Crossing Blades Hayden Hall,2023-08-12 This year is my last chance to take

the Titans to victory. I cost us the cup last year, but I'm not making the same mistake again. And I'm determined to get drafted by the end of this season. The success I anticipate is built on three years of razor-sharp focus and hard-earned respect. Not to mention how much of my personal life I sacrificed for hockey. The Titans trust me to lead them and I won't betray that. Nothing could possibly go wrong. Until the former love of my life and current arch nemesis, Cameron Martinez, skates back into my life. His very presence throws me off balance. His intense gaze and aggressive, dominant, and possessive streaks feel like a lasso pulling me toward him. It only takes so many shared showers and locker room encounters before I'm too weak to continue resisting this pull. But we both know there is no future for us. Our ambitions have always left a trail of ruin and heartbreak in their wake. Why should this time be any different? Except I can't think straight when he's around. And every private moment we share makes me forget why I'm even here in the first place. Crossing Blades is the first book in Hayden Hall's Arctic Titans of Northwood U series of gay, college hockey romance novels. Expect fiery encounters on and off the ice, bickering enemies with a single, steamy way to vent, a second chance at greatness and love, and the emotional rollercoaster of self-discovery, acceptance, and growth into adulthood. Crossing Blades can be read as a standalone.

Chasing Temptation Micah Hayden, 2020 For the last ten years, Rhett has fought to get Dorian out of his head. But it's not that easy to forget the first man he ever loved. Rhett has made the type of discovery every antique dealer dreams about. Once he sells the priceless artifact, he'll be rich, and all of his problems will disappear. But there's something about this vessel that draws danger to anyone who holds it. And the most dangerous person to appear is someone Rhett never thought he'd see again: his high school sweetheart, Dorian Taylor.

Children of Hyacinth Hayden Thorne, 2017-03-20 Iulian Dalca is a twenty-one-year-old musical prodigy with big dreams. He's also blessed with a hint of light magic in his blood, a gift that's apparently unique to prodigies and whose purpose appears to be the developing of an extremely strong connection between artist and audience during a performance. Unknown to most, the gift of light magic also allows him a powerful and inexplicable psychic link to someone who remains invisible, a person he's never met in the real world. It's a connection that strengthens over time, a symbiotic bond whose purpose remains a closely guarded secret among the goddesses believed to have created it. Cosmin Vasile is an eighteen-year-old young man living in obscurity and poverty in a rural village in the Wallachian countryside. Gifted in song, he spends his time adding to his parents' meager income by weaving and gathering wool for sale, singing rustic songs he knows by heart as he works. He's also plagued by mysteriously restless sleep lasting a week and occurring once a year since he turned eleven, though he remembers nothing of the dreams or nightmares that may have caused the disturbance. Then out of the blue on two separate occasions, a once-in-a-lifetime chance at fulfilling their dearest dreams suddenly comes along, and youthful hope takes flight... Only to tumble headlong down a nightmarish pit of old magic twisted for a darker purpose, where lines separating reality and decades-long madness blur. Haunting portraits of long gone students, a cursed mirror hiding a terrifying world of corruption and death, a monstrous satyr lurking in the shadows of the mirror's world - time and hope for escape disappear as Iulian and Cosmin

suddenly discover the awful price of being marked as the Muses' rare, favored children.

