

Hannibal Nesting Doll

Mark Masterson, Nancy Sorkin Rabinowitz, James Robson

Stacking Doll Carlton Mellick III, 2018-03 For almost 20 years, Carlton Mellick III has been writing some of the strangest and most compelling novels the bizarro fiction genre has to offer. Described as one of the top 40 science-fiction writers under the age of 40 by The Guardian and one of the most original novelists working today by extreme horror legend Edward Lee. In his 56th book, Mellick has created a surreal love story that explores the ugly and beautiful nature of relationships. Stacking Doll is the story of Benjamin Hammond, a young man who is in love with a Russian nesting doll. But in this world, nesting dolls are not just antique wooden toys. They are a race of people known as Matryoshkans, a subspecies of human who are born with a very peculiar abnormality--they have a collection of smaller people living inside of them. Benjamin never thought he'd ever fall in love with anyone, let alone a Matryoshkan, but from the moment he met Ynaria he knew she was the only one for him. Although relationships between humans and Matryoshkans are practically unheard of, the two are determined to get married despite objections from their friends and family. After meeting Ynaria's strict conservative parents, it becomes clear to Benjamin that the only way they will approve of their union is if they undergo The Trial--a matryoshkan wedding tradition where couples lock themselves in a house for several days in order to introduce each other to all of the people living inside of them. No human has ever gone through The Trial before, so Benjamin has no idea what's in store for him. He assumes that he'll love each of Ynaria's inner selves just as much as he loves her, but as she peels off her layers he realizes that each one is more neurotic and difficult to deal with than the last. And if they're ever going to be together, Benjamin must fall in love

with each and every one of his fianc's inner personalities, no matter how strange or disturbing they turn out to be. From the author of Quicksand House and The Terrible Thing That Happens, comes yet another one-of-a-kind bizarro story that only Wonderland Award-winning cult author Carlton Mellick III could tell.

The Nesting Dolls Gail Bowen, 2011-07-12 Just hours before her body is found in a car in a parking lot, a young woman hands her baby to a perfect stranger and disappears. The stranger is the daughter of Delia Wainberg, a lawyer in the same firm as Joanne Kilbourn's husband. One close look at the child suggests that there might be a family relationship, and soon the truth about the child Delia gave up for adoption years ago comes out. The boy must be Delia's grandson. Then his mother is found dead, sexually assaulted and murdered. Not only is there a killer on the loose, but the dead woman's partner is demanding custody of the child.

Puzzling Stories Steven Willemsen, Miklós Kiss, 2022-08-12 Many films and novels defy our ability to make sense of the plot. While puzzling storytelling, strange incongruities, inviting enigmas and persistent ambiguities have been central to the effects of many literary and cinematic traditions, a great deal of contemporary films and television series bring such qualities to the mainstream—but wherein lies the attractiveness of perplexing works of fiction? This collected volume offers the first comprehensive, multidisciplinary, and trans-medial approach to the question of cognitive challenge in narrative art, bringing together psychological, philosophical, formal-historical, and empirical perspectives from leading scholars across these fields.

Russian Roulette Austin S. Camacho, 2009-04-05 Washington D.C.'s

professional troubleshooter, Hannibal Jones, is enraged when he is forced to take a case at gunpoint. His client is a Russian assassin who will kill Hannibal's beloved, Cindy Santiago, if Hannibal refuses to help him. With no choice, Hannibal agrees to investigate the smooth, wealthy Algerian who has stolen the heart of the woman his new client loves. At first the case looks simple, but Hannibal's view quickly changes when evidence surfaces connecting the Algerian to Russian mob money and the apparent suicide of the girl's father several years earlier. Further investigation reveals that the Algerian may not be who he says he is. Then more deaths follow, closing in on the Algerian and the girl. At first working only to protect Cindy's life, Hannibal is soon chasing the truth for its own sake and must fight his way through past lies, present jealousies and the Red Mafiya to learn the real reason that death is stalking the couple. Hannibal peels the Algerian's history like an onion, each layer revealing a false identity. His search for the truth leads to a dramatic shootout on Roosevelt Island, side-by-side with his murderous client.

