Ten Steps to Nanette Hannah Gadsby, 2022-03-29 NEW YORK TIMES BESTSELLER • Multi-award-winning Hannah Gadsby broke comedy with her show *Nanette* when she declared that she was quitting stand-up. Now she takes us through the defining moments in her life that led to the creation of *Nanette* and her powerful decision to tell the truth—no matter the cost. “Hannah is a Promethean force, a revolutionary talent. This hilarious, touching, and sometimes tragic book is all about where her fires were lit.”—Emma Thompson ONE OF THE MOST ANTICIPATED BOOKS OF 2022—Entertainment Weekly, PopSugar “There is nothing stronger than a broken woman who has rebuilt herself,” Hannah Gadsby declared in her show *Nanette*, a scorching critique of the way society conducts public debates about marginalized communities. When it premiered on Netflix, it left audiences captivated by her blistering honesty and her singular ability to take them from rolling laughter to devastated silence. *Ten Steps to Nanette* continues Gadsby’s tradition of confounding expectations and norms, properly introducing us to one of the most explosive, formative voices of our time. Gadsby grew up as the youngest of five children in an isolated town in Tasmania, where homosexuality was illegal until 1997. She perceived her childhood as safe and “normal,” but as she gained an awareness of her burgeoning queerness, the outside world began to undermine the “vulnerably thin veneer” of her existence. After moving to mainland Australia and receiving a degree in art history, Gadsby found herself adrift, working itinerant jobs and enduring years of isolation punctuated by homophobic and sexual violence. At age twenty-seven, without a home or the ability to imagine her own future, she was urged by a friend to enter a stand-up competition. She won, and so began her career in comedy. Gadsby became well known for her self-deprecating, autobiographical humor that made her the butt of her own jokes. But in 2015, as Australia debated the legality of same-sex marriage, Gadsby started to question this mode of storytelling, beginning work on a show that would become “the most-talked-about, written-about, shared-about comedy act in years” (The New York Times). Harrowing and hilarious, *Ten Steps to Nanette* traces Gadsby’s growth as a queer person, to her ever-evolving relationship with comedy, and her struggle with late-in-life diagnoses of autism and ADHD, finally arriving at the backbone of *Nanette*: the renouncement of self-deprecation, the rejection of misogyny, and the moral significance of truth-telling.

She Wants It Jill Soloway, 2018-10-16 New York Times Editors' Choice In this poignant memoir of personal transformation, Jill Soloway takes us on a patriarchy-toppling emotional and professional journey. When Jill's parent came out as transgender, Jill pushed through the male-dominated landscape of Hollywood to create the groundbreaking and award-winning Amazon TV series *Transparent*. Exploring identity, love, sexuality, and the blurring of boundaries through the dynamics of a complicated and profoundly resonant American family, *Transparent* gave birth to a new cultural consciousness. While working on the show and exploding mainstream ideas about gender, Jill began to erase the lines on their own map, finding their voice as a director, show creator, and activist. *She Wants It: Desire, Power, and Toppling the Patriarchy* moves with urgent rhythms, wild candor, and razor-edged humor to chart Jill's evolution from straight, married mother of two to identifying as queer and nonbinary. This intense and revelatory metamorphosis challenges the status quo and reflects the shifting power dynamics that continue to shape our collective worldview. With unbridled insight that offers a rare front seat to the inner workings of the #metoo movement and its aftermath, Jill captures the zeitgeist of a generation with thoughtful and revolutionary ideas about gender, inclusion, desire, and consent.

