

Guardsman

Karin Nielsen-Saines

The Guardsman P. J. Beese, T. J. Beese, Todd Cameron Hamilton, 1988 Ki Lawwnum, the leonine Captain of the Imperial Guards, is sworn by sacred oath to serve the mighty Galactic Empire. But the emperor's madness is imperiling the lives of the empress and their daughter. Ki Lawwnum must choose--to stand beside his emperor or to bring peace back to his empire.

The Guardsman Richard Nelson, 2016-05-03 Budapest's most beautiful young actress is notorious for affairs that only last six months. When she finally marries, she chooses the city's most handsome and talented young actor. Five and a half months later, suspecting his new wife is getting restless, the actor takes on his most daring role yet--disguising himself as a dashing Emperor's guardsman--to test her fidelity and win her love. But the more he woos his wife as this guardsman, the more insanely jealous he gets of the character he feels compelled to play. This new translation by Richard Nelson is sharp, funny, and perhaps calls to mind that other psychodrama about a stormy marriage, *Who's Afraid of Virginia Woolf?*

The Last Guardsman Rhonda Chandler, 2021-10-13 I am valor for my Valor, the King. I am strength for my Strength, the King... A broken vow. A murdered king. A missing prince. And a villain's plot distressingly incomplete. The King's Guardsmen of Rilken are legendary for their strength, skill, and loyalty. How is it then that the king of Rilken is murdered on a forest road while surrounded by the elite Guardsmen who have sworn to give their lives to protect him? The king's death, the loss of his eldest son, and the death of the Guardsmen drive the last remaining prince into a spiral of grief and the country into confusion. The blame falls on Bevan, a Guardsman captain, and as punishment his wife and daughters are cast friendless out of the capital city. Deep in the woods, the women--observant Silvie, impulsive Rosie, and their determined mother Tara--scrape out a home for themselves. They seek to keep hidden, but surprising friends appear. So do hunters and spies, and an unearthly bear no weapon can harm. When the heartbreaking truth surrounding the king's death slowly comes to light, Silvie, Rosie, and Tara must turn to the wisdom of the Guardsmen for strength to face the foe and dare the impossible.

The Guardsman (Classic Reprint) Homer Greene,2017-10-24 Excerpt from The Guardsman It was not a pleasant night to be out, rain had fallen during the day, and with the cessation of the storm had come a mist that shrouded the town, blurred the lights, and made the wet air heavy and lifeless. A small group of boys, perhaps a half dozen, ranging in age from twelve to sixteen years, moved quietly up a side street and approached the business quarter of the city. If they had been in mischief the evidences of it were not visible among them. If they contemplated mischief, only a reader of minds could have discovered that fact. The Guardsman of Murray Hill Paul Lanier,R. M. Gibson,2009-05 In this book, which encompasses many differing situations and evokes a variety of emotions, we meet a selection of interesting, and sometimes somewhat questionable, characters who visit The Guardsman - a pub that could have inspired the television programme Cheers. Amongst the regulars, and not so regular, you will find an English poet working as a janitor, and an inventor sadly lacking in entrepreneurial skills; to mention but two. You will observe the fascinating traits in people and learn the hilarious, not to be missed, story behind a curious needlepoint hanging.

A Coast Guardsman's History of the U.S. Coast Guard C D Kroll,2010-10-15 More a book about

Coast Guard heritage than an academic history, this book focuses on a variety of relatively unknown Guardsmen who personify the service’s core values. The author highlights contributions of a variety of individuals, from seamen to admirals on active duty, as well as reservists, auxiliaries, and civilian members of Team Coast Guard. These heroes, representing a great diversity in age, sex, race, and ethnicity, set an example worthy of emulation and serve as role models for today’s Coast Guard men and women.