The Joanne Kilbourn Mysteries 6-Book Bundle Volume 3 Gail Bowen, 2014-12-02
A treat for long-time fans as well as a perfect introduction for newcomers to this classic series of dramatic mysteries featuring Joanne Kilbourn, from the queen of Canadian crime fiction. (Winnipeg Free Press) In *The Last Good Day*, Joanne meets the tough-yet-tender criminal lawyer and paraplegic playboy Zack Shreve, who will soon take on a key role in her life. The occasion is tragic; a young legal colleague of Zack's plunges his car into a northern lake only hours after beginning to tell Joanne a disturbing secret. In *The Endless Knot*, Zack and Joanne find themselves enmeshed in a violent crime. Their diverging loyalties and obligations test their growing relationship. It is put under strain again in *The Brutal Heart*, when a birthday barbecue is interrupted by a phone call informing Zack of the suspicious death of a local call girl -- one whose gilt-edged client list once included Zack himself. *The Nesting Dolls* begins in a blizzard. A young woman hands a baby to a friend of Joanne's teenage daughter and disappears. Hours later, the young woman's body is found in a parking lot. Soon, two women with compelling claims are fighting over the child and again, Zack and Joanne find themselves on different sides of a conflict that threatens to tear more than one family apart. In *Kaleidoscope*, Joanne has just retired from her university career, and is looking forward to a summer at the family cottage. Only a last-minute change of plans keeps the Kilbourn-Shreve clan from tragedy when their home,

and Joanne's own past, become flashpoints in an increasingly deadly battle between developers and activists over the future of a troubled neighbourhood. The Gifted focuses on Joanne and Zack's teenage daughter, Taylor, who is already an impressively talented artist. Taylor falls under the spell of a beautiful but damaged young artists' model, and soon Joanne discovers not only that the young man has dark secrets but that at least one of her own friends may be complicit in a plan that could put Taylor's life at risk. The bundle includes an excerpt from the 15th in Joanne Kilbourn series, 12 Rose Street, as well as a Q & A with the author.

Sex in Antiquity Mark Masterson, Nancy Sorkin Rabinowitz, James Robson, 2018-02-05 Looking at sex and sexuality from a variety of historical, sociological and theoretical perspectives, as represented in a variety of media, *Sex in Antiquity* represents a vibrant picture of the discipline of ancient gender and sexuality studies, showcasing the work of leading international scholars as well as that of emerging talents and new voices. Sexuality and gender in the ancient world is an area of research that has grown quickly with often sudden shifts in focus and theoretical standpoints. This volume contextualises these shifts while putting in place new ideas and avenues of exploration that further develop this lively field or set of disciplines. This broad study also includes studies of gender and sexuality in the Ancient Near East which not only provide rich consideration of those areas but also provide a comparative perspective not often found in such collections. *Sex in Antiquity* is a major contribution to the field of ancient gender and sexuality studies.

Guillermo del Toro Ian Nathan, 2021-11-09 Guillermo del Toro is a complete and intimate study of the life and work of one of modern cinema's most truly

unique directors, whose distinct aesthetic and imagination are unmatched in contemporary film. Widely regarded as one of the most imaginative directors working in cinema today, Guillermo del Toro has built up a body of work that has enthralled movie fans with its dark beauty and edge-of-the-seat set pieces. In this book, acclaimed author Ian Nathan charts the progression of a career that has produced some of contemporary cinema's most revered scenes and idiosyncratic characters. This detailed examination looks at how the strands of del Toro's career have woven together to create one of modern cinema's most ground-breaking bodies of work. Delving deep into del Toro's psyche, the book starts by examining his beginnings in Mexico, the creative but isolated child surrounded by ornate catholicism and monster magazines, filming stop motion battles between his toys on a Super-8 film camera. It follows him to film school, where we learn of his influences, from Kafka to Bunuel, and explores his 1993 debut Cronos, the independent horror debut which draws on the religious and occult themes which would recur throughout del Toro's work. It goes on to cover his development as a director with 1997's Mimic, his blockbuster success with the Hellboy films and goes on to study the films which have cemented his status as a legendary auteur, Oscar award winners Pan's Labyrinth and The Shape of Water, as well as his sci-fi masterpiece Pacific Rim, as well as looking at his exciting upcoming projects Nightmare Alley and Pinocchio. An enlightening look into the mind of an auteur blessed with a singular creative vision, Guillermo del Toro analyses the processes, themes and narratives that have come to be recognised as distinctly del Toro, from practical effects to an obsession with folklore and paganism. It looks into the narrative techniques, stylistic flourishes and creative decisions which have made him a true master of modern cinema.

Presented in a slipcase with 8-page gatefold section, with scores of illuminating photographs of the director at work on set as well as iconic stills from his films and examples of his influences, this stunning package will delight all Guillermo del Toro devotees and movie lovers in general. Unauthorised and Unofficial.

of 14 elements that will help readers to use will successfully over their adversaries: life-force, purpose, strength of motive, capabilities, determination, perseverance, sacrifice, passion, advantage, disadvantage, imposition, action, assessment, and adaptation. The book also provides readers with 18 considerations that will serve them well in all types of conflicts. This book will be particularly beneficial to decision-makers in the military, law enforcement, and business, as well as attorneys and judges.
