sir Robert Stawell Ball

Plunderer, Vol. 1 Suu Minazuki, 2019-03-26 In the world of Alcia' where rank is determined by counts a young girl named Hina scours the land for the fabled Ace—the legendary hero of the Waste War. With only the last words of her missing mother to guide her search' she wanders from town to town until she meets Licht' a clownish masked vagrant with a count of --999. Girl-crazy and unpredictable' he's the exact opposite of a hero...or at least' that's how he appears...

The Heavens Are Empty Avrom Bendavid-Val, 2011-11-16 A magical place, a lost history: Trochenbrod, the setting for *Everything is Illuminated*, is now rediscovered for a new generation. In the 19th century, nearly five million Jews lived in the Pale of Settlement. Most lived in shtetls—Jewish communities connected to larger towns—images of which are ingrained in popular imagination as the shtetl Anatevka from *Fiddler on the Roof*. Brimming with life and tradition, family and faith, these shtetls existed in the shadow of their town's oppressive anti-Jewish laws. Not Trochenbrod. Trochenbrod was the only freestanding, fully realized Jewish town in history. It began with a few Jewish settlers searching for freedom from the Russian Czars' oppressive policies, which included the forced conscriptions of one son from each Jewish family household throughout Russia. At first, Trochenbrod was just a tiny row of houses built on empty marshland in the middle of the Radziwill Forest, yet for the next 130 years it thrived, becoming a bustling marketplace where people from all over the Ukraine and Poland came to do business. But this scene of ethnic harmony was soon shattered, as Trochenbrod vanished in 1941—her residents slaughtered, her homes, buildings, and factories razed to the ground. Yet even the Nazis could not destroy the spirit of Trochenbrod, which has lived on in stories and legends about a little piece of heaven, hidden deep in the forest. Bendavid-Val, himself a descendant of Trochenbrod, masterfully preserves and fosters the memory of this city, celebrating the vibrant lives of her people and her culture, proving true the words of one of Trochenbrod's greatest poets, Yisrael Beider: I beg you hold fast to these words of mine. After this darkness a light will shine.

Under the Banner of Heaven Jon Krakauer, 2004-06-08 NATIONAL BESTSELLER • From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. • Now an acclaimed FX limited series streaming on HULU. "Fantastic.... Right up there with *In Cold Blood* and *The Executioner's Song*." —San Francisco Chronicle Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.

Bent Heavens Daniel Kraus, 2020-02-25 "Kraus gets under your skin with brutal, elegant efficiency. Necessarily horrifying, devastatingly timely."—Kiersten White, New York Times bestselling author of *The Dark Descent of Elizabeth Frankenstein* and *Slayer* From New York Times bestselling author Daniel Kraus comes a breakneck, genre-defying YA thriller perfect for fans of Kiersten White, Neal Shusterman, and M. T. Anderson. Liv Fleming's father went missing more than two years ago, not long after he claimed to have been abducted by aliens. Liv has long accepted that he's dead, though that doesn't mean she has given up their traditions. Every Sunday, she and her lifelong friend Doug Monk trudge through the woods to check the traps Lee left behind, traps he set to catch the aliens he so desperately believed were after him. But Liv is done with childhood fantasies. Done pretending she believes her father's absurd theories. Done going through the motions for Doug's sake. However, on the very day she chooses to destroy the traps, she discovers in one of them a creature so inhuman it can only be one thing. In that moment, she's faced with a painful realization: her dad was telling the truth. And no one believed him. Now, she and Doug have a choice to make. They can turn the alien over to the authorities...or they can take matters into their own hands. On the heels of the worldwide success of *The Shape of Water*, Daniel Kraus returns with a horrifying and

heartbreaking thriller about the lengths people go to find justice and the painful reality of grief. “Bent Heavens is the darkest, angriest alien horror story that I've ever encountered. Hell. Yes.”—Stephanie Perkins, New York Times-bestselling author of *There's Someone Inside Your House*

