**Sam Hawke**

*Hawke* Ted Bell,2008-09-04 While sailing in the Caribbean, young Alex Hawke witnesses an act of unspeakable horror as modern-day pirates brutally murder his parents. It is a tragedy that will haunt him forever and shape his destiny. As a direct descendant of a legendary English pirate, Lord Alexander Hawke is skilled in the ways of sea combat - and one of Britain's most decorated naval heroes. Now, Hawke returns to the Caribbean on a secret mission for the American government. A highly experimental stealth submarine is missing. She carries forty nuclear warheads, and is believed to be in the hands of an unstable government just ninety miles from the US mainland. In a race against time, Hawke must locate the sub before a strike can be launched against the US - and, after a lifetime of nightmares, finally avenge himself on the man who slaughtered his family . . .

**Rules for a Knight** Ethan Hawke,2015-11-10 An unforgettable fable about a father's journey and a timeless guide to life's many questions—from Ethan Hawke, four-time Academy Award nominee, twice for writing and twice for acting. A knight, fearing he may not return from battle, writes a letter to his children in an attempt to leave a record of all he knows. In a series of ruminations on solitude, humility, forgiveness, honesty, courage, grace, pride, and patience, he draws on the ancient teachings of Eastern and Western philosophy, and on the great spiritual and political writings of our time. His intent: to give his children a compass for a journey they will have to make alone, a short guide to what gives life meaning and beauty.

**City of Lies** Sam Hawke,2018-07-03 A master poisoner works beside his sister to defend their city-state when the chancellor he worked undercover to protect is assassinated with an unknown

poison at the same time an army lay siege to the city.

Youngblood Hawke Herman Wouk, 2014-01-02 Aspiring writer Arthur Youngblood Hawke moves from Hovey, Kentucky, to New York City with nothing but a manuscript and a dream: to make it as a novelist. When, impossibly, his manuscript is sold - and becomes an overnight success - Hawke finds himself instantly famous and wealthy beyond his wildest dreams. He gives himself over to the high life, enjoying everything fame, fortune and New York City can offer. But Hawke, like so many dreamers before him, will discover that fame and fortune are dangerous friends.

Hawke Ted Bell, 2023-04-11 A descendant of a legendary English privateer, Lord Alexander Hawke is one of England's most decorated naval heroes, working on a secret mission for the American government in the Caribbean in this national bestseller now available in a Premium Edition. Reissue.

**Hawke** Blanche d'Alpuget, 2010-10-01 BESTSELLING BIOGRAPHY NOW BACK IN PRINT Blanche d'Alpuget's classic 1982 biography of Robert J. Hawke remains one of the finest examples of political biography in Australian literature. Robert James Lee Hawke is one of the great men of Australian public life and his story makes compelling reading. Blanche d'Alpuget's sensitivity and psychological insight into Hawke's early years reveal how the son of devout Christian parents was reared to public duty and to the ambition of political leadership. Known throughout his life as a tireless campaigner for workers' rights and a man of wild personal habits, Hawke was a Rhodes Scholar, educated in three universities, before rejecting an academic career to commit himself to the trade union movement. As President of the ACTU from 1970 to 1980 he was a master negotiator and peacemaker in industrial life. He agitated for social and economic reforms, becoming a folk hero and the most popular Australian of his time. While he was President of the Australian Labor Party he sought to heal its wounds after the sacking of the Whitlam government; as the leader of Australia's unions he held back potentially

violent industrial action over this most divisive issue. To unionists he was a giant killer; to some employers, a crypto-Communist bent upon their destruction. Hawke: The Early Years is an intimate portrait of a man of extraordinary achievements who struggles to overcome his drinking and philandering in order to rise to the highest office in Australia.

**Hawke: Vendetta Trail** Robert Vaughan, 2009-10-13 Mason Hawke just wants to be left alone. Born with a musician's hands, Hawke has spent the past decade using his lightning-quick fingers to deal death instead of tunes, moving from one town to the next hoping to mute the voices of the dead that continually ring in his ears. But while playing piano in a two-bit saloon in Nebraska, Hawke witnesses a couple of roughnecks gun down a friend of his, and a few seconds later, the killer falls, by Hawke's hand. To honor his dead friend, Hawke travels to her home in New Orleans, but trouble seems to follow Mason Hawke like a hungry dog, and within days, he has put a bullet into a gun-toting thief. But what should have been a simple act of justice becomes the beginning of a hunt. The man who Hawke shot was part of a business, part of a group, and that group is now determined to take revenge on Mason Hawke. That last tune in Nebraska began a trail that would take him on a winding road, to New Orleans, Missouri, and finally Kansas, before the vendetta that began in Nebraska can finally be put to rest.

His task is simple: enter another nation's airspace undetected, meet a secret contact, and find a way to avert a global war. It will take every skill at his command—but there are few as shrewd and savvy as Alex Hawke. When his plane is discovered by enemy radar, he is forced to improvise—or die trying. Alex Hawke. Saving the world one bullet at a time. Includes a 98-page sneak preview from Phantom, the exhilarating, new novel in the Alex Hawke series.

**Hawke's War** Reavis Z. Wortham, 2018-05-29 A Texas Ranger pursues a deadly drug cartel through the badlands of Big Bend in this Western thriller by the Spur Award-winning author of Hawke's Target. The serene beauty of West Texas's Big Bend National Park is shattered when four hikers are brutally ambushed by a sniper. Only one survives to report the murders. When investigators come up with nothing, they're left wondering if this is an isolated incident—or the beginning of a rampage. One week later, Texas Ranger Sonny Hawke heads into the park, determined to unearth the truth. Before he knows it, he's in the same sniper's crosshairs. The drug and human smuggling cartel Coyotes Rabiosos—Rabid Coyotes—have lured him to remote backcountry, looking for payback for an old grudge.