The Other Mother Jen Brister, 2019-09-05 I'm Jen Brister: stand-up comedian, middle-aged adolescent, and mum. But not that mum - I'm the other one. 'Hysterical, important, moving, wonderful' Sara Pascoe Confused? Two years ago, my partner (a woman - we're not solicitors) gave birth to twins. (I know! Believe me, I'm still reeling myself.) Like every new parent, I had absolutely no clue what I was doing. Add 'gay' and 'non-biological' to the mix and what do you get? Not a weird box of detergent, but a panicked beige lesbian desperately googling, 'Will my babies love me?' at 3 a.m. A very funny, very honest look at parenting life, from IVF awfulness to crying over the pages of sleep training manuals. A perfect gift for any parent who feels they don't fit the mould of a traditional family. *LONGLISTED FOR THE POLARI PRIZE* 'Damned funny. Do You Talk Funny? David Nihill, 2016-03-08 Public speaking can be terrifying. For David Nihill, the idea of standing in front of an audience was scarier than cliff jumping into a thorny pit of spiders and mothers-in-law. Without a parachute or advanced weaponry. Something had to change. In what doesn't sound like the best plan ever, David decided to overcome his fears by pretending to be an accomplished comedian called Irish Dave for one full year, crashing as many comedy clubs, festivals, and shows as possible. One part of the plan was at least logical: he was already Irish and already called Dave. In one year, David went from being deathly afraid of public speaking to hosting a business conference, regularly performing stand-up comedy and winning storytelling competitions in front of packed houses. And he did it by learning from some of the best public speakers in the world: stand-up comedians. *Do You Talk Funny?: 7 Comedy Habits to Become a Better (and Funnier) Public Speaker* shows how the key principles of stand-up comedy can be applied to your speaking engagements and presentations to make you funnier, more interesting, and better looking. (Or at least two of the three.) Whether you are preparing for a business presentation, giving a wedding toast, defending your thesis, raising money from investors, or simply want to take on something you're afraid of, this book will take you from sweaty to stage-ready. You'll learn how to: - Craft a story and content that your audience will want to listen to - Find the funniest parts of your material and how to get to them faster - Deal with stage fright - Master the two most important parts of your performance: timing and delivery Ten percent of the author's proceeds from this book will go to Arash Bayatmakou via Help Hope Live until he is fully back on his feet and thereafter to one of the many facing the same challenges after suffering a severe spinal cord injury.

Gender and Australian Celebrity Culture Anthea Taylor, Joanna McIntyre, 2020-12-29 This intellectually vibrant volume is the first collection to deal with Australian celebrity in ways that account for both cultural and gendered specificities, demonstrating how gendered ways of imagining Australia are reinforced and contested in celebrity representations and self-presentations. *Gender and Australian Celebrity Culture* engages with celebrities across a diverse range of fields – actors, journalists, athletes, comedians, writers, and television personalities – and in doing so critically reflects upon different forms of Australian fame and the media platforms and practices that sustain them. Authors in this volume engage directly with pertinent issues relating to gender and sexuality, including celebrity feminism and the generative capacity of feminist rage; normative femininity and its instability; hegemonic masculinities; and queerness and its (in)visibility. Contributors also intervene in a number of ongoing debates in media and cultural studies more broadly, including those around the politics and affordances of digital media; whiteness and Australia's colonial histories; celebrity labour; and methodologies for celebrity studies. This timely collection urges scholars of celebrity to attend further both to the gendered nature of celebrity culture and to local conditions of production and consumption. This book will be of key interest to researchers and graduate students in

cultural studies, television and film studies, digital media studies, critical race and whiteness studies, gender and sexuality studies, and literary studies.

Levels of Life Julian Barnes, 2013-09-24 From the bestselling, Booker Prize-winning author of *The Sense of an Ending* comes an elegant triptych of history, fiction, and memoir—a wise, funny, and devastating ... discourse on love and sorrow (The New York Times Book Review). In this “deeply stirring” book (The Boston Globe), Julian Barnes writes about ballooning and photography, love and grief; about putting two things, and two people, together, and tearing them apart; and enduring after the incomprehensible loss of a loved one. Powerfully rendered, exquisitely crafted in Barnes’s erudite style, this searing work confirms the author as an unparalleled magus of the heart.

