**Totally Boned** Zach Miller, 2006-01-01 An online comic found at <http://www.joeandmonkey.com/> now in print.

**Cinematic TV** Rashna Wadia Richards, 2021 Investigating the boundaries between media in an age of convergence, Cinematic TV constructs a new model for exploring how contemporary serial dramas quote, copy, and appropriate American cinema.

**100 Greatest Cult Films** Christopher J. Olson, 2018-04-12 The term “cult film” may be difficult to define, but one thing is certain: A cult film is any movie that has developed a rabid following for one reason or another. From highly influential works of pop art like *Eraserhead* and *Faster, Pussycat! Kill! Kill!* to trash masterpieces such as *Miami Connection* and *Fateful Findings*, thousands of movies have earned recognition as cult classics over the years, and new movies rise to cult status every year. So how do viewers searching for the best or most important cult films decide where to start? In *100 Greatest Cult Films*, Christopher J. Olson highlights the most provocative, intriguing, entertaining, and controversial films produced over the last century. The movies included here have either earned reputations as bona fide cult classics or have in some way impacted our understanding of cult cinema, often transcending traditional notions of “good” and “bad” while featuring memorable characters, unforgettably shocking scenes, and exceptionally quotable dialogue. With detailed arguments for why these films deserve to be considered among the greatest of all time, Olson provides readers fodder for debate and a jumping-off point for future watching. A thought-provoking and accessible look at dozens of cinematic “treasures,” this resource includes valuable information on the films, creators, and institutions that have shaped cult cinema. Ultimately, *The 100 Greatest Cult Films* offers readers—from casual cinephiles, film scholars, and avid fans alike—a chance to discover or re-discover some of the most memorable films of all time.

*The Worst We Can Find* Dale Sherman, 2023-06-15 Had you tuned in to the small television station KTMA on Thanksgiving Day, 1988, you would have been one of the few witnesses to pop culture history being made. On that day, viewers in and around St. Paul, Minnesota, were treated to a genuine oddity, in which a man and his robots, trapped within a defiantly DIY sci-fi set, cracked jokes while watching a terrible movie. It was a cockeyed twist on the local TV programs of the past, in which a host would introduce old, cheaply licensed films. And though its origins may have been inauspicious, *Mystery Science Theater 3000* captured the spirit of what had been a beloved pastime for generations of wags, wiseacres, and smartalecks, and would soon go on to inspire countless more. *The Worst We Can Find* is a comprehensive history of and guide to *MST3K* and its various offshoots—including *Rifftrax*, *Cinematic Titanic*, and *The Mads Are Back*—whose lean crew of writers, performers, and puppeteers have now been making fun of movies for over thirty years. It investigates how “riffing” of films evolved, recounts the history of these programs, and considers how a practice guaranteed to annoy real-life fellow moviegoers grew into such a beloved, long-lasting franchise. As author Dale Sherman explains, creative heckling has been around forever—but *MST3K* and its progeny managed to redirect that art into a style that was both affectionate and cutting, winning the devotion of countless fans and aspiring riffers.

**Super Serious** Mande Johnson, 2020-08-18 An oral history of Los Angeles independent stand-up comedy with a collection of comedian portraits from a decade of the beloved independent comedy show, *The Super Serious Show*. With a foreword by Demetri Martin, afterword by Reggie Watts, and featuring big-name stars and up-and-coming indie comics alike, *Super Serious* gives a behind-the-scenes glimpse into the world of Los Angeles independent comedy, as told by the performers, directors, and producers who've helped shape it. Including over 60 intimate interviews and 350 photographs, *Super Serious* is a irreverent, loving portrait of a

vibrant—and very funny—community.

*The Greatest Cult Television Shows of All Time* Christopher J. Olson, CarrieLynn D. Reinhard, 2020-05-29 Reaching back to the beginnings of television, *The Greatest Cult Television Shows* offers readers a fun and accessible look at the 100 most significant cult television series of all time, compiled in a single resource that includes valuable information on the shows and their creators. While they generally lack mainstream appeal, cult television shows develop devout followings over time and exert some sort of impact on a given community, society, culture, or even media industry. Cult television shows have been around since at least the 1960s, with *Star Trek* perhaps the most famous of that era. However, the rise of cable contributed to the rise of cult television throughout the 1980s and 1990s, and now, with the plethora of streaming options available, more shows can be added to this categorization. Reaching back to the beginnings of television, the book includes such groundbreaking series as *The Twilight Zone* and *The Prisoner* alongside more contemporary examples like *Crazy Ex-Girlfriend* and *Hannibal*. The authors provide production history for each series and discuss their relevance to global pop culture. To provide a more global approach to the topic, the authors also consider several non-American cult TV series, including British, Canadian, and Japanese shows. Thus, Monty Python's *Flying Circus* appears alongside *Sailor Moon* and *Degrassi Junior High*. Additionally, to move beyond the conception of "cult" as a primarily white, heteronormative, fanboy obsession, the book contains shows that speak to a variety of cult audiences and experiences, such as *Queer as Folk* and *Charmed*. With detailed arguments for why these shows deserve to be considered the greatest of all time, Olson and Reinhard provide ideas for discussion and debate on cult television. Each entry in this book demonstrates the importance of the 100 shows chosen for inclusion and highlights how they offer insight into the period and the cults that formed around them.