Fire from Heaven Mary Renault,2013-09-10 New York Times Bestseller and Man Booker Prize Finalist: A novel of ancient Greece by the author Hilary Mantel calls “a shining light.” Alexander the Great stands alone as a leader and strategist, and *Fire from Heaven* is Mary Renault’s unsurpassed dramatization of the formative years of his life. His parents fight for their precocious son’s love: On one side, his volatile father, Philip, and on the other, his overbearing mother, Olympias. The story tells of the conqueror’s two great bonds—to his horse, Oxhead, and to his dearest friend and eventual lover, Hephaestion—and of the army he commands when he is barely an adult. Coming of age during the battles for southern Greece, Alexander the Great appears in all of his colors—as the man who first takes someone’s life at age twelve and who swiftly eliminates his rivals as soon as he comes to power—and emerges as a captivating, complex, larger-than-life figure. *Fire from Heaven* is the first volume of the *Novels of Alexander the Great* trilogy, which continues with *The Persian Boy* and *Funeral Games*. This ebook features an illustrated biography of Mary Renault including rare images of the

author. “Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us.” —Hilary Mantel

Property and Freedom Richard Pipes, 2007-12-18 A superb book about a topic that should be front and center in the American political debate (National Review), from the acclaimed Harvard scholar and historian of the Russian Revolution An exploration of a wide range of national and political systems to demonstrate persuasively that private ownership has served over the centuries to limit the power of the state and enable democratic institutions to evolve and thrive in the Western world. Beginning with Greece and Rome, where the concept of private property as we understand it first developed, Richard Pipes then shows us how, in the late medieval period, the idea matured with the expansion of commerce and the rise of cities. He contrasts England, a country where property rights and parliamentary government advanced hand-in-hand, with Russia, where restrictions on ownership have for centuries consistently abetted authoritarian regimes; finally he provides reflections on current and future trends in the United States. *Property and Freedom* is a brilliant contribution to political thought and an essential work on a subject of vital importance.

Heaven's River Dennis E. Taylor, 2021-01-26 Civil war looms in the Bobiverse in this brand-new, epic-length adventure by best seller Dennis E. Taylor. More than a hundred years ago, Bender set out for the stars and was never heard from again. There has been no trace of him despite numerous searches by his clone-mates. Now Bob is determined to organize an expedition to learn Bender's fate-whatever the cost. But nothing is ever simple in the Bobiverse. Bob's descendants are out to the 24th generation now, and replicative drift has produced individuals who can barely be considered Bobs anymore. Some of them oppose Bob's plan; others have plans of their own. The out-of-control moots are the least of the Bobiverse's problems. Undaunted, Bob and his allies follow Bender's trail. But what they discover out in deep space is so unexpected and so complex that it could either save the universe-or pose an existential threat the likes of which the Bobiverse has never faced.

The Book of Lost Friends Lisa Wingate, 2020-04-07 NEW YORK TIMES BESTSELLER • From the bestselling author of *Before We Were Yours* comes a dramatic historical novel of three young women searching for family amid the destruction of the post-Civil War South, and of a modern-day teacher who learns of their story and its vital connection to her students' lives. “An absorbing historical . . . enthralling.”—Library Journal Bestselling

author Lisa Wingate brings to life startling stories from actual “Lost Friends” advertisements that appeared in Southern newspapers after the Civil War, as newly freed slaves desperately searched for loved ones who had been sold away. Louisiana, 1875: In the tumultuous era of Reconstruction, three young women set off as unwilling companions on a perilous quest: Hannie, a freed slave; Lavinia, the pampered heir to a now destitute plantation; and Juneau Jane, Lavinia’s Creole half sister. Each carries private wounds and powerful secrets as they head for Texas, following roads rife with vigilantes and soldiers still fighting a war lost a decade before. For Lavinia and Juneau Jane, the journey is one of stolen inheritance and financial desperation, but for Hannie, torn from her mother and siblings before slavery’s end, the pilgrimage west reignites an agonizing question: Could her long-lost family still be out there? Beyond the swamps lie the limitless frontiers of Texas and, improbably, hope. Louisiana, 1987: For first-year teacher Benedetta Silva, a subsidized job at a poor rural school seems like the ticket to canceling her hefty student debt—until she lands in a tiny, out-of-step Mississippi River town. Augustine, Louisiana, is suspicious of new ideas and new people, and Benny can scarcely comprehend the lives of her poverty-stricken students. But amid the gnarled live oaks and run-down plantation homes lie the century-old history of three young women, a long-ago journey, and a hidden book that could change everything.

