Horror at the Haunted House Peg Kehret,2002-06-10 It was a job any kid would kill for: to play a role in the Historical Society's Haunted House Halloween fundraising event. Ellen Streater was thrilled to play Joan of Arc, burning at the stake. It was for a good cause—to benefit the eerie old Clayton House, soon to reopen as a museum. They said the house was haunted. Ellen didn't believe it—until she felt a strange, icy feeling when she touched the beautiful Fairylustre bowl. Then she saw the ghost in the mirror—a beautiful phantom who beckoned her into a nightmare beyond her wildest dreams. Entertaining and appealing, with lively and believable young people and a personable ghost. —School Library Journal

Haunted House Jan Pienkowski,2001 Strange happenings occur while visiting a haunted house.

Haunted Houses Dinah Williams,2008-01-01 Most haunted houses were once the scenes of gruesome events or some deep human unhappiness. Rose Hall Great House in Jamaica is no exception. The mistress of the house, Annie Palmer, began her reign of terror at 18. As a girl, her parents had relocated from Ireland to Haiti and promptly died of yellow fever, leaving Annie in the care of a Haitian nanny rumored to be a voodoo priestess. It is said that she trained Annie in the occult. After marrying John Palmer in 1780, Annie reportedly murdered him by poisoning his coffee. Thereafter, she had numerous boyfriends murdered along with two more husbands. When Annie finally died, the slaves burned all of her possessions and buried her as deep in the ground as they could. The house is still said to be haunted by “The White Witch of Rose Hall,” and the story of Annie’s haunting is the basis for over a dozen gothic novels. This nonfiction account of a haunted house along with 10 other haunted house histories will keep young readers on the edge of their seats!

A Haunted House in Kansas Shawn Paul Jones,2021-03-15 The Smith family have just moved to the country, outside the boyhood town Rick Smith had grown up around. The house that they've bought is an old farmhouse Rick remembered as an iconic relic of local lore as being haunted. Rick had heard stories, of course, just as most everyone in the community had heard of the ghost stories out at the old house. Only it wouldn't be until the Smiths would settle into the place that suppositions would begin to occur, when sounds they would hear in the night would grow into supernatural phenomenon that will terrify the Smith family for the rest of their lives.

How to Sell a Haunted House Grady Hendrix,2024-01-02 AN INSTANT NEW YORK TIMES BESTSELLER Wildly entertaining.-The New York Times Ingenious.-The Washington Post New York Times bestselling author Grady

Hendrix takes on the haunted house in a thrilling new novel that explores the way your past—and your family—can haunt you like nothing else. When Louise finds out her parents have died, she dreads going home. She doesn't want to leave her daughter with her ex and fly to Charleston. She doesn't want to deal with her family home, stuffed to the rafters with the remnants of her father's academic career and her mother's lifelong obsession with puppets and dolls. She doesn't want to learn how to live without the two people who knew and loved her best in the world. Most of all, she doesn't want to deal with her brother, Mark, who never left their hometown, gets fired from one job after another, and resents her success. Unfortunately, she'll need his help to get the house ready for sale because it'll take more than some new paint on the walls and clearing out a lifetime of memories to get this place on the market. But some houses don't want to be sold, and their home has other plans for both of them... Like his novels *The Southern Book Club's Guide to Slaying Vampires* and *The Final Girl Support Group*, *How to Sell a Haunted House* is classic Hendrix: equal parts heartfelt and terrifying—a gripping new read from “the horror master” (USA Today).

American Nightmares Dale Bailey, 2011-06 When Edgar Allan Poe set down the tale of the accursed House of Usher in 1839, he also laid the foundation for a literary tradition that has assumed a lasting role in American culture. “The House of Usher” and its literary progeny have not lacked for tenants in the century and a half since: writers from Nathaniel Hawthorne to Stephen King have taken rooms in the haunted houses of American fiction. Dale Bailey traces the haunted house tale from its origins in English gothic fiction to the paperback potboilers of the present, highlighting the unique significance of the house in the domestic, economic, and social ideologies of our nation. The author concludes that the haunted house has become a powerful and profoundly subversive symbol of everything that has gone nightmarishly awry in the American Dream.
