The Hako Alice Cunningham Fletcher,1904

The Hako Alice Cunningham Fletcher,1996-01-01 One of the more complex and widespread rituals practiced by Native American groups focused on the calumet, a sacred pipe with a feathered shaft. The Calumet Ceremony was a powerful ritual through which members of another tribe were adopted. It also promoted social unity within tribes and facilitated contact and trade between them. Perhaps the most detailed description of a Calumet Ceremony was recorded near the turn of the century by ethnographer Alice C. Fletcher. Fletcher witnessed the Hako, a version of the Calumet Ceremony practiced by the Chaui clan of the Pawnee. With the invaluable assistance of Tahirussawichi, a Pawnee Ku'rahus or ceremonial leader, and renowned Indian scholar James R. Murie, himself a Pawnee, the author describes in marvelous detail the intricate rhythm and structure of the ceremony. Each song of the Hako is transcribed, translated, interpreted by the Pawnee Ku'rahus, and later analyzed by the author. Fletcher concludes that the Hako promised longevity, fertility, and prosperity to individuals and worked to insure friendship and peace between clans and tribes. The Hako, originally published in 1904, is introduced by Helen Myers, an associate professor of music at Trinity College and the ethnomusicology editor of the New Grove Dictionary of Music and Musicians.

The Hako Alice C. (Alice Cunningham) Fletcher,2012-01 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