Uproarious Cynthia Willett, Julie A. Willett, 2019 Placing theorists in conversation with comedians, *Uproarious* offers a full-frontal approach to the very foundation of comedy and its profound political impact. Here Cynthia Willett and Julie Willett address the four major theories of humor—superiority, relief, incongruity, and social play—through the lens of feminist and game-changing comics Wanda Sykes, Margaret Cho, Hannah Gadsby, Hari Kondabolu, and Tig Notaro.--

Who's Laughing Now? Jenny Sundén, Susanna Paasonen, 2020-11-24 Exploring feminist social media tactics that use humor and laughter as a form of resistance to misogyny, rewiring feelings of shame into shamelessness. Online sexism, hate, and harassment aim to silence women through shaming and fear. In *Who's Laughing Now?* Jenny Sundén and Susanna Paasonen examine a somewhat counterintuitive form of resistance: humor. Sundén and Paasonen argue that feminist social media tactics that use humor, laughter, and a sense of the absurd to answer name-calling, offensive language, and unsolicited dick pics can reroute and rewire shame into a self-assured shamelessness.

Sicker in the Head Judd Apatow, 2023-04-18 NEW YORK TIMES BESTSELLER • An all-new collection of honest, hilarious, and enlightening conversations with some of the most exciting names in comedy—from lifelong comedy nerd Judd Apatow. “When I need to read an interview with a comedian while in the bathroom, I always turn to Judd Apatow for deeply personal insights into the comedic mind. Place one on your toilet today.”—Amy Schumer ONE OF THE BEST BOOKS OF THE YEAR: *Vulture* No one knows comedy like Judd Apatow. From interviewing the biggest comics of the day for his high school radio show to performing stand-up in L.A. dive bars with his roommate Adam Sandler, to writing and directing *Knocked Up* and producing *Freaks and Geeks*, Apatow has always lived, breathed, and dreamed comedy. In this all-new collection of interviews, the follow-up to the New York Times bestselling *Sick in the Head*, Apatow sits down with comedy legends such as David Letterman, Whoopi Goldberg, and Will Ferrell, as well as the writers and performers who are pushing comedy to the limits, and defining a new era of laughter: John Mulaney, Hannah Gadsby, Bowen Yang, Amber Ruffin, Pete Davidson, and others. In intimate and hilariously honest conversations, they discuss what got them into comedy, and what—despite personal and national traumas—keeps them going. Together, they talk about staying up too late to watch late-night comedy, what kind of nerds they were in high school, and the right amount of delusional self-confidence one needs to “make it” in the industry. Like eavesdropping on lifelong friends, these pages expose the existential questions that plague even the funniest and most talented among us: Why make people laugh while the world is in crisis? What ugly, uncomfortable truths about our society—and ourselves—can comedy reveal? Along the way, these comics reminisce about those who helped them on their journey—from early success through failure and rejection, and back again—even as they look ahead to the future of comedy and Hollywood in a hyper-connected, overstimulated world. With his trademark insight, curiosity, and irrepressible sense of humor, Apatow explores the nature of creativity, professional ambition, and vulnerability in an ever-evolving cultural landscape, and how our favorite comics are able to keep us laughing along the way.

Spectrum Women—Autism and Parenting Renata Jurkevych, Maura Campbell, Lisa Morgan, 2020-08-21 This book looks at what it feels like to be an autistic parent, offering valuable insights, knowledge and wisdom on parenting autistic and non-autistic children. Three mothers reflect on their experiences of growing up as undiagnosed autistics, venturing into and embracing

motherhood, and connecting with their children in a unique and powerful way. They offer advice on overcoming the challenges of parenting when you are autistic, such as socialising with other parents or sensory issues that come with excessive touch. Reflecting on their own experiences, they also emphasize the positives of being an autistic parent to an autistic child, such as understanding of why their child is struggling or the open-mindedness that can come from not being constrained by societal norms. They also explain how out-of-the-box thinking leads to creative parenting of non-autistic children, forming strong and loving bonds. Full of wit and warm advice, this book empowers autistic parents and reassures them that autism is a strength in raising their children with love, knowledge and experience, while also giving non-autistic parents and professionals a fresh perspective on helping autistic children to thrive.