The Fake Boyfriends Debacle Hayden Hall, 2022-04-11 We think we're fooling everyone with our fake relationship, but maybe we are the only fools around. Caleb Nobody ever looks past the mask I wear. Nobody bothers to scratch the surface. Not until I meet Jayden Harris, the adorably bossy scholarship student with a razor-sharp focus and an unbreakable determination to be the best of us all. He says he doesn't have time for dating. He says I'm just a player. Yet every chance we get, we orbit one another. If I could prove to him that I'm worth falling in love with, he might change his mind. But asking him to be my fake boyfriend for a massive family gathering probably wasn't my greatest idea. Dad is tearing us apart and my will to fight for control over my life is fading. My plan is ruined. We're a lost cause, but I just...can't...let him go. Jayden It was just a one-time thing. And then a two-time thing. And a three-time thing... Before I know it, I'm in his fancy car, heading to the Wine Country for an extended weekend. My mission? Be the loving boyfriend you bring home to meet the parents. I'm risking my scholarship and my future at the elite Highgate Academy for a charming stranger in need of a boyfriend. Why? I wish I could tell you. All I know is that Caleb's funny, hot as hell, and has the most adorable secret ever. But there's more to him than I imagined. The wealth he enjoys traps him; his father controls him. And he thinks I'm the key to his freedom. I'm doing my best to convince everyone that we're a couple. But maybe I'd be wise to remind myself that we are not. **The Fake Boyfriends Debacle** is the first installment of the **Frat Brats of Santa Barbara** series. It features two strangers falling head over heels for each other, a big, crazy family, an elite private school bustling with hot, adventurous guys, steam to make you sweat, and a grand happy ending that'll make you swoon. You know you want it.

The Bitter Rivals Fiasco Hayden Hall, 2022-07-28 I fell in love with the enemy. Twice. Hudson For my twenty-first, I threw a masquerade party and met the most exciting guy on the planet, dressed as a fallen angel. Then, I never saw him again. And just when I think my life is perfect, in walks my nemesis, Tate Anderson. The guy's got no finesse. He looks down on everyone, especially me. So, when the mischievous wannabe matchmaker of a professor forces me into a project with none other than Tate, I seriously consider dropping out. Except, the more time I spend with him, and the more we growl and bark at each other, the tighter my chest feels around him. To put him out of my mind and escape the feelings I'd kept at bay for so long, I keep throwing the biggest parties in the city. Like some modern version of Jay Gatsby, I hope to run into my mysterious fallen angel, but he's ever so elusive. Until he shows up again. And I take his mask off... Tate My life sucks but don't make a mistake thinking I would let anyone know. Especially not Hudson Blackwood. That guy's gloating enough already. Ugh... He laughs too much, pretends he's so cool, nothing really bothers him. Well, except the fact he's stuck with me on a semester-long project. But I'm stuck with him just as much. He's also hot as hell and knows it, which makes him infinitely more annoying. And if that's not enough, my stepmother is spending the last of my late dad's fortune on her two sons and I have to study every waking moment to keep my scholarship. The only escape I've had since coming to Santa Barbara were the masquerade parties a tall, handsome guy dressed as The Phantom keeps throwing. Before I know it, I am hurtling into love and I hate

it. I know my stepmother will uproot me again before the year is done. Besides, I don't even know who this smoking hot Phantom is. This can only end one way, and it's not good. It's just better for everyone if the masks stay on. The Bitter Rivals Fiasco is an enemies-to-lovers story featuring one certified player, his moody, lifelong rival, and a Cinderella-meets-Great-Gatsby storyline. This is the fourth book in the Frat Brats of Santa Barbara series. While it can be read on its own, it's just more fun to read them in order, since the series follows a group of friends as they grow and mature at a prestigious, boys-only business school, Highgate Academy.

The River's Edge Tony Hayden, 2009-04-01 An American family tangled in the political turmoil of southern Mexico. Their only child, lost in the fierce jungles of Chiapas. How far will a desperate mother and father go to save their ten year old son from the clutches of pure evil? The River's Edge will force you to the edge of anguish and leave you questioning the depths of your own morality.

