**Watership Down** Richard Adams,2012-11-27 40th anniversary edition of Richard Adams' picaresque saga about a motley band of rabbits - Watership Down is one of the most beloved novels of our time. Sandleford Warren is in danger. Hazel's younger brother Fiver is convinced that a great evil is about to befall the land, but no one will listen. And why would they when it is Spring and the grass is fat and succulent? So together Hazel and Fiver and a few other brave rabbits secretly leave behind the safety and strictures of the warren and hop tentatively out into a vast and strange world. Chased by their former friends, hunted by dogs and foxes, avoiding farms and other human threats, but making new friends, Hazel and his fellow rabbits dream of a new life in the emerald embrace of Watership Down . . . 'A gripping story of rebellion in a rabbit warren and the subsequent adventures of the rebels. Adams has a poetic eye and a gift for storytelling which will speak to readers of all ages for many years to come' Sunday Times 'A masterpiece. The best story about wild animals since The Wind in the Willows. Very funny, exciting, often moving' Evening Standard 'A great book. A whole world is created, perfectly real in itself, yet constituting a deep incidental comment on human affairs' Guardian Richard Adams grew up in Berkshire, the son of a country doctor. After an education at Oxford, he spent six years in the army and then went into the Civil Service. He originally began telling the story of Watership Down to his two daughters and they insisted he publish it as a book. It quickly became a huge success with both children and adults, and won the Guardian Children's Fiction Award and the Carnegie Medal in 1972. Richard Adams has written many novels and short stories, including Shardik and The Plague Dogs.

**Celestial Being** Noboru Kimura,Hajime Yodate,Yoshiyuki Tomino,2010 The novelization of the hit anime series! The year is 2307 A.D. Although fossil fuels have been depleted, humanity has obtained a new source of energy to replace them in the form of a large-scale solar power generation system based on three huge orbital elevators. However, the benefits of this system are available only to a handful of major powers and their allies. The three orbital elevators belong to three superpower blocs. These are the Union, led by the United States of America; the Human Reform League, led by China, Russia, and India; and the AEU, led by Europe. These superpower blocs continue to play a grand zero-sum game for the sake of their own prestige and prosperity. In this world of never-ending conflict, a private armed organization appears, dedicated to the elimination of war through armed force. Its name is Celestial Being, and it is in possession of Gundam mobile suits. With these Gundams, it begins armed intervention into all acts of war.

American Dior ,2010 American Dior contains detailed drawings of the elaborate foundations, images of the New Look collection and more. With the introduction of the New look, Dior became American fashion's ultimate agent provocateur playing on the country's appetite for newness and for French savoir-faire. His collection revolutionized women's dress. His designs were more voluptuous with the use of fabrics lined with percale, bustier-style bodices, hip padding, wasp-waisted corsets and petticoats, giving his models a very curvaceous form. Dior used to say that his client would be the most elegant woman in the world, which proved to be true, dressing an A-list of American icons such as Lauren Bacall, Grace Kelly, Marilyn Monroe and Elisabeth Taylor among them--Publisher's web site.
