The Grumpiest Grumpf Jill Lawless,

Beneath the Trees - Autumn Dav,David Augereau,2021-08-31 Winter is fast approaching and all the animals in the forest are in full preparation: storing food and provisions, dining on the last worms with the neighbors, etc... All the animals but one: grumpy badger Mr Grumpf just can't finish sweeping the dead leaves off his doorstep with everyone coming by to disturb him! Grumpf! This new series paints a tender and colorful portrait of everyday Life, showing that behind every flaw or weakness can lie charm and strength. Readers will recognize their own neighbors, friends, and family members in the endearing animal characters within this forest community. In this first volume, we meet a very busy badger, who may admittedly be a little slow, but who never refuses to lend a paw to help his neighbors. In time, his generosity will be rewarded! The stories in this four-book series take place in the same forest over the course of four seasons. Each can be read independently, exploring the complexity and richness of relationships with family, friends, and loved ones. As both writer and illustrator, the author doesn't rely on text to convey emotions, oscillating between a clever dose of dialogue and wordless passages to makes these stories accessible to young readers starting as young as 5 years old. Presenting a graphic universe somewhere between Michel Plessix's adaptations of THE WIND IN THE WILLOWS and the cartoons of Walt Disney (in particular those created by Don Bluth, such as THE RESCUERS and ROBIN HOOD), Dav gently conveys each season through a changing palette of colors and rounded designs.

The Twelve Topsy-Turvy, Very Messy Days of Christmas James Patterson,Tad Safran,2022-10-03 Move over, Dickens—America's favorite storyteller has written a gift, "a delightful Christmas story to be shared by the whole family" (Kirkus), destined to become as treasured as A Christmas Carol. At Christmastime, a family of three are missing someone dear to them. Until unexpected guests begin to arrive at their empty house, filling it with Christmas memories in the making. Listening to the song "The Twelve Days of Christmas" is a beloved holiday tradition. Now comes a new one: Reading James Patterson's instant classic, The Twelve Topsy-Turvy, Very Messy Days of Christmas.

Nicko – The Tale of a Vervet Monkey on an African Farm Penny Haw,2017-08-01 This is the true tale of Alice Kirk and Nicko, the baby vervet monkey that was found abandoned on her home farm in the KwaZulu-Natal Midlands. Alice and her husband Jack shared their home with a menagerie of animals – both domestic and wild! Alice agreed to raise Nicko and he remained there as her companion until he died of old age at 17. The story encompasses his interaction with the other animals of the household, as well as humans. It carries the reader through a range of adventures and emotions from the wonderfully whacky and hilarious to alarming and sometimes sad. Author Penny Haw is the granddaughter of Alice and throughout her childhood, Penny was entertained with the stories of Nicko's escapades. She now retells these tales in the first person through Alice's 'voice'. Children (of all ages) will enjoy them, and the relationship between Nicko and Alice, and Nicko and the other animal species, will fascinate all animal lovers.

Trink aus! Den bitteren Kelch Michel Tapión,2019-11-29 Der Roman führt nach Stuttgart und an den Sarnersee bei Luzern. Eine stark fremdbestimmte Person trägt die Handlung. Als Teilnehmer an einem Sprachkurs lernt er eine Kurskollegin kennen, die den Wunsch hat, eine Kriminalgeschichte zu schreiben. Sie schreibt lieblich und umspielt, mit einer Portion Erotik ladet sie nach Stuttgart und an den Sarnersee ein, wo in stimmungsvollen Szenen verweilt wird, bevor die Katastrophe hereinbricht. Die handlungstragende Person ist mit einer bipolaren Störung belastet, deren Handicap ausgenutzt wird, um einen legalen Mord zu begehen. Die Kriminalgeschichte führt die Problematik des Wechselrechts und die nachlässige Beratung darüber vor und steuert auf eine Katastrophe zu.

Enemy Under Our Roof Johanna M. W. F. Lemke,2024-03-12 Riveting, inspiring, and informative, Johanna's often graphic memoir, Enemy under Our Roof, is based on the author's experiences in war-torn Hengelo, the Netherlands in World War II. From nights of terror spent in the cellar during air raids to the dreaded razzias, when friends and neighbours are taken away to the camps, readers will be spellbound as they are transported back to 1940's Europe. Told through the eyes of young Cobie, the narrative adopts an innocence that stands in stark contrast to the realities of war. When hordes of Nazi bombers invade the Netherlands, Cobie's peaceful, orderly world is turned upside down. Gradually she must learn to cope with fear, loss, cruelty, and despair. As she matures, she tries to make sense of the horrors of war and her Christian faith – a faith she maintains amid disillusionment and questioning. Her most trying experience occurs when a Nazi officer billets himself in her home by force, and she is confronted with issues of hatred and forgiveness. She must battle both the enemy without and within, uncovering valuable truths in the process. Throughout the ordeal she is sustained by her older brother's sense of humour, her faithful friends, and the love and courage of her parents, who keep hope alive until the long-awaited day of liberation.

Einem Zauberer darf man niemals vertrauen, hat meine Mutter immer gesagt. Ich hätte auf sie hören sollen. Stattdessen bin ich nun im Auftrag eines Zauberers unterwegs, um König Angrias zu meucheln. Mich begleiten ein Trupp sturer Amazonen, zwei selbstherrliche harabische Brüder und eine übellaunige Zauberschülerin; und sie alle sehen in mir nicht mehr als ein dumpfes Tier. Doch das wird ihnen noch leid tun. Zu lange bin ich als Mischwesen, als Bastard verachtet und verhöhnt worden.

Els pares d'en Gerard no ho veuen tan clar tot plegat, i encara menys el senyor Sistachs, un veí malcarat que viu amb tres gats i odia els nens. Després de provocar innocentment unes quantes catàstrofes, l'oncle Anastasi emprendrà un viatge pels països nòrdics i, en tornar, durà amb ell una sorpresa realment inesperada.
