ABRAM ENGLISH BROWN

🔍 **HANCOCK ON HANCOCK** MICHAEL DOYLE,2018-06-12 For more than sixty years John Hancock has pursued a remarkable and often tumultuous career as a writer/director/producer. From the hallucinatory horrors of Let’s Scare Jessica to Death and the Gritty Fantasy of Prancer to the unshakable humanity of Bang the Drum Slowly, Weeds and The Looking Glass, he has cultivated a deeply personal yet accessible cinema; one that yields a textured emotionalism and philosophical richness that belies its surface simplicity. Hancock on Hancock draws on a series of in-depth interviews conducted with the filmmaker over the course of five years, providing a candid commentary on one man’s life and work filtered through his unceasing desire to create art and tell stories. With chapters devoted to every film he has made – including his Academy Award-nominated short Sticky My Fingers, Fleet My Feet and his anonymous contributions to the troubled Hollywood movies Wolfen and 8 Million Ways to Die – these conversations also throw a spotlight on Hancock’s lively experiences directing classic and contemporary plays Off-Broadway, as well as charting his labors on such iconic television shows as The Twilight Zone and Hill Street Blues. Additionally, he offers a harrowing account of his notorious dismissal from the blockbuster sequel Jaws 2 and shares unbuttoned recollections of collaborators like Robert De Niro, Tennessee Williams, Jean Arthur, Nick Nolte, Faye Dunaway and Dorothy Tristan.

🔍 **JOHN HANCOCK** ABRAM ENGLISH BROWN,1898 John Hancock, President of the Continental Congress and signer of the Declaration of Independence, was born in Braintree, Massachusetts, 23 January 1737, the son of John Hancock and Mary Hawkes. He married Dorothy Quincy (1747-1830), daughter of Edmund and Elizabeth Wendell Quincy, 28 August 1775. They had two children. Both died young. He died 8 October 1795.

🔍 **HANCOCK THE SUPERB** GLENN TUCKER,2015-11-06 This is the life story of a great fighting general of the Civil War, Winfield Scott Hancock. In the early fighting on the Peninsula, when the Confederates were flanked out of Fort Magruder, McClellan reported, “Hancock was superb.” Before long people were referring to him as Hancock the Superb, and for the next three years he re-earned the sobriquet in battle after battle. He was able to distinguish himself equally in disastrous defeat, as at Chancellorsville, and m victory, as at Gettysburg. Tucker feels personally that some of Hancock’s work with Grant—in the Wilderness and at Spotsylvania—was the most fascinating of his career, and he makes a good case for this view. Glenn Tucker chose to write about Hancock primarily because of his interesting personality and remarkable career. These are reason enough. He also had another reason. For more than three years, while a succession of commanding generals came and went, Hancock was a growing power in the Army of the Potomac. Along with his study of Hancock, Tucker also presents a graphic picture of the Army of the Potomac. It was a much maligned army. Because of its inept, bumbling commanders, it took some crushing and much publicized defeats. But in spite of Pope, Burnside, Hooker and others not much better, it weathered the worst blows Lee could inflict on it, preserved a bloody stalemate and at last wore down the enemy. Hancock and the Army of the Potomac fought together right up to the end. Never seeking top command, Hancock was the best and most trusted of the subordinate generals. Under good commanders and bad, his steadiness, unfailing courage and incisive military judgment many times helped to preserve the Army of the Potomac as an efficient fighting force. Glenn Tucker’s reporting skill puts you right in the action. You are at Hancock’s elbow in a score of battles in Virginia and you are there for three cataclysmic days at Gettysburg.

🔍 **HANCOCK THE SUPERB (ABRIDGED, ANNOTATED)** ALMIRA HANCOCK, For four decades, Winfield Scott Hancock was a serving officer in the United States Army. In this affectionate memoir by his wife Almira, you learn many details and anecdotes from Hancock’s life that appear no where else. Stationed in Los Angeles before the Civil War, southern friends like Armistead, Garnett, Pickett, and a host of other military comrades whom he loved, came to ask his advice. He replied, I can give you no advice, as I shall not fight upon the principle of State-rights, but for the Union, whole and undivided, as I do not and will not belong to a country formed of principalities. I cannot sympathize with you; you must be guided by your own convictions, and I hope you will make no mistakes.” Known to his Army colleagues as Hancock the Superb, he was especially lauded for his leadership at the Battle of Gettysburg in the American Civil War. One military historian wrote, No other Union general at Gettysburg dominated men by the sheer force of their presence more completely than Hancock. He was severely wounded at Gettysburg but recovered to serve again. Widely recognized for his personal integrity, Hancock’s name was proffered several times for the presidency of the United States on the Democratic ticket. He ran for president in 1880 but was defeated by James Garfield. For the first time, this long-out-of-print book is available as an affordable, well-formatted book for e-readers and smartphones. 🔍 **HANCOCK** JAMES WTORKOWSKI,2020-03-30 John Hancock is an alcoholic who possesses superpowers, including flight, invulnerability, and superhuman strength. While performing superhero-like acts in Los Angeles, he is often ridiculed and hated by the public for his drunken and careless acts, and becomes enraged when referred to as an asshole. Hancock rescues Ray Embrey, a public relations specialist, from an oncoming train, which he irrationally derails to save Ray. Thankful and seeing him as a career opportunity, Ray offers to help improve Hancock’s public image. Hancock meets Ray’s family, his son Aaron, who is a fan, and his wife Mary, who takes an immediate dislike to Hancock. Ray encourages Hancock to issue a public apology, and then go to prison for a time, until Los Angeles needs him properly. Hancock reluctantly agrees, struggling to fit in prison, and quickly causes trouble when he assaults two fellow inmates that refuse to leave him alone. Hancock is visited by Ray’s family, encouraging him to be patient. Los Angeles’ crime rate rises, and Hancock is eventually released to help. He foils a bank robbery orchestrated by Red Parker, with Hancock slicing off his hand to prevent him from activating a detonation switch. He is praised as a hero, and becomes popular. Hancock reveals to Ray and Mary that he is amnesiac and an immortal, having woken up in a hospital 80 years ago with no memory of his identity. He also learns Mary isn’t Aaron’s biological mother, and is Ray’s second wife. Carrying a drunk Ray home, Hancock kisses Mary, only for her to toss him through the wall, revealing she has superpowers too. The next day, Hancock and Mary speak in private. Mary claims they have lived for three thousand years, are the last of their kind, and are siblings. Hancock disbelieves her about the last claim, and flies away to inform Ray, only for Mary to chase him and incite a violent battle across the city. Ray witnesses the fight, later confronting the duo. Mary admits Hancock is actually her husband from the past, but that she chose to quietly leave him once he had lost his memories of them. That night, Hancock stops a liquor store robbery, only to be shot multiple times, and is hospitalized. Mary appears, explaining that when the immortals paired up, they would slowly lose their powers, becoming mortals. The last time Hancock and Mary were together was eighty years before, when Hancock was attacked; his amnesia is a result of the attack. Parker, who escaped prison with several other criminals, attacks the hospital to get revenge. Mary is caught in the crossfire and injured. Hancock recovers, killing the criminals, but is further injured. Parker tries to kill him, but Ray cuts off Parker’s gun holding hand with a fire axe and kills him. Hancock throws himself out of the hospital, trying to increase his distance from Mary so that she can recover, before flying off towards the Moon. A month later Ray and his family receive a call from Hancock, revealing he has imprinted the Moon’s surface with Ray’s AllHeart marketing logo. In a mid-credits scene, Hancock approaches a criminal in New York City, who calls him an asshole in a tight outfit, much to his fury.
