

Haku

Smithsonian Institution. Bureau of American Ethnology

The Life and Works of Haku Maki Haku Maki, Daniel Tretiak, 2007 Haku Maki (1924-2000) was a highly innovative Japanese printmaker of the second half of the 20th century. His prints often had a three-dimensional quality, derived from the embossing which Maki used in much of his work. His best prints and his core theme from 1965 to 1979 were kanji (Chinese characters that were adopted many centuries ago by the Japanese), They were often enhanced by Maki to make them look better. After kanji, he concentrated for a decade creating prints with ceramics used in drinking tea and wine. Like kanji, these objects, deeply rooted in centuries of Japanese culture, were rendered in a clear, crisp manner. After carefully carving a kanji onto a plywood board, Maki put cement on the board and on the kanji. After the cement left its impression there, Maki carefully removed most of it with a chisel. He then used double-layers of wet paper, which when rolled, gave the print an embossed effect. Cement gave prints a surface-of-the-moon-like texture that continues to attract the viewer. Maki's oeuvre is characterized by clean, sharp images, whether done in black kanji on a white background or in a bright color against a dark background. His prints usually contain one outstanding object, whether kanji or a ceramic vessel or a persimmon. The viewer's gaze is directed strictly to the subject, the background is not allowed to distract. Maki's prints invariably have a modern look and feel to them, they fit in the early 21st century just as well as they did when they were first produced 20-30 years ago. Yet Maki's primary subjects are very traditional. His achievement was to rework and update the traditional, producing an image that delights and sometimes surprises the viewer as the old emerges, recognizable but new. With little fuss and few frills, Maki allows the viewer to concentrate on the core subject and nothing else. Very Zen.

A Dog Named Haku Margarita Engle, Amish Karanjit, Nicole Karanjit, 2018 During a Hindu festival in Kathmandu, Nepal, brothers Alu and Bhalu search for a dog they can honor with food and gratitude. Includes glossary of Nepali words and suggested activities.

ABC Dictionary of Sino-Japanese Readings Victor H. Mair, 2016-07-31 The significance of Japanese-language scholarship on China cannot be overstated. Yet much of it is largely untapped by China scholars in both the West and China, in part because they are unfamiliar with the Japanese pronunciation of Chinese characters. Even those who know Japanese are frequently frustrated when seeking an obscure reading of a personal or place name. The purpose of this volume is to enable Sinologists and others involved in Chinese studies to access entries in Japanese reference works dealing with China without going through the time-consuming process of looking up characters by radical and stroke. For users of this dictionary, it is a simple matter to find a character by looking it up by its alphabetical pinyin pronunciation. Having located it, the user can go directly to the item in Japanese reference works. The Dictionary includes more than 13,072 entries not only in Chinese characters and their Sino-Japanese (ondoku/onyomi) readings, but also the Japanese (kundoku/kunyomi) readings. The romanized Japanese readings will assist in correctly transcribing Japanese names, such as the names of Japanese publishers and authors, and the technical terms employed by Japanese in their writings on China. These features will also give those familiar with pinyin greater access to material on Japanese history and culture. The ABC

Dictionary of Sino-Japanese Readings will be a boon to Sinologists and others interested in the study of China.

Maki, Haku ,

Handbook of Japanese Phonetics and Phonology Haruo Kubozono,2015-03-10 This volume is the first comprehensive handbook of Japanese phonetics and phonology describing the basic phonetic and phonological structures of modern Japanese with main focus on standard Tokyo Japanese. Its primary goal is to provide a comprehensive overview and descriptive generalizations of major phonetic and phonological phenomena in modern Japanese by reviewing important studies in the fields over the past century. It also presents a summary of interesting questions that remain unsolved in the literature. The volume consists of eighteen chapters in addition to an introduction to the whole volume. In addition to providing descriptive generalizations of empirical phonetic/phonological facts, this volume also aims to give an overview of major phonological theories including, but not restricted to, traditional generative phonology, lexical phonology, prosodic morphology, intonational phonology, and the more recent Optimality Theory. It also touches on theories of speech perception and production. This book serves as a comprehensive guide to Japanese phonetics and phonology for all interested in linguistics and speech sciences.

