Kyoko Nakajima

Transmedia in Asia and the Pacific Filippo Gilardi, Celia Lam, 2021-03-06 Transmedia in Asia and the Pacific is a timely exploration of a global media phenomena that offers a unique perspective on the production, consumption and use of transmedia storytelling in the Asia Pacific region. Through close analysis of case studies from Australia, Cambodia, China, Japan, Malaysia, South Korea, and West Papua, the chapters in this book provide insight into the cultural and transcultural contexts against which transmedia storytelling takes place in the region. From community theatre and social media narratives in China; to transcultural consumption of Japanese texts in French, Spanish and English speaking countries; to the use of transmedia for education in Japan and China, examples highlight the diverse ways in which a global and commercialised media phenomenon is appropriated and recontextualised to local circumstances. This volume questions the centre/periphery dichotomy of understanding global media through perspectives that seek to enrich understanding and definitions of transmedia. It is a valuable resource for scholars and students wishing to expand their engagement with the theory and practice of transmedia storytelling. Chapters "Chapter 1-Introduction to Transmedia in Asia and the Pacific, Chapter 13 -Teaching Transmedia in China: Complexity, Critical Thinking, and Digital Natives and Chapter 14-Conclusions" are available open access under a Creative Commons Attribution 4.0 International License via link.springer.com.

The Anime Encyclopedia, 3rd Revised Edition Jonathan Clements, Helen McCarthy, 2015-02-09 Impressive, exhaustive, labyrinthine, and obsessive—The Anime Encyclopedia is an astonishing piece of work.—Neil Gaiman Over one thousand new entries . . . over four thousand updates . . . over one million words. . . This third edition of the landmark reference work has six additional years of information on Japanese animation, its practitioners and products, plus incisive thematic entries on anime history and culture. With credits, links, cross-references, and content advisories for parents and libraries. Jonathan Clements has been an editor of Manga Max and a contributing editor of Newtype USA. Helen McCarthy was founding editor of Anime UK and editor of Manga Mania.

Digital Love Heidi McDonald, 2017-11-02 Scholars and professionals from all over the world, across experience levels and the gender and sexuality spectrum, share experiences and analysis of romance and sexuality in video games. Whether discussing casual sex in the Star Wars universe; analyzing various Otome games; examining the gaze in various games; player romance behavior in games; or exploring the ethical ramifications of sexuality in virtual reality and other emerging technologies, this book discusses what players want in video game romance, and how developers can best deliver it. Key Features: Examines the past, present, and future of romance in single-player, role-playing games Discusses common presentations of romance in single-player, role-playing games—both in the category and game mechanics that drive romance Discusses research on how players define a satisfying game romance and what specific steps narrative designers can take to design satisfying games Explains the notion of the empathic game and explores its importance in relation to romance in game design

Hechos virtuales. Con A de Animación 18 María Lorenzo Hernández, 2024-03-25 Lo virtual, lo digital, lo irreal, se confronta hoy con lo real, lo factual. Como no puede ser de otro modo, cuando el simulacro está tan bien hecho, ya no tenemos medios para distinguir lo real de lo imaginario. El título Hechos virtuales lanza un malicioso guiño a los "hechos alternativos" que defienden los (falsos) profetas de las postverdad. El presente número de Con A de animación arranca con la firma invitada de Nea Ehrlich, la autora de *Animating Truth: Documentary and Visual Culture in the 21st Century* (2021); en su artículo "El auge de la no ficción animada: contexto tecnocultural" lanza preguntas necesarias para comprender la actual vigencia de la animación documental, directamente relacionada con la virtualización de la cultura. Entre los contenidos de Investigación figuran: "El imperio no contraataca. Propaganda y dibujo animado en Alemania (1939-1945)", de José M^a de Luelmo Jareño; "La adaptación al anime de los cuentos de hadas como herramienta de japonización: el caso de Belle", por Mireya Vicent-Ibáñez, Tamara Antona-Jimeno y Joseba Bonaut-Iriarte; "Del Videojuego al Anime: Hakuoki Shinsengumi Kitan y la modelización de la cultura otaku", por Florencia Mauna; "El proceso creativo detrás de la física y mecánica del movimiento animado", de Ángel-José F. Lamosa y

pervaded by an air of Japanese ghostliness. In beautifully crafted and deceptively light prose, Nakajima portrays men and women beset by cultural amnesia and unaware of how haunted they are - by fragmented memories of war and occupation, by fading traditions, by buildings lost to firestorms and bulldozers, by the spirits of their recent past.

