Heartbreaker Claudia Dey,2018-08-21 A poignant new novel that combines humour and heartache, from the brilliant mind of Governor General’s Award finalist Claudia Dey Seventeen years after falling from a stolen car into a remote northern town, Billie Jean Fontaine is still an outsider. She may follow the stifling rules of this odd place, but no one will forget that she came from elsewhere. When Billie Jean vanishes one cold October night in her bare feet and track suit with only her truck keys, those closest to her begin a frantic search. Her daughter, Pony, a girl struggling against being a teen in the middle of nowhere; her killer dog to whom she cannot tell a lie; her husband, The Heavy, a man haunted by his past; and the charismatic Supernatural, a teenage boy longing only to be average. Each holding a different piece of the puzzle, they must come together to understand the darkest secrets of their beloved, and lay bare the mysteries of the human heart. With her luminous prose, wry humour and dead-on cultural observations, Claudia Dey has created a storytelling tour de force about what it means to love, no matter the consequences.

Heartbreaker Julie Garwood,2012-08-28 In the still shadows of the confessional, the penitent kneels and makes a bone-chilling disclosure: 'Bless me, Father, for I will sin.' Only this time, he has raised the stakes in his twisted game, daring authorities to catch him if they can. This time, he has revealed the name of his next intended victim. 'I'm a heartbreaker. And I do so love a challenge.' Agent Nick Buchanan has come face-to-face with society's worst monsters and depraved minds in his work for one of the FBI's most elite units. He's about to take a much-needed vacation from his high-stress job, when he's called on to stop the killer who has mockingly confessed to the deadly crime he's going to commit. Nick can't refuse - for this time the threat has hit close to home. The intended victim is his best friend's sister. Soon he is caught up in an intricate chase with one of the most devious psychopaths of his career - in a case that suddenly, unexpectedly, pulls him in like no other.
