Gun Guys Dan Baum,2013 A funny, raucous, eye-opening, wholly non-partisan trip in search of Americans who love their guns--

Good Gun Bad Guy Dan Wos,2016-06-01 It rips to shreds every argument of the anti-gun crowd and has opened my eyes to the mentality of those people. Jan Morgan, FOX News Analyst/Certified NRA Instructor Dan Wos explains the tactics and strategies of Anti-2nd Amendment Radicals and uncovers the motivation behind their mission to vilify guns and gun owners.

Good Guys with Guns Angela Stroud,2016-06-01 Although the rate of gun ownership in U.S. households has declined from an estimated 50 percent in 1970 to approximately 32 percent today, Americans' propensity for carrying concealed firearms has risen sharply in recent years. Today, more than 11 million Americans hold concealed handgun licenses, an increase from 4.5 million in 2007. Yet, despite increasing numbers of firearms and expanding opportunities for gun owners to carry concealed firearms in public places, we know little about the reasons for obtaining a concealed carry permit or what a publicly armed citizenry means for society. Angela Stroud draws on in-depth interviews with permit holders and on field observations at licensing courses to understand how social and cultural factors shape the practice of obtaining a permit to carry a concealed firearm. Stroud's subjects usually first insist that a gun is simply a tool for protection, but she shows how much more the license represents: possessing a concealed firearm is a practice shaped by race, class, gender, and cultural definitions that separate good guys from those who represent threats. Stroud's work goes beyond the existing literature on guns in American culture, most of which concentrates on the effects of the gun lobby on public policy and perception. Focusing on how respondents view the world around them, this book demonstrates that the value gun owners place on their firearms is an expression of their sense of self and how they see their social environment.

Good Guy with a Gun Henry Rambow,2016-08-28 For some, the appropriate response to mass shootings seems clear: We need more guns. Such thinking is behind a law in Texas that allows concealed firearms in university classrooms. Even many elementary, middle, and high schools have decided to arm their teachers. And one can now find children's books that extol the virtues of carrying a gun. *Good Guy with a Gun* is a darkly satirical response to these disturbing trends. It tells the story of a gun-toting boy named Cody who initially saves the day when an attacker opens fire at his school. Cody is awarded a medal for his heroism, and everyone else decides to carry a gun as well. This sets the stage for certain terrible events that will drive home the book's true message.

Johnny Got His Gun Dalton Trumbo,2013-11-15 The Searing Portrayal Of War That Has Stunned And Galvanized Generations Of Readers An immediate bestseller upon its original publication in 1939, Dalton Trumbo's stark, profoundly troubling masterpiece about the horrors of World War I brilliantly crystallized the uncompromising brutality of war and became the most influential protest novel of the Vietnam era. *Johnny Got His Gun* is an undisputed classic of antiwar literature that's as timely as ever. "A terrifying book, of an extraordinary emotional intensity."--The Washington Post Powerful. . . an eye-opener. --Michael Moore Mr. Trumbo sets this story down almost without pause or punctuation and with a fury amounting to eloquence.--The New York Times A book that can never be forgotten by anyone who reads it.--Saturday Review

The Old Man and the Gun David Grann,2018-09-04 From the #1 New York Times bestselling author of *Killers of the Flower Moon*, a mesmerizing collection of true-crime stories that includes *The Old Man and the Gun*—the inspiration for the movie starring Robert Redford and Sissy Spacek, along with two other riveting tales. *The Old Man and the Gun* is the incredible story of a bank robber and prison escape artist who modeled himself after figures like Pretty Boy Floyd and who, even in his seventies, refuses to retire. *True Crime* follows the twisting investigation of a Polish detective who suspects that a novelist planted clues in his fiction to an actual murder. And *The Chameleon* recounts how a French imposter assumes the identity of a missing boy from Texas and infiltrates the boy's family, only to soon wonder whether he is the one being conned. In this mesmerizing collection, David Grann shows why he has been called a worthy heir to Truman Capote and simply the best narrative nonfiction writer working today, as he takes the reader on a journey through some of the most intriguing and gripping real-life tales from around the world. Look for David Grann's latest bestselling book, *The Wager*!

The Good Guy with a Gun Joseph Flynn,2015-08-15 One Saturday morning, a new client comes to Jim McGill with a desperate plea. Zara Gilford says someone is planning to kill her husband. Jordan Gilford is famous as a whistle-blower who exposed corruption at two major defense contractors. Now, he works for the Inspector General's office at the Pentagon. Zara tells McGill someone wants to make sure Jordan doesn't find any thievery inside the Department of Defense. That same morning, Abel Mays, a despondent public high school football coach who has lost two star players from his team to the recruiting efforts of the coach at the exclusive Winstead School in Georgetown, uses an assault weapon to gun down the players who deserted him, their new coaches and the teammates who try to intervene. Then Mays is found shot dead in his SUV - after his weapon is used to kill one last victim: Jordan Gilford. For FirePower America lobbyist Auric Ludwig this is a dream come true. A good guy with a gun has killed a bad guy with a gun. Zara Gilford isn't buying the idea that Mays killed her husband. She persuades McGill to find out who really killed him. McGill's investigation threatens Ludwig's narrative. But a political firestorm is just one of the problems McGill will face. The president asks her henchman to bring Jordan Gilford's killer in alive, and that's when things get really dangerous.

