**The Guild's Design** A.S. Etaski,2022-03-10 I've confronted the half-blood mercenary who has what I need to find Jael, wherever she may be. Neither of us will leave until we reach a bargain which yields what we most desire. The Dragonchild has brought me into a city he knows to its foundation, where I am at a disadvantage. My devout Deathwalker may be content to wait for the coming war between Manalar and the Ma'ab, secure in his value to a newly revealed influence in the conflict, but my position seems neither secure nor desirable to anyone but me. I must dig deeper into the motives of all involved, including my own, to convince the Guild's leaders to lend me their vast knowledge and far reach within strangely familiar plots. I have to succeed for Jael's sake. She is my only sister left. In *The Guild's Design*, outcasts from the Deepearth dare to reveal resolute hopes waiting within quiet hearts. This time and opportunity must not pass them by, lest the promise of war rend their chances for a future beyond the next conflict. *Sister Seekers* is adult epic fantasy with an ever-broadening scope, perfect for fans who enjoy entwined plots, challenging themes, elements of erotic horror, and immersive worldbuilding. Sexuality and inner conflict play into character growth with nuance, intrigue, action, and fantastical magic. The series begins underground with an isolated race of Dark Elves whose intricate webs catapult the reader to places a Red Sister can only imagine in her dreams.

**The Fallen Elves** Christopher J. Farmer,2004-02-10 In *The Fallen Elves*, book three of *The Second Neoluzian War* epic fantasy series, the wicked Orc dictator Arkan Spiritstrike, his wizards and military generals are on the verge of laying waste to the elven cities of Balenwood and Oakmantle after destroying the human settlements in the northern lands. This is a time of desperation for the good races because Darius has been lost to lower Neoluzia due to the Gathering of Replenishment spell cast upon him by members of the secretive wizard guild, the Veiled Institution. David Parr, a human from Earth summoned by Darius that reluctantly remains in Neoluzia to assist the Salon of Enlightenment against their Orc enemies, must find the great necromancer Termaplix if the land is to be saved. Finding Termaplix may be impossible however, for the hero from the War of Cleansing has been hidden in a secret place due to unknown circumstances one thousand years ago--a tomb long since forgotten to the current generations in the land. Perilously stifled in their shift away from the old magic and the forced elimination of history, those that Parr seeks to help against the enemy from the north must first learn to embrace the gift of magic again, an art banished in antiquity by the deception of peace and the deep wounds of the surviving populations in the first war.

*The Relic Guild* Edward Cox,2014-09-18 Magic caused the war. Magic is forbidden. Magic will save us. It was said the Labyrinth had once been the great meeting place, a sprawling city at the heart of an endless maze where a million humans hosted the Houses of the Aelfir. The Aelfir who had brought trade and riches, and a future full of promise. But when the Thaumaturgists, overlords of human and Aelfir alike, went to war, everything was ruined and the Labyrinth became an abandoned forbidden zone, where humans were trapped behind boundary walls 100 feet high. Now the Aelfir are a distant memory and the Thaumaturgists have faded into myth. Young Clara struggles to survive in a dangerous and dysfunctional city, where eyes are keen, nights are long, and the use of magic is punishable by death. She hides in the shadows, fearful that someone will discover she is touched by magic. She knows her days are numbered. But when a strange man named Fabian Moor returns to the Labyrinth, Clara learns that magic serves a

higher purpose and that some myths are much more deadly in the flesh. The only people Clara can trust are the Relic Guild, a secret band of magickers sworn to protect the Labyrinth. But the Relic Guild are now too few. To truly defeat their old nemesis Moor, mightier help will be required. To save the Labyrinth - and the lives of one million humans - Clara and the Relic Guild must find a way to contact the worlds beyond their walls.

**Outposts of Hope** Douglas D. Webster,2015-01-09 The original recipients of the Letter of First Peter inhabited a radically different social context from our own. We do not live under Roman imperial rule. Slave labor is not the driving force of our economy. Women are not under patriarchal domination in our culture as they once were. Society has changed, but what is beyond dispute is that Western culture remains antithetical to God's will and hostile to the Jesus way. The imperial Caesar has been replaced by the imperial self. The Pax Romana has been replaced by the American Dream. Western capitalism still trades in the bodies and souls of human beings. Culture obsesses over sexual freedom and material indulgence. Idolatry is pervasive. Autonomous individualism is the ideal. First Peter is about the inevitable clash with culture that ensues because of the good news of Jesus Christ. The Apostle Peter's bottom-up profile of costly discipleship is far more radical than we may realize. Hostility against the church is the believer's opportunity under pressure to reveal the goodness of God. Suffering and submission are essential for Peter's Christ for culture strategy. Sacrifice is the leverage of the gospel. Cross-bearing humility is the strategy for relating to culture and Christlike humility is essential for living in the household of God.

**A Prince Among Killers** J. B. Redmond,S R Vaught,2011-04-10 In this second half of the Oathbreaker story, Aron, the apprentice to the assassin's guild, his master, Stormbreaker, his teacher Dari, and his mysterious acquaintance, Nic, join their formidable talents of mind and body as they battle the leaders who want to destroy their land. **The Assassins' Guild** Celine Jeanjean,2021-07-06 Dive into this fun steampunk fantasy featuring quirky characters, snappy banter, and set in a world that's a cross between Victorian London and the tropics. The problems begin when Rory and Longinus are summoned to the Assassins' Guild. Longinus wants Rory to change into something more elegant - not going to happen. Rory can't make Longinus stop calling her his assistant. Their problems get worse when the Guildmaster asks them both to investigate an attack against her and find out who is behind it. If they fail, the consequences will be...unpleasant. And it looks like the attempted assassination is mixed up in dangerous Guild politics. Between their arguments and making sure the assassins they're investigating don't kill them, it's one hell of a challenge. **Telling Stories of Pain and Hope** Mary Elizabeth Lange,Ruth Teer-Tomaselli,2024-06-07 The histories of South Africa and Ireland have been tumultuous and traumatic. Both countries have experienced political repression, sectarian violence and oppression that still impact the spiritual well-being of people today. Their parallel histories are of colonialism, displacement and division, and a fight for land and sovereignty. Both countries have embarked on a process of healing and reconciliation, yet there is an ongoing struggle for reparation and/or reversal of previous injustices. Recognising that museums of the 21st century have the potential to contribute to catharsis and mutual understanding, this book reflects on selected museums in South Africa and Ireland that commemorate the pain of the past and the hope for the future. The primary focus of the book is the way in which museum guides, curators and managers share their stories and the stories of their ancestors, and the stories of other people's ancestors who were caught up in the conflict while interweaving the stories of the authors as well. Print edition not for sale in Sub Saharan Africa.
