New York Magazine ,1997-04-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Underrated: Josh Abraham,Nick Jezarian,Geoff Wolinetz,2012-03-01 Contrary to popular legend, every dog does not have his day. Some dogs--i.e., musicians, actors, foodstuffs, sitcoms, beverages, albums, and movies--are perennially overlooked. This book will change all that. Using a highly scientific, unabashedly subjective, yet uncannily accurate formula, the brilliant comedic minds behind Yankee Pot Roast can help you determine with absolute confidence whether something or someone is underrated (George Harrison) or not (Paul McCartney). For example: Underrated Good Times Bubble Yum Snapple Not Underrated Diff'rent Strokes Big League Chew Dr. Pepper The UR (Underrated Rating) takes into account cultural, commercial, and critical appeal, as well as more nebulous but equally crucial factors like coolness and staying power. Admit it--you've suspected for years that NewsRadio is a criminally ignored masterpiece. Now you can prove it. Geoff Wolinetz, Nick Jezarian, and Josh Abraham are the founders and editors of Yankee Pot Roast. Their work has appeared in Maxim and Cracked and on the web at McSweeney's, The Black Table, DrinkatWork and more. They live in New York City.

The John Cusack Handbook - Everything You Need to Know about John Cusack Emily Smith,2011-12 John Paul Cusack (born June 28, 1966) is an American film actor and screenwriter. He has appeared in more than 50 films, including The Journey of Natty Gann, Say Anything..., Grosse Pointe Blank, The Thin Red Line, Stand by Me, Con Air, Being John Malkovich, High Fidelity, Serendipity, Runaway Jury, The Ice Harvest, 1408, Igor, 2012 and Hot Tub Time Machine. This book is your ultimate resource for John Cusack. Here you will find the most up-to-date information, photos, and much more. In easy to read chapters, with extensive references and links to get you to know all there is to know about his Early life, Career and Personal life right away. Love and Politics Jeffery L. Nicholas,2021-06-07 In, Love and Politics Jeffery L. Nicholas argues that Eros is the final rejection of an alienated life, in which humans are prevented from developing their human powers; Eros, in contrast, is an overflowing of acting into new realities and new beauties, a world in which human beings extend their powers and senses. Nicholas uniquely interprets Alasdair MacIntyre's Revolutionary Aristotelianism as a response to alienation defined as the divorce of fact from value. However, this account cannot address alienation in the form of the oppression of women or people of color. Importantly, it fails to acknowledge the domination of nature that blackens the heart of alienated life. Alienation must be seen as a separation of the human from nature. Nicholas turns to Aristotle, first, to uncover the way his philosophy embodies a divorce of human from nature, then to reconstruct the essential elements of Aristotle's metaphysics to defend a philosophical anthropology based on Eros. Love and Politics: Persistent Human Desires as a Foundation for Liberation presents a critical theory that synthesizes MacIntyre's Revolutionary Aristotelianism, Frankfurt School Critical Theory, and Social Reproduction Theory. It will be of great interest to political theorists and philosophers.

Springsteen as Soundtrack Caroline Madden,2020-01-29 A catalog nearly fifty years in the making, Bruce Springsteen's music remains popular and a frequent subject of study yet little critical attention has been given to its inclusion in film and television. This book examines a selection of films and TV shows from the 1980s to the present--including Mask, High Fidelity, The Sopranos and The Wrestler--that feature Springsteen's music on the soundtrack. Relating his thematic preoccupations with religion, the Vietnam

War, the promise of the open road, economic disparity and blue-collar malaise, his songs color narrative and articulate the inner lives of characters. This book explores the many on-screen contexts of Springsteen's work from Greetings from Asbury Park, N.J. to Springsteen on Broadway.