Gun Facts Guy Smith,2015-10-02 *Gun Facts* debunks common myths about gun control. It is intended as a reference guide for journalists, activists, politicians, and other people interested in restoring honesty to the debate about guns, crime, and the 2nd Amendment. Divided into chapters based on gun control topics (assault weapons, ballistic finger printing, firearm availability, etc.), finding information is quick and easy. Each chapter lists common gun control myths, then lists a number of documented and cited facts (with nearly 500 detailed footnotes). Thus when a neighbor, editor or politician repeats some sound bite about firearm control policy, you can quickly find that myth then rebuke with real information.

Black Man with a Gun Reloaded Kenn Blanchard,2013-10-01 When many in America hear the phrase black man with a gun, they immediately think negatively. Is that an irrational fear or do the facts bear it out? If you've ever wondered what it's like to be a conservative black man in America, then this is the book for you. Kenn Blanchard takes you behind the scenes to places and

perspectives you could never go unchaperoned. He has been involved in the gun rights fight since 1991. He breaks through the racial divide by destroying negative stereotypes about the black community and how they view guns and how they view traditionally white institutions like the NRA. The good reverend answers all these questions and more. You can't put Kenn Blanchard in a box; there's just too much of him. He's a preacher, a motorcycle rider, a Marine veteran, a loving husband and father, and a retired CIA officer. Hear his plea as he reaches out to his brothers and sisters in the African-American community in his best attempt at bringing them into the armed American fold. Black Man with a Gun Reloaded is not color blind. Rather, it takes the bull by the horns and rips its head clean off!

The Gun Fuminori Nakamura,2015 On a night-time walk along a Tokyo riverbank, a young man named Nishikawa stumbles on a dead body, besides which is lying a gun. From the moment Nishikawa makes the decision to take the gun, the world around him blurs. But Nishikawa's personal entanglements are becoming unexpectedly complicated: he finds himself romantically involved with two women, while his biological father, whom he's never met, lies dying in a hospital. Through it all, he can't stop thinking about the gun - and the four bullets preloaded in its chamber.

Glock Paul M. Barrett,2013-01-15 The Glock pistol is America’s Gun. It has been rhapsodized by hip-hop artists and coveted by cops and crooks alike. Created in 1982 by Gaston Glock, the pistol arrived in America at a fortuitous time. Law enforcement agencies had concluded that their agents and officers, armed with standard six-round revolvers, were getting outgunned by drug dealers with semi-automatic pistols; they needed a new gun. With its lightweight plastic frame and large-capacity spring-action magazine, the Glock was the gun of the future. You could drop it underwater, toss it from a helicopter, or leave it out in the snow, and it would still fire. It was reliable, accurate, lightweight, and cheaper to produce than Smith and Wesson’s revolver. Filled with corporate intrigue, political maneuvering, Hollywood glitz, bloody shoot-outs—and an attempt on Gaston Glock’s life by a former lieutenant—Glock is not only the inside account of how Glock the company went about marketing its pistol to police agencies and later the public, but also a compelling chronicle of the evolution of gun culture in America.

Gun, With Occasional Music Jonathan Lethem,1995-01-15 Twenty-first-century private detective Conrad Metcalf has a dead doctor on his hands, a monkey on his back, and a kangaroo in his waiting room in a first novel with a sharp-edged, funny vision of the future.

Give a Boy a Gun Todd Strasser,2002-04 Events leading up to a night of terror at a high school dance are told from the point of view of various people involved.

Man Without a Gun Giandomenico Picco,1999 Man Without a Gun is the true story of a single UN diplomat's astonishing high-wire struggle for peace in the Middle East.

Guns and Control Guy Smith,2020-09-01 A Nonpartisan guide that arms both sides of the gun control debate. The slogan of the Gun Facts Project is “We are neither pro-gun nor anti-gun. We are pro-math and anti-BS.” From project creator Guy Smith comes Guns and Control: A Nonpartisan Guide to Mass Public Shootings, Gun Accidents, Crime, Public Carry, Suicides, Defensive Use, and More. No matter what side of the aisle one is on, people are baffled by gun control. This book is designed to be a guide to thoughtful discussion; it arms readers with facts and the logic behind conflicting arguments and leaves emotional rhetoric to the pundits and focuses on the thorny issues of the debate. Guns and Control will: • Guide readers step-wise through each of the major gun control topics: mass public shootings, assault weapons, street crime, suicide, private carry, defensive gun use, gun availability, and more. • Help readers gain the broad perspective and the full set of important, true facts, just in time for the 2020 Presidential Election. • Arm readers against some of the more egregious misinformation. • Support readers in formulating their own conclusions. Guns and Control will grant high-level perspectives—for example, that mass public shootings are a global phenomenon, occurring in nearly all developed nations—and explore details to understand the causes, and thus possible cures, of gun violence-related problems. Was the push for de-institutionalization in mental health management a contributing factor to the rise in mass public shootings? Guns and Control will help readers find answers to such questions. What the public lacks is a clear, unbiased, broad perspective on the realities of guns, explained in simple, straightforward, and entertaining ways. Guns and Control will demystify these misunderstood aspects of who uses and misuses guns.
