*The Art of Hearthstone: Year of the Raven* Robert Brooks,2021-03-16 The Year of the Raven reaches new heights on dark wings! With a few years under its collective belt, the Hearthstone team needed to find an edge: sharper and more striking than a corvid's beak. In *The Art of Hearthstone, Volume IV: Year of the Raven*, the designers, engineers, and artists of the smash-hit digital card game pour their cunning into innovative design changes, remarkable animated art, and all-new transmedia content. From the haunted lands of Gilneas in *The Witchwood* soaring to the laboratories of Outland in *The Boomsday Project* and touching down to the lively arena of Rastakhan's Rumble, the Year of the Raven has something unique for everyone. Hearth Stone Tales Lucy Cutler Kellogg,2020-11-23 The Study of the history of our town has made it seem that there might be written many stories both interesting and instructive, about different places and happen-ings. One day, talking with Miss Ashley, librarian, she stressed the need of this simplicity for the use of the public school pupils especially in the grades. So we planned this work. Many of you know that in the old houses there were large fireplaces with a wide hearth-stone in front, laid out into the floors. Here the work for the family was carried on in the day, and at night every one sat about it. Sometimes friends joined the family. The Greenfield Public Library was one of these fine old houses and it invites you to gather about its hearthstones and learn all that you can from the tales there told. It has invited guests to meet you. Mother Deerfield will be there with her story. Daughter Gill will have some interesting things to tell. Our neighbor Turners Falls, where one of our old industries has gone, will also have something for you. Now these things about which you will hear, have come from books so old that their worn and torn pages had to be covered with silk to save them; from the old paper, the Greenfield Gazette and Courier; from the books of old friends, the late Judge F. M. Thompson, Hon. and Mrs. George Sheldon of Deerfield, and others; from the various localities, even the streets and people of Greenfield.

Hearth Stone Jeanne Williams,2012-08-01 Kirsty has grown up in the shadow of her mother Great Mairi of the Isles, who has kept her people on the Long Isle throughout the cruel Highland Clearances. When faithless Alan betrays Kirsty for her cousin, Kirsty, though pregnant, leaves the island for Canada. On the voyage, her baby is stillborn and the captain helps her bury him on a rocky island near Newfoundland. She has made three good friends on the ship and now they help and support each other finding work at a boarding house near a sawmill town in Ontario. When the captain who is married, moves to a horse ranch he owns, with his feckless brother, Kirsty flees her secret love to go to the Red River with her landlady, Meg. In Winipeg, Meg meets an old Metis friend and with his oxen pulling their cart, they go to take up land near Riding Mountain. They encounter Texas Outlaws, Indians who still hope to drive out the white settlers, and daunting blizzards. Meg, Louie, and Kirsty create a home and stopping place for travelers and shelter a widowed Iclander and his baby. Kidnapped by outlaws running guns for an uprising, Kirsty helps in their downfall. The captain's wife

has died in the thwarted rebellion and though he thinks he is too old and battered to marry again, Kirsty does not.