Hayden's Stalker Sian Ceinwen, 2022-10-23

One Broken Promise Deandra Hall, 2016 Hayden Patterson has a simple rule. And he's never broken it. Sleeping with a woman more than once simply isn't going to happen. He's always managed to hang onto his resolve, and so far, no woman's ever blasted her way through. It's one and done, with no prospect of ever having anything permanent. His childhood gave him that thinking and he has no plans to ever change. Two women alone, and one of them is in more danger than anyone realizes. It's hard being a teenager. Kacey Flournoy knows that all too well. Stuck in a school district full of snobby rich kids, she doesn't fit in on her single mom's salary. When she's cast as a bully, it only gets worse - especially since she's the one being bullied. And her poor mom, Delaina, doesn't know what to do. Since Kacey's dad died while serving in the military, it's all she can do to put food on the table. When Hayden draws his first assignment through Citadel Security, he can't believe it. No way does he want to follow a poor little rich girl around all day to guard her from a bully. It doesn't take him long, however, to figure out that something's terribly wrong. And when he tries to right it, he meets the one woman who just might make him break his long-standing promise. That would mean he'd have to let go of the past, but he's sure he's not ready and he never will be. A novella nestled between the first and second books in the first spinoff series from the Love Under Construction series, One Broken Promise takes the hunted to the hunter, the oppressor to the oppressed, and one very scared man to a place that will bring him to his knees. If you've ever been bullied, you'll feel the pain. But you'll also taste the joy of a promise broken. **WARNING:** Strong, graphic sexual situations, heinous criminal acts against both an animal and a person by a seriously sick individual, and a suicide. For readers 18+ only.

Inked Armor Helena Hunting, 2014-05-13 In this follow-up to Clipped Wings, the emotional love story continues between Hayden and Tenley; two young people who desperately want to love and be loved but are afraid to completely let go of their pasts. In the wake of losing Tenley Page, tattooist Hayden Stryker's tumultuous past is haunting him. Plagued by nightmares about the murder of his parents, Hayden reaches out again to Tenley. Having run from the man she doesn't believe she deserves, Tenley finally lays her guilt to rest. Despite their intense physical attraction, Hayden and Tenley struggle to repair their fragile emotional connection. As Hayden gets closer to the

truth, he must find a way to reconcile his guilt over his parents' death in order to keep the woman who finally cracked his armor, and found her way into his heart.

Hayden's Lucky Number Drew Hunt, 2023-07-22 Hayden Marsh watches his local amateur rugby league team play every Sunday afternoon. He doesn't understand the finer points of the game, but then he's more interested in the finer points of the number 13. Kenny Jacobs is big, strong, and has an alpha male streak a mile wide -- everything that Hayden desires in a lover. It doesn't hurt either that Kenny looks drop dead sexy in his rugby kit on the field or his leather jeans off of it. As Hayden's father's best friend, Kenny has been a part of Hayden's life for as long as Hayden can remember. Because Kenny has always been an out and proud gay man, when Hayden began to realise his own sexuality, coming out to his parents was pretty much a non-event. However, tensions rise when Hayden announces his intention to date Kenny. His parents don't like the idea of their son being with an older man who's also a family friend. Kenny has his own reservations, too. With so much stacked against him, will Hayden be lucky enough to win the heart of his number 13, or will he be shown the red card and be forced to admit defeat?

Hayden's Touch Laura Day, Hayden's Touch is book 1 in the Submit to Me Trilogy. Books 2 and 3, Hayden's Kiss and Hayden's Heart are available everywhere now! I BREAK THINGS. I RUIN LIVES HAYDEN I break my opponents in the ring, and I break women's hearts every morning. F*** and forget has been my motto my whole life. But then came Sela. With so much innocence that it's almost a sin to put her next to me. It was supposed to be a single night. She was supposed to be gone in the morning. But somehow I can't get her out of my head. And every time I see her... .. I can't help hear my own voice growl "MINE." SELA I wanted to live that night. To be reckless. Wild. He showed up like a whirlwind with strong hands and dark gaze full of promises. He left me craving him... Every taste, every touch burned in a way I had never felt before. And the next day? We're enemies. At least, I thought so. Because if we hate each other so much, why can't we stop coming back for more?