Little Pretty Things Lori Rader-Day, 2015-07-07 Mary Higgins Clark Award Winner! OLD RIVALRIES NEVER DIE. BUT SOME RIVALS DO. Juliet Townsend is used to losing. Back in high school, she lost every track team race to her best friend, Madeleine Bell. Ten years later, she's still running behind, stuck in a dead-end job cleaning rooms at the Mid-Night Inn, a one-star motel that attracts only the cheap or the desperate. But what life won't provide, Juliet takes. Then one night, Maddy checks in. Well-dressed, flashing a huge diamond ring, and as beautiful as ever, Maddy has it all. By the next morning, though, Juliet is no longer jealous of Maddy—she's the chief suspect in her murder. To protect herself, Juliet investigates the circumstances of her friend's death. But what she learns about Maddy's life might cost Juliet everything she didn't realize she had. From the Trade Paperback edition.

Oops! They Did It Again! Matteo Molinari, Jim Kamm, 2002 Almost every film, from the classic to the guilty pleasure, contains blunders that can be so blatant, one wonders how filmmakers ever missed them. In this second all-new volume in the Oops! series, readers will discover hundreds more bloopers from Bringing Up Baby (1938) to the Oscar-winning Crouching Tiger, Hidden Dragon

(2000). Each entry lists title, credits, plots, non-bloopers, oddities, fun facts, and, of course, bloopers, each described and keyed to the on a video player for easy locating.

Spirit In Realtime Jeffrey Lee Simons, 2015-11-07 In 2020 San Diego, Max and her friends live in a wired world where information is a commodity, everyone has a price, and safety is an illusion sold to rubes and noobs. But cyberspace is also an equalizer, allowing Max and her tribe to transcend society's limits and become who they want to be. Until now, Max's biggest hassle was being a 15-year-old girl gamer in a world where that made you a target for misogynistic trolls - or worse. But when Max's dad, a computer science professor at UCSD, doesn't come home from work one day, Max finds herself plunged into a world of hackers, international corporate spies and the secretive government agency known as Cyber Command.

The Brand New Catastrophe Mike Scalise, 2017-01-09 Winner of the Center for Fiction's Doheny Prize Mike Scalise hits his stride in this page-turner of a memoir featuring a sudden and strange sequence of medical disasters. From its gripping ruptured-brain-tumor emergency room opening, through a series of medical procedures and oddball doctors, Scalise creates a sharply observed, uproariously funny, and deeply moving account of acromegaly, the hormone disorder best known for causing gigantism. Scalise weaves in meticulous research, social history, and vignettes about Andre the Giant and a variety of Hollywood acromegalic villains. He creates a narrative that is informative without feeling pedantic, demonstrating how he has marshaled the narrative of his life so that he can control it rather than being controlled by it. Although his medical story is the primary subject, the emotional engine driving the book is that of his relationship with his mother, a longtime sufferer in her own right, with a chronic cardiac condition likely exacerbated by her penchant for chain smoking and late-night white wine binges. Fraught, frustrating, and often very funny, Scalise's mother—often positioned as his competitor for the spotlight or the status of best sick person—winds up being the book's unlikely hero. Mike Scalise's work has appeared in *Agni*, *Indiewire*, the *Paris Review*, *Wall Street Journal*, and other places. He has received fellowships and scholarships from Bread Loaf, Yaddo, the Ucross Foundation, and was the Philip Roth Writer in Residence at Bucknell University. He lives in Brooklyn, New York.

Screening the Mafia George S. Larke-Walsh, 2010-04-06 The post-classic era of American gangster films began in 1967 with the release of *Bonnie and Clyde*, achieving a milestone five years later with the popular and highly influential *The Godfather*. This historical study explores the structure, myths and intertextual narratives found in the gangster films produced since *The Godfather*. The intense relationship between masculinity and ethnicity in the gangster film, especially within the movie-generated mythology of the Mafia, is carefully analyzed, and the book tracks the trends in the genre up to and including the landmark HBO television series *The Sopranos* (1999-2007). A selected filmography is included. Instructors considering this book for use in a course may request an examination copy here.

New York Magazine, 1997-04-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country.