Shinsengumi Romulus Hillsborough,2013-06-25 Shinsengumi: The Shogun's last Samurai Corps is the true story of the notorious samurai corps formed in 1863 to arrest or kill the enemies of the Tokugawa Shogun. The only book in English about the Shinsengumi, it focuses on the corps' two charismatic leaders, Kondo Isami and Hijikata Toshizo, both impeccable swordsmen. It is a history-in-brief of the final years of the Bakufu, which collapsed in 1867 with the restoration of Imperial rule. In writing Shinsengumi, Hillsborough referred mostly to Japanese-language primary sources, including letters, memoirs, journals, interviews, and eyewitness accounts, as well as definitive biographies and histories of the era. The fall of the shogun's government (Tokugawa Bakufu, or simply Bakufu) in 1868, which had ruled Japan for over two and a half centuries, was the greatest event in modern Japanese history. The revolution, known as the Meiji Restoration, began with the violent reaction of samurai to the Bakufu's decision in 1854 to open the theretofore isolated country to Western barbarians. Though opening the country was unavoidable, it was seen as a sign of weakness by the samurai who clamored to expel the barbarians. Those samurai plotted to overthrow the shogun and restore the holy emperor to his ancient seat of power. Screaming heaven's revenge, they wielded their swords with a vengeance upon those loyal to the shogun. They unleashed a wave of terror at the center of the revolution—the emperor's capital of Kyoto. Murder and assassination were rampant. By the end of 1862, hordes of renegade samurai, called ronin, had transformed the streets of the Imperial Capital into a sea of blood. The shogun's administrators were desperate to stop the terror. A band of expert swordsmen was formed. It was given the name Shinsengumi (Newly Selected Corps)—and commissioned to eliminate the ronin and other enemies of the Bakufu. With unrestrained brutality bolstered by an official sanction to kill, the Shinsengumi soon became the shogun's most dreaded security force. In this vivid historical narrative of the Shinsengumi, the only one in the English language, author Romulus Hillsborough paints a provocative and thrilling picture of this most fascinating period in Japanese history.

I Was Reincarnated as the Villainess in an Otome Game but the Boys Love Me Anyway!, Volume 1 Ataka,Sou Inaida,Hachipisu Wan,2021-04-01 Fated to die as the villainess of an otome game, Mystia sets out to change her own unhappy ending! Mystia Aren is the daughter of a noble family, and she just started high school. She's surrounded by a group of adoring classmates and her charming fiancé. Everything seems perfect. Except that this world is actually a dating sim called Kyun-Love, and Mystia knows she's been reincarnated into the role of the main character's evil rival! Mystia is determined to do everything she can to avoid her fate, but it's not as easy as it sounds. Especially when all the boys keep falling in love with her!

The History and Allure of Interactive Visual Novels Mark Kretzschmar,Sara Raffel,2023-06-15 Visual novels (VNs), a ludic video game genre that pairs textual fiction stories with anime-like images and varying degrees of interactivity, have increased in popularity among Western audiences in recent years. Despite originating in Japan, these stories have made their way into global culture as a genre accessible for both play and creation with wide-ranging themes from horror and loneliness to sexuality. The History and Allure of Interactive Visual Novels begins with a comprehensive overview of the visual novel genre and the cultural evolution that led to its rise, then explains the tropes and appeal of subgenres like bishojo (cute girl games), detective games, horror, and eroge (erotic games). Finally, the book explores the future of the genre in both user-generated games and games from other genres that liberally borrow both narrative and ludological themes from visual novels. Whether you're a long-standing fan of the genre or a newcomer looking for a fresh experience, The History and Allure of Interactive Visual Novels will provide an accessible and critically engaging overview of a genre that is rich in storytelling yet often overlooked.

Mighty Morphin Power Rangers #25 Kyle Higgins,2018-05-11 Drakkon returns and the Mighty Morphin Power Rangers will never be the same. The "SHATTERED GRID" event begins here!

Power Rangers Unlimited: Heir to Darkness #1 L.L. McKinney, 2021-04-14 Astronema is one of the most popular Power Rangers villains ever and her true origin is revealed for the first time in a one-shot directly connected to the events of Mighty Morphin and Power Rangers! Before she became a Power Ranger, a young girl named Karone was kidnapped by bounty hunters and brainwashed into the assassin known as Astronema by two of the greatest threats in the galaxy - Dark Specter and Ecliptor. But what is Dark Specter's true plan...and what does it mean for the new Mighty Morphin & Power Rangers teams? Acclaimed author L.L. McKinney (A Blade So Black) and artist Simone Ragazzoni (Power Rangers: Drakkon New Dawn) present a powerful new story that no Power Rangers fan can miss.
