A Night in Halloween House Elyse Willems,2020-10-21 It's Halloween night, the spookiest night of the year. Billy and his friends are trick-or-treating without parents for the first time ever! But things take a turn for the frightful when a series of escalating events force the kids inside Bryerwood House, the rundown and ramshackle residence that locals claim to be haunted. Can this rag-tag group of misfits navigate bullies, the weird new girl at school, and survive A Night in Halloween House? Brimming with nostalgia, A Night in Halloween House harkens back to Halloweens of youth. A time before cell phones and the Internet, where candy ruled supreme, kids played outside until the streetlamps came on, and campfire ghost stories were accepted as fact.

They accused the mysterious old woman who lived there of being a witch until the rumors got out of hand and the panicked townspeople burned her house down with her in it one Halloween. She only said one thing before she died: A curse on all of you! Now, three years later, the spooky holiday approaches again, and Carmen is left in charge of taking her little brother trick-or-treating. But strange things begin happening around the small town. Children are going missing one by one, and the only clue to their disappearance is a gingerbread man left on their windowsill. Now Carmen has to protect her brother so that he doesn't become the next victim as the townspeople descend into insanity all around them. Riddled with fear, they have no one to pin the kidnappings and strange occurrences on. Because the witch is already dead.....isn't she?

Haunted Halloween House Mark Shulman, 2006-08 Everyone knows that on Halloween trick-or-treaters like to dress up as witches, skeletons, and other scary creatures. But what do bloodcurdling vampires, menacing mummies, and terrifying werewolves do for the holiday? What costumes will they wear? Children who dare can enter the haunted house and find out. Armed with 100 reusable stickers--jack o' lanterns, bags of candy, bats flying--they'll see the whole creepy crowd get ready for their party. The Halloween House Kathi Daley, 2018-07-07 Come for the Murder Stay for the Romance Every town has one. The big old house which has stood empty for so long that no one really remembers anyone living there. The iconic subject of lore and folktales which hints at supernatural occurrences, tragedy, and family curses, that can be neither confirmed nor denied. For the town of White Eagle Montana the house that served as the subject of ghostly stories by the campfire was a huge old mansion built more than fifty years ago by a wealthy industrialist as a summer home for his wife and five children. The house, void of love and laughter, served as a sort of luxury prison far away from the hustle and bustle of Hartford Harrington's full and busy life in San Francisco. Structurally, Harrington House had weathered the long winters and hot summers of northern Montana. It had endured long after every one of those five children had been buried in the little family cemetery at the edge of the huge estate. When Jordan Westlake inherits the house from his mother, he decides to break tradition and take up residence. He expected that the renovation on the old mansion would be an expensive and time consuming endeavor, what he didn't expect to find was a skeleton in his closet. Literally.

Will he discover what haunts the mansion the locals call the Halloween House ... or will he end up trapped there for eternity, like the ghosts that wander the halls at night?

The Haunted House on Raven'S Roost Ann Sheridan,Jim Sheridan,2013-04-22 Ravens Roost is a story about Halloween. A mother and her three children relocate to a small town on the eastern seaboard to be closer to her parents and sister who live in the small town. It is fall and Halloween is fast approaching. The relocated children become friends with the two little boys who live next door to them. The two little boys harbor a dark secret about the old house on top of a hill called Ravens Roost. The two little boys have already discovered a secret cave and tunnel under the old house and they believe from what they have discovered that the house is haunted. There is further evidence that something mysterious is going on up at the old house and the children believe it is haunted. A mysterious floating light appears sometime after dark and there are sounds coming from the top of the hill that suggests a ghost does live at the house. The children set out to discover exactly what is going on up at the old house. On Halloween night they sneak off to go up to the old haunted house under the guise of trick or treating the occupants of the house if there are any. Much to the dismay of the childrens parents, the children have found a gold coin in the cave beneath the old mansion.
