Screen Tourism and Affective Landscapes Erik Champion,Christina Lee,Jane Stadler,Robert Moses Peaslee,2022-12-30 This book explores ways in which screen-based storyworlds transfix, transform, and transport us imaginatively, physically, and virtually to the places they depict or film. Topics include fantasy quests in computer games, celebrity walking tours, dark tourism sites, Hobbiton as theme park, surf movies, and social gangs of Disneyland. How physical, virtual, and imagined locations create a sense of place through their immediate experience or visitation is undergoing a revolution in technology, travel modes, and tourism behaviour. This edited collection explores the rapidly evolving field of screen tourism and the affective impact of landscape, with provocative questions and investigations of social groups, fan culture, new technology, and the wider changing trends in screen tourism. We provide critical examples of affective landscapes across a wide range of mediums (from the big screen to the small screen) and locations. This book will appeal to students and scholars in film and tourism, as well as geography, design, media and communication studies, game studies, and digital humanities.

Breaking Bad and Philosophy David Richard Koepsell,Robert Arp,2012 The hit television drama Breaking Bad is discussed by professional thinkers who compare the major themes of the show with philosophical concepts and answer questions about injustice, retaliation and the potential of everyone to become a ruthless criminal. Original.

Wanna Cook? Ensley F. Guffey,K. Dale Koontz,2014-05-01 An accessible and in-depth guide to all five seasons of Breaking Bad I am not in danger . . . I am the danger. With those words, Breaking Bad's Walter White solidified himself as TV's greatest antihero. Wanna Cook? explores the most critically lauded series on television with analyses of the individual episodes and ongoing storylines. From details like stark settings, intricate camerawork, and jarring music to the larger themes, including the roles of violence, place, self-change, legal ethics, and fan reactions, this companion book is perfect for those diehards who have watched the Emmy Award-winning series multiple times as well as for new viewers. Wanna Cook? elucidates without spoiling, and illuminates without nit-picking. A must-have for any fan's collection.

Disability Rhetoric Jay Timothy Dolmage,2014-01-22 Disability Rhetoric is the first book to view rhetorical theory and history through the lens of disability studies. Traditionally, the body has been seen as, at best, a rhetorical distraction; at worst, those whose bodies do not conform to a narrow range of norms are disqualified from speaking. Yet, Dolmage argues that communication has always been obsessed with the meaning of the body and that bodily difference is always highly rhetorical. Following from this rewriting of rhetorical history, he outlines the development of a new theory, affirming the ideas that all communication is embodied, that the body plays a central role in all expression, and that greater attention to a range of bodies is therefore essential to a better understanding of rhetorical histories, theories, and possibilities.

Breaking Bad and Dignity Elliott Logan,2016-01-26 An ambitious interpretation of the critically celebrated and widely popular crime drama Breaking Bad , this book argues that not only should the series be understood as a show that revolves around the dramatic stakes of dignity, but that to do so reveals - in new ways - central aspects of serial television drama as an art form.

The Cannon Film Guide Volume II (1985-1987) Austin Trunick,2022-07-31 "Trunick's Guide . . . will sit comfortably on reference shelves next to Michael J. Weldon's Psychotronic Encyclopedia of Film and Danny Peary's Cult Moviesbooks." - Spectrum Culture The Cannon Film Guide is a treasure trove of info for Golan/Globus fans. Even diehard Cannon scholars will learn from this tome." - Paul Talbot, author of the Bronson's Loose! books The unbelievable story of the legendary 1980s B-movie studio continues in The Cannon Film Guide Volume II, which covers the company's output from 1985 to 1987, their peak production years under Menahem Golan and Yoram Globus. This book takes an up-close look at sixty Cannon movies, from deep cuts to cult classics, including American Ninja, The Delta Force, Over the Top, Invasion USA, Masters of the Universe, Runaway Train,Texas Chainsaw Massacre 2, King Solomon's Mines, Lifeforce, Superman IV: The Quest for Peace, and many more. With hundreds of photos and more than forty interviews with Cannon directors, writers, and stars, this is an indispensable reference book for fans of the VHS era's wildest production company. "For students of film history—of which the Cannon saga has been a largely unexplored chapter—fans of exploitation filmmaking and B-movies, and aficionados of cult cinema, The Cannon Film Guide is likely to be an essential addition to your bookshelf." - Den of Geek

