martin, Party God, Ricardio, T.V and Viola. I hope that you enjoy this book.

The Adventure Time Encyclopaedia (Encyclopedia) Martin Olson, 2013-07-22 What time is it? Adventure Time™! Explore the magical world of Ooo with Jake the Dog and Finn the Human, along with the Ice King, Princess Bubblegum, Marceline the Vampire Queen, and all your favorite Adventure Time characters, in this New York Times bestselling companion book to Cartoon Network's hit animated series. Written and compiled by the Lord of Evil himself, The Adventure Time Encyclopaedia matches the playful, subversive tone of the television series, detailing everything anyone will ever need to know about the postapocalyptic land of Ooo and its inhabitants—secret lore and spells, fun places you should visit and places where you will probably die, whom to marry and whom not to marry, how to make friends and destroy your enemies—plus hand-written marginalia by Finn, Jake, and Marceline. An indispensable guide to the show fans love to watch, this side-splittingly funny love letter to Adventure Time is sure to appeal to readers of all ages. Heck yeah! From the Back Cover: Written by the Lord of Evil Himself, Hunson Abadeer (a.k.a. Marceline the Vampire Queen's dad), to instruct and confound the demonic citizenry of the Nightosphere, The Adventure Time Encyclopaedia is perhaps the most dangerous book in history. Although seemingly a guidebook to the Land of Ooo and its postapocalyptic inhabitants, it is in fact an amusing nightmare of literary pitfalls, bombastic brain-boggles, and ancient texts designed to drive the reader mad. Complete with secret lore and wizard spells, fun places you should visit and places where you will probably die, advice on whom to marry and whom not to marry, and how to make friends and destroy your enemies, this volume includes hand-written marginalia by Finn, Jake, and Marceline. Arguably the greatest encyclopaedia ever written since the beginning of the cosmos, it is also an indispensable companion to humans and demons who know what time it is: Adventure Time! Praise for The Adventure Time Encyclopaedia: "Even if you're an adult Adventure Time fan, the book will make you feel like you're 10 again." —USA Today's Daily Candy blog "The brand-new Adventure Time Encyclopaedia will tell viewers everything they need to know about the post-apocalyptic magical land and its inhabitants." —Entertainment Weekly's Family Room blog "The . . . Encyclopaedia will appeal to Adventure Time fans who want to delve deeper into the show's mysterious back story and bizarre details." —The Los Angeles Times' Hero Complex blog

Adventure Time Martin Olson, Olivia Olson, 2015-10-06 Explore the weird, hilarious world of Adventure Time™ with this beautifully illustrated 2-in-1 book based on the hit Cartoon Network series. All-new, gorgeous, hilarious, and grotesque illustrations? Ancient wizard lore, spells, curses, and jokes? Memories and mementos from a cute demon girl's childhood? Goofball commentary by Finn, Jake, Marceline, and the Ice King? Check, check, check, check please! A treasure for any fan of the series, this magical and mysterious tome takes a deep dive into the world of Cartoon Network's Adventure Time™. Aspiring heroes and wizards will find invaluable information in The Enchiridion—the ancient book of Ooo—and true fans will learn everything they ever wanted to know about Marceline the Vampire Queen in her Super Secret Scrapbook. From the creative team behind the New York Times–bestselling Adventure Time Encyclopaedia, this in-world compendium of all things Oooian is a humor-, paradox-, and literary contrivance–filled book true to the imagination, innovation, and heart of Adventure Time™.

Adventure Time Original Graphic Novel Vol. 3: Seeing Red Kate Leth, Pendleton Ward, 2014-03-11 When Finn's soul is kidnapped by a fortune-telling, pal-tricking dragon, it is up to Flame Princess and Jake to get their buddy back! But can Flame Princess cool off long enough to make it through the travails and traps that stand in their way? --Page 4 of cover.

Adventure Time: Marceline & The Scream Queens Meredith Gran, Pendleton Ward, 2013-06-04 Follows Princess Bubblegum and Marceline's paranormal rock band's tour of Ooo as they confront scenesters, beasts born of self-doubt, and other challenges, in a tale with other stories about the same characters interspersed among the episodes.

Deadly Design Debra Docket, 2015-06-02 The emotional power of If I Stay meets the survival story of Maze Runner Genetically engineered identical twins Kyle and Connor McAdams were born two years apart. Their parents figured it was safer that way, to increase their odds of survival. Connor was born first, paving an impossibly perfect path for Kyle to follow. He was the best at everything—valedictorian, star quarterback etc. Kyle never thought he'd be able to live up, so he didn't even try. But when Connor, 18, suddenly drops dead of a heart attack, and Kyle learns of other genetically modified kids who've also died on their eighteenth birthdays, he's suddenly motivated—to save his own life. Like Connor and all the rest, Kyle was conceived at the Genesis Innovations Laboratory, where the mysterious Dr. Mueller conducted experiments on them. The clock's ticking as Kyle searches for answers: who was Dr. Mueller really, and what did he do to cause their hearts to stop at eighteen? He must unravel the clues quickly, before, he too, becomes another perfect, blue-eyed corpse.