Andre the Giant Michael Krugman,2009-11-24 The unforgettable story of everyone's favorite giant—and a life cut short—wrestler and actor Andre the Giant. At seven-foot-five, four hundred and fifty pounds, André the Giant was a living, breathing legend—a behemoth taking on all comers. Billed as “the Eighth Wonder of the World,” he was the greatest attraction in sports entertainment and one of the most famous athletes in the world. André the Giant: A Legendary Life is the story of how his enormous charisma and undeniable presence aided World Wrestling Federation's explosive rise to the forefront of popular culture. André's battles with such rivals as Ernie Ladd, Killer Khan, Big John Studd, Jake “The Snake” Roberts, and Randy “Macho Man” Savage are certifiable classics, while his epic WrestleMania III match with Hulk Hogan—before 93,000—still holds the record for largest attendance. Outside the ring, André Roussimoff was equally formidable—his voluminous appetite for life is the stuff of legends. Moreover, André was among the first wrestlers to cross over into pop superstardom with roles in such television series as *The Six Million Dollar Man* and films like *The Princess Bride*. André's incredible tale is told through his most memorable matches, with reminiscences and recollections from the people closest to him. In addition to blow-by-blow analysis of his greatest in-ring triumphs, author Michael Krugman takes us behind the curtain to see how this amazing athlete struggled with his size and his stardom, as well as his fight with crippling pain caused by both his profession and the disease that made him who he was. *André the Giant: A Legendary Life* is the true-life tall tale of one of the most influential and adored Superstars in sports entertainment history.

Hawaiian Dictionary Mary Kawena Pukui,Samuel H. Elbert,1986-03-01 For many years, *Hawaiian Dictionary* has been the definitive and authoritative work on the Hawaiian language. Now this indispensable reference volume has been enlarged and completely revised. More than 3,000 new entries have been added to the Hawaiian-English section, bringing the total number of entries to

almost 30,000 and making it the largest and most complete of any Polynesian dictionary. Other additions and changes in this section include: a method of showing stress groups to facilitate pronunciation of Hawaiian words with more than three syllables; indications of parts of speech; current scientific names of plants; use of metric measurements; additional reconstructions; classical origins of loan words; and many added cross-references to enhance understanding of the numerous nuances of Hawaiian words. The English Hawaiian section, a complement and supplement to the Hawaiian English section, contains more than 12,500 entries and can serve as an index to hidden riches in the Hawaiian language. This new edition is more than a dictionary. Containing folklore, poetry, and ethnology, it will benefit Hawaiian studies for years to come.

Haku and Sam: A Graphic Adventure in Hawai'i , 2022-07 Is your keiki a fan of the Narwhal and Jelly books? This new graphic novel for kids ages 6 to 8 is written and illustrated by local comic book illustrator, Shane Petosa-Sigel. Set in Hawai'i, Haku and Sam are characters local kids will relate to. Meet Haku and Sam, find out how they become best friends, and follow their antics and adventures in Hawai'i. Perfect for summer reading and for kids who enjoy the pace and visual reading cues a graphic novel can give. The story is funny, touching, and relatable for any child anxious about making a new friend and having someone to share adventures with. About the Author Shane Petosa-Sigel has grown up in Kailua his entire life and has comfortably called it home. Since he was a child, Shane has been drawing comics, writing stories, and creating fictitious worlds to roam. Math homework was often turned in with scribbles and characters living between the margins, notebooks soon became sketchbooks, and the first iterations of many imaginary worlds were realized through countless class notes and scrap papers along the way. Shane continues to practice and refine his love for comics and storytelling, and hopes that his stories can foster the imaginations of many young readers.

Japanese-English and English-Japanese Dictionary by J. C. Hepburn James Curtis Hepburn, 1873

A Dictionary of Hawaiian Legal Land-Terms Native Hawaiian Legal Corporation, 1995-01-01 A Dictionary of Hawaiian Legal Land-Terms is the first reference book of its kind to compile, organize, and explain critical information needed for the accurate translation and interpretation of nineteenth-century Hawaiian land-conveyance documents. Neither life-long residents nor recent newcomers should minimize the influence of Hawaii's unique history on the developments taking place in the state today. Yet for decades the study and translation of century-old documents - Royal Patents, Land Commission Awards, and deeds, to name a few - have been hampered by the lack of a comprehensive research tool. Now, in a single volume, readers have

an overview of commonly used words and phrases, survey practices, and documents that were recorded in Hawaiian before the turn of the century. The book also includes Hawaii's appellate cases that have defined such terms. With the publication of A Dictionary of Hawaiian Legal Land-Terms, both professionals and non-professionals, Hawaiians and non-Hawaiians, have gained a valuable key to unlocking and understanding the past.

Hawaiian Flower Lei Making Adren J. Bird, Josephine Puninani Kanekoa Bird, 1987-10-01 The explicit how-to instructions will be appreciated by any who would learn details on lei making: photos are clear, steps are thoroughly explained, and lei making is revealed from its simplest designs through the more complex blossom choices and lei skills. --Midwest Book Review

Notebook HakuJ Notebook, 2019-11-06 College Ruled Color Paperback. Size: 6 inches x 9 inches. 55 sheets (110 pages for writing). Haku 3. 157301051367

Bougainville Before the Conflict Anthony J. Regan, Helga-Maria Griffin, 2005 Bougainville is best known as the site of devastating civil conflict. This title explores its rich heritage before the conflict and provides an insight into the long-term causes of the crisis; bringing together geological, environmental, archeological, ethnic linguistic and historical aspects of this beautiful Pacific island.
