Princess of the Wild Sea Megan Frazer

Blakemore, 2023-01-24 A curse will fall . . . A hero will rise . . . Princess Harbor Rose is cursed. She's lived her whole life hidden away on a remote island with her magical aunts, following all the rules for being a princess. Now it is only one more year until thirteenth birthday, when a hero will finally arrive to save her from her curse. But as with any story, there are two sides . . . and the curse told of much more than a single princess's uncertain fate. It told of a dangerous foe rooted in powerful magic. It told of a terrible war that could destroy everything if a young hero didn't arrive in time. It told of a magic imbued with hope that could save everyone, but only if they believe. With her beloved kingdom and island at grave risk, Harbor Rose has a choice: Should she wait for the hero, or take matters into her own hands?

The Spy Princess Sherwood Smith, 2012-08-02 Just right for fans of Tamora Pierce and Patricia C. Wrede! When twelve-year-old Lady Lilah decides to disguise herself and sneak out of the palace one night, she has more of an adventure than she expected--for she learns very quickly that the country is on the edge of revolution. When she sneaks back in, she learns something even more surprising: her older brother Peitar is one of the forces behind it all. The revolution happens before all of his plans are in place, and brings unexpected chaos and violence. Lilah and her friends, leaving their old lives behind, are determined to help however they can. But what can four kids do? Become spies, of course!

Unruly Princess Marcelle Thiébaux, 2012-04-05 In a vaulted chamber on the Danube, a radiant medieval princess bargains with God. How can she defy the conqueror Ottakar of Bohemia? He loves her. He's entranced by her heroic sanctity and he

wants this glorious, headstrong girl for his queen. Willful Margit refuses him and scorns her regal duties. She wears her sumptuous gowns to rags, vowing to live as a penitent and the Hungarian kingdom's spiritual defender. Meanwhile the beguiling Princess Cunegonda, a widow of fifteen, covets the handsome warrior prince and makes a fervent bid for him. The two impetuous royal girls and the ambitious crusader hero are caught up in an unexpected triangle. One princess is consumed by divine ardor, the other is inflamed by songs of the silken dalliances of courtly love. The valiant Bohemian loves both enchanting girls in turn, and confronts his destiny. A riveting historical romance springing from fact and legend, Unruly Princess weaves a tale of passion and politics, spiked by warfare, wooing and wedding.

The Princess of Cannon Beach Kathryn

James, 2009-11 From the magnificent palaces of the Romanov tsars to a small and romantic place by the sea, The Princess of Cannon Beach tells the story of a dynasty destroyed by revolution and the courage of one young woman in the aftermath of tragedy. Follow her transformational journey from the royal palaces of St. Petersburg, through Siberia, and across the Bering Sea to a new life in Astoria and Cannon Beach, Oregon. Kathryn James creates a charming what if story that weaves fact with fiction around local historical reference points, and gives us the tale of a princess who was and a woman who might have been.

The Billionaire & The Princess Katherine E

Hunt, 2020-05-31 All I have to do is catch a plane, move to Sag Harbor and start my new job as editor of a brand new society magazine. That's what I've promised myself. New life, new me. No more Mr. Wrong. So when I meet a handsome gentleman on the plane, after a couple of drinks, I'm going to walk away, right? I'm certainly not going to try and join the mile-high club with him. If it turns out

he's my boss and the youngest son of one of the biggest media moguls in America it doesn't matter, he won't remember me in the morning, anyway. I'm just going to do my job. No serenading him. No succumbing to his sweet charms and absolutely no falling in love with him. And, well, if he happens to fall in love with me, I'm just going to say no, right? Follow Hank and Caitlyn's adventures in Sag Harbor, along with the Baresi family and all of Hank's friends from Billionaire Lane in THE BILLIONAIRE & THE PRINCESS, Book 1 in the Sag Harbor series.

Polly and the Princess Emma C. Dowd, 1917

Some Golden Harbor David Drake, 2006-09 The tyrannical Alliance continues its war against the Republic of Cinnabar, and Daniel Leary, newly promoted to Commander, and his crew have a new mission: Stop Dunbar's World from falling to an invasion by the planet Pellegrino. Nataniel Arruns, son of the dictator of Pellegrino, has landed with a large contingent, intending to set himself up as the ruling warlord, with the planet's population becoming workers-serfs-of the Pellegrinian overlords. And Dunbar's world has no more than their local police force to oppose him. Leary again commands the corvette Princess Cecile, but on this mission her missile tubes are empty. Only one man is in a position to aid Leary, but the rich and powerful would rather see him fail than succeed in stopping the invasion. Leary must somehow overcome a large entrenched force on an island defended by powerful plasma cannon and shipkilling missiles and backed up by a heavily armed warship in orbit, all while commanding only a small and virtually unarmed spacecraft. But Leary again has the help of Signals Officer Adele Mundy, who can make computer networks do the apparently impossible. Leary, Mundy and the crew of the Princess Cecile have gone up against impossible odds before . . . and their opponents

in those victorious missions are still wondering just what hit them.

The Hi-Jack of the Trump "Princess" Capt.

Gardner Martin Kelley,2012-03-23 Synopsis The captain was an author of several sea stories of adventures since his birth at sea. He had been born on the two mast schooner the LIZZIE MAE while she was hove to in a bad winter storm, around Boon Island Lighthouse. Now with recall he was ready to use his experienced for a new caper. With so many boats being stolen from Floridas ports going to Cuba and Mexico, it seemed that all one had to do was steal a sport fishing boat. While after a bribe to officials another charter boat was in business. If some person stole a loaf of bread to feed a hungry child he was a thief; if someone stole big he was considered to be smart. The captain decided he would think big. He would use his experience to hi-jack a big yacht. One he had just read about in the newspaper. She lay exposed at her dock site opposite the owners casino. The PRINCESS seizure was completed and now was offshore of Atlantic City. The problem was to keep her from being seen and the pirates caught. The older captain used all of his experiences of a lifetime at sea. He confused his pursuers with several divisionary course directions. The deal was completed to return the PRINCESS to the owner. No! A last minute double cross killed the deal. Part 2 The PRINCESS was off on a cruise to the Far East, to be delivered to an oil rich sheik. The captain and his pirate crew were off for another dangerous cruise. The transfer of the big yacht was completed. The successful pirate crew now no longer identified as pirates was free to return

home. They had their stashed aboard loot to incriminate them, one last cruise to finalize the venture.