The Lost Continent C. J. Cutcliffe Hyne, 2017-02-06T23:35:56Z The Lost Continent, initially published as a serial in 1899, remains one of the enduring classics of the “lost race” genre. In it we follow Deucalion, a warrior-priest on the lost continent of Atlantis, as he tries to battle the influence of an egotistical upstart empress. Featuring magic, intrigue, mythical monsters, and fearsome combat on both land and sea, the story is nothing if not a swashbuckling adventure. The Lost Continent was very influential on pulp fiction of the subsequent decades, and echoes of its style can be found in the work of Edgar Rice Burroughs, Robert E. Howard, and others. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Operating in the Courts of Heaven Robert Henderson, 2016-02-23 Why do some people pray in agreement with God’s will, heart and timing, yet the desired answers do not come? Why would God not respond when we pray from the earnestness of our hearts? What is the problem, or better yet, what is the solution? Robert Henderson believes the answer is found in where your prayer actually takes place. We must direct our prayer towards the Courts of Heaven and not only the battlefield. Robert shows that it is in the courtrooms of Heaven where our breakthroughs can be found. When you learn to

operate there you will see your answers unlocked and released. This book will teach you the legal processes of Heaven and how to operate in its courts. When you get off the battlefield and into the courtroom you can grant God the legal clearance to fulfill His passion and answer your prayers.

Heavens on Earth Michael Shermer,2018-01-09 In his most ambitious work yet, Shermer sets out to discover what drives humans' belief in life after death, focusing on recent scientific attempts to achieve immortality by radical life extentionists, extropians, transhumanists, cryonicists, and mind-uploaders, along with utopians who have attempted to create heaven on earth. For millennia, religions have concocted numerous manifestations of heaven and the afterlife, the place where souls go after the death of the physical body. Religious leaders have toiled to make sense of this place that a surprising 74% of Americans believe exists, but from which no one has ever returned to report what it is really like. Heavens on Earth concludes with an uplifting paean to purpose and progress and what we can do in the here-and-now, whether or not there is a hereafter --

One Door Away from Heaven Dean Koontz,2012-05-29 #1 NEW YORK TIMES BESTSELLER Michelina Bellsong is on a mission. She is following a missing family to the edge of America . . . to a place she never knew existed—a place of terror, wonder, and shattering revelation. What awaits her there will change her life and the life of everyone she knows—if she can find the key to survival. At stake are a young girl of extraordinary goodness, a young boy with killers on his trail, and Micky's own wounded soul. Ahead lie incredible peril, startling discoveries, and paths that lead through terrible darkness to unexpected light.

Sword of the Dark Ones Kotobuki Tsukasa,Yasui Kentaro,2005-04 In a late-medieval world, between the mountains and sea, the peaceful lifestyle of the people has been shattered by fear. Monsters known as the Dark Ones, roam the land, killing indiscriminately. The townsfolk fear to venture out from their homes, and travel from town to town has become a risk to life and limb. To protect the people from this terror, several guilds have sprung up, including the Guild of Assassins and the Guild of Mercenaries. To go out into the world or travel across the wilderness, hired mercenaries are essential. One man has built a reputation as an especially fierce monster-killer -- a man known as Leroy Schvartzer. A former high-ranking member of the Guild of Mercenaries, Leroy has struck out on his own. Many try to hire him for his superior skills, but Leroy has his own agenda. He has a mission to accomplish, a vow to fulfill. This vow is known only to himself and his one companion: his sentient long-sword Ragnarok.