The Art of Rivalry Sebastian Smee, 2016-08-16 Pulitzer Prize-winning art critic Sebastian Smee tells the fascinating story of four pairs of artists—Manet and Degas, Picasso and Matisse, Pollock and de Kooning, Freud and Bacon—whose fraught, competitive friendships spurred them to new creative heights. Rivalry is at the heart of some of the most famous and fruitful relationships in history. The Art of Rivalry follows eight celebrated artists, each linked to a counterpart by friendship, admiration, envy, and ambition. All eight are household names today. But to achieve what they did, each needed the influence of a contemporary—one who was equally ambitious but possessed sharply contrasting strengths and weaknesses. Edouard Manet and Edgar Degas were close associates whose personal bond frayed after Degas painted a portrait of Manet and his wife. Henri Matisse and Pablo Picasso swapped paintings, ideas, and influences as they jostled for the support of collectors like Leo and Gertrude Stein and vied for the leadership of a new avant-garde. Jackson Pollock's uninhibited style of "action painting" triggered a breakthrough in the work of his older rival, Willem de Kooning. After Pollock's sudden death in a car crash, de Kooning assumed Pollock's mantle and became romantically involved with his late friend's mistress. Lucian Freud and Francis Bacon met in the early 1950s, when Bacon was being hailed as Britain's most exciting new painter and Freud was working in relative obscurity. Their intense but asymmetrical friendship came to a head when Freud painted a portrait of Bacon, which was later stolen. Each of these relationships culminated in an early flashpoint, a rupture in a budding intimacy that was both a betrayal and a trigger for great innovation. Writing with the same exuberant wit and psychological insight that earned him a Pulitzer Prize for art criticism, Sebastian Smee explores here the way that coming into one's own as an artist—finding one's voice—almost always involves willfully breaking away from some intimate's expectations of who you are or ought to be. Praise for *The Art of Rivalry* "Gripping . . . Mr. Smee's skills as a critic are evident throughout. He is persuasive and vivid. . . . You leave this book both nourished and hungry for more about the art, its creators and patrons, and the relationships that seed the ground for moments spent at the canvas."—The New York Times "With novella-like detail and incisiveness [Sebastian Smee] opens up the worlds of four pairs of renowned artists. . . . Each of his portraits is a biographical gem. . . . The Art of Rivalry is a pure, informative delight, written with canny authority."—The Boston Globe

White Tears/Brown Scars Ruby Hamad, 2020-10-06 Called "powerful and provocative by Dr. Ibram X. Kendi, author of the New York Times bestselling *How to be an Antiracist*, this explosive book of history and cultural criticism reveals how white feminism has been used as a weapon of white supremacy and patriarchy deployed against Black and Indigenous women, and women of color. Taking us from the slave era, when white women fought in court to keep "ownership" of their slaves, through the centuries of colonialism, when they offered a soft face for brutal tactics, to the modern

workplace, *White Tears/Brown Scars* tells a charged story of white women’s active participation in campaigns of oppression. It offers a long overdue validation of the experiences of women of color. Discussing subjects as varied as *The Hunger Games*, Alexandria Ocasio-Cortez, the viral BBQ Becky video, and 19th century lynchings of Mexicans in the American Southwest, Ruby Hamad undertakes a new investigation of gender and race. She shows how the division between innocent white women and racialized, sexualized women of color was created, and why this division is crucial to confront. Along the way, there are revelatory responses to questions like: Why are white men not troubled by sexual assault on women? (See Christine Blasey Ford.) With rigor and precision, Hamad builds a powerful argument about the legacy of white superiority that we are socialized within, a reality that we must apprehend in order to fight. A stunning and thorough look at White womanhood that should be required reading for anyone who claims to be an intersectional feminist. Hamad’s controlled urgency makes the book an illuminating and poignant read. Hamad is a purveyor of such bold thinking, the only question is, are we ready to listen? —Rosa Boshier, *The Washington Post*