This One Summer Mariko Tamaki, 2014-05-06 A New York Times bestseller A 2015 Caldecott Honor Book A 2015 Michael L. Printz Honor Book An Eisner Award Winner Every summer, Rose goes with her mom and dad to a lake house in Awago Beach. It's their getaway, their refuge. Rosie's friend Windy is always there, too, like the little sister she never had. But this summer is different. Rose's mom and dad won't stop fighting, and when Rose and Windy seek a distraction from the drama, they find themselves with a whole new set of problems. One of the local teens - just a couple of years older than Rose and Windy - is caught up in something bad... Something life threatening. It's a summer of secrets, and sorrow, and growing up, and it's a good thing Rose and Windy have each other. This One Summer is a tremendously exciting new teen graphic novel from two creators with true literary clout. Cousins Mariko and Jillian Tamaki, the team behind Skim, have collaborated on this gorgeous, heartbreaking, and ultimately hopeful story about a girl on the cusp of childhood - a story of renewal and revelation. This title has Common Core connections.

Religion and Popular Culture in America, Third Edition Bruce David Forbes, Jeffrey H. Mahan, 2017-03-01 The connection between popular culture and religion is an enduring part of American life. With seventy-five percent new content, the third edition of this multifaceted and popular collection has been revised and updated throughout to provide greater religious diversity in its topics and address critical developments in the study of religion and popular culture. Ideal for classroom

use, this expanded volume gives increased attention to the implications of digital culture and the increasingly interactive quality of popular culture provides a framework to help students understand and appreciate the work in diverse fields, methods, and perspectives contains an updated introduction, discussion questions, and other instructional tools

Threadbare Volume One Andrew Seiple, 2018-01-06 Meet Threadbare. He is twelve inches tall, full of fluff, and really, really bad at being a hero. Magically animated and discarded by his maker as a failed experiment, he is saved by a little girl. But she's got problems of her own, and he might not be able to help her. Fortunately for the little golem, he's quick to find allies, learn skills, gain levels, and survive horrible predicaments. Which is good, because his creator has a whole lot of enemies... Warning: Contains profanity and violence.

SuperMutant Magic Academy Jillian Tamaki, 2015-04-28 Unrequited love, underage drinking, and teen angst rule at a high school for mutants and witches The New York Times and New Yorker illustrator Jillian Tamaki is best known for co-creating the award-winning young adult graphic novels *Skim* and *This One Summer*—moody and atmospheric bestsellers. *SuperMutant Magic Academy*, which she has been serializing online for the past four years, paints a teenaged world filled with just as much ennui and uncertainty, but also with a sharp dose of humor and irreverence. Tamaki deftly plays superhero and high-school Hollywood tropes against what adolescence is really like: The *SuperMutant Magic Academy* is a prep school for mutants and witches, but their paranormal abilities take a backseat to everyday teen concerns. Science experiments go awry, bake sales are upstaged, and the new kid at school is a cat who will determine the course of human destiny. In one strip, lizard-headed Trixie frets about her nonexistent modeling career; in another, the immortal Everlasting Boy tries to escape this mortal coil to no avail. Throughout it all, closeted Marsha obsesses about her unrequited crush, the cat-eared Wendy. Whether the magic is mundane or miraculous, Tamaki's jokes are precise and devastating. *SuperMutant Magic Academy* has won two Ignatz Awards. This volume combines the most popular content from the webcomic with a selection of all-new, never-before-seen strips that conclude Tamaki's account of life at the academy.

Enchiridion (with a Selection from the Discourses) Epictetus, 2021-09-11 Greek-speaking philosopher Epictetus was born into slavery around 55 AD at Hierapolis in the ancient Kingdom of Phrygia, which today is located in the city of Pamukkale, Turkey. He lived in Rome until his banishment from the city, after which he would spend the rest of his life in the Northwestern Greek city of Nicopolis. Epictetus was one of the most prominent of the stoic philosophers. Stoicism was the school of philosophy that taught detachment from one's emotions so that truth may be arrived at through reason. To the stoic this detachment allows the natural law of the universe to reveal itself allowing harmony with the world to be achieved. This philosophy is exemplified in Epictetus' most famous work, the *Enchiridion*, which serves as a manual for the everyday practice of the philosophy. Compiled by Epictetus' student Arrian, the *Enchiridion* or *Handbook* provides a simple practical philosophy which at its heart emphasizes the acceptance of one's circumstances in order to achieve happiness in life. A more detailed examination of the philosophy can be found within the discourses of Epictetus, of which a representative selection are presented here in this volume. This edition is printed on premium acid-free paper, follows the translation of George Long, and includes an introduction by T. W. Rolleston.

The Art of Incredibles 2 John Lasseter, 2018-05-08 From Pixar's upcoming film *Incredibles 2*, this making-of book is a dive back into the beloved world of the *Incredibles*. *The Art of Incredibles 2* explores Pixar's highly anticipated sequel through colorful artwork, energetic character sketches, intriguing storyboards, and spellbinding colorscripts. Featuring gorgeous production art and interesting details from the production team about the making of the film, *The Art of Incredibles 2* overflows with insights into the artistic process behind Pixar's engaging creative vision.