e-Pedia: Game of Thrones (season 6) Wikipedia Contributors,2017-02-22 This carefully crafted ebook is formatted for your eReader with a functional and detailed table of contents. The sixth season of the fantasy drama television series Game of Thrones premiered on HBO on April 24, 2016, and concluded on June 26, 2016. It consists of ten episodes, each of approximately 50-60 minutes, largely of original content not found in George R. R. Martin's A Song of Ice and Fire series. Some material is adapted from the upcoming sixth novel The Winds of Winter and the fourth and fifth novels, A Feast for Crows and A Dance with Dragons. The series was adapted for television by David Benioff and D. B. Weiss. HBO ordered the season on April 8, 2014, together with the fifth season, which began filming in July 2015 primarily in Northern Ireland, Spain, Croatia, Iceland and Canada. Each episode cost over \$10 million. This book has been derived from Wikipedia: it contains the entire text of the title Wikipedia article + the entire text of all the 593 related (linked) Wikipedia articles to the title article. This book does not contain illustrations. e-Pedia (an imprint of e-artnow) charges for the convenience service of formatting these e-books for your eReader. We donate a part of our net income after taxes to the Wikimedia Foundation from the sales of all books based on Wikipedia content.

Breaking Bad and Cinematic Television Angelo Restivo,2019-03-08 With its twisty serialized plots, compelling antiheroes, and stylish production, Breaking Bad has become a signature series for a new golden age of television, in which some premium cable shows have acquired the cultural prestige usually reserved for the cinema. In Breaking Bad and Cinematic Television Angelo Restivo uses the series as a point of departure for theorizing a new aesthetics of television: one based on an understanding of the cinematic that is tethered to affect rather than to medium or prestige. Restivo outlines how Breaking Bad and other contemporary "cinematic" television series take advantage of the new possibilities of postnetwork TV to create an aesthetic that inspires new ways to think about how television engages with the everyday. By exploring how the show presents domestic spaces and modes of experience under neoliberal capitalism in ways that allegorize the perceived twenty-first-century failures of masculinity, family, and the American Dream, Restivo shows how the televisual cinematic has the potential to change the ways viewers relate to and interact with the world.

Philosophy and Breaking Bad Kevin S. Decker,David R. Koepsell,Robert Arp,2016-11-23 This volume considers the numerous philosophical ideas and arguments found in and inspired by the critically acclaimed series Breaking Bad. This show garnered both critical and popular attention for its portrayal of a cancer-stricken, middle-aged, middle-class, high school chemistry teacher's drift into the dark world of selling methamphetamine to support his family. Its characters, situations, and aesthetic raise serious and familiar philosophical issues, especially related to ethics and morality. The show provokes a bevy of rich questions and discussion points, such as: What are the ethical issues surrounding drugs? What lessons about existentialism and fatalism does the show present? How does the show grapple with the concept of the end 'justifying' the means? Is Walt really free not to 'break bad'? Can he be redeemed? What is the definition and nature of badness (or evil) itself? Contributors address these and other questions as they dissect the legacy of the show and discuss its contributions to philosophical conversations.

Pop Culture and the Dark Side of the American Dream Paul A. Cantor,2019-05-17 The many con men, gangsters, and drug lords portrayed in popular culture are examples of the dark side of the American dream. Viewers are fascinated by these twisted versions of heroic American archetypes, like the self-made man and the entrepreneur. Applying the critical skills he developed as a Shakespeare scholar, Paul A. Cantor finds new depth in familiar landmarks of popular culture. He invokes Shakespearean models to show that the concept of the tragic hero can help us understand why we are both repelled by and drawn to figures such as Vito and Michael Corleone or Walter White. Beginning with Huckleberry Finn and ending with The Walking Dead, Cantor also uncovers the link between the American dream and frontier life. In imaginative variants of a Wild West setting, popular culture has served up disturbing—and yet strangely compelling—images of what happens when people move beyond the borders of law and order. Cantor demonstrates that, at its best, popular culture raises thoughtful questions about the validity and viability of the American dream, thus deepening our understanding of America itself.

The Untold History Of Television Kathleen Olmstead,2014-04-22 The Untold History of Television provides a captivating glimpse behind the scenes of the groundbreaking series that have both defined and changed the pop culture landscape. Go behind the scenes to explore the inception and

development of these series, thought-provoking episode analysis, and on-the-set stories about the cast and crew. This ebook bundles includes eight Untold History titles: Breaking Bad, Downtown Abbey, Freaks and Geeks, Friday Night Lights, Mad Men, The Walking Dead, The Wire, and True Blood.

Masculinity in Breaking Bad Bridget Roussell Cowlshaw,2015-04-03 Following on author Peter Rollins' motto "If it isn't popular, it isn't culture," this collection of new essays considers Vince Gilligan's award-winning television series Breaking Bad as a landmark of Western culture—comparable to the works of Shakespeare and Dickens in their time—that merits scholarly attention from those who would understand early the 21st century zeitgeist. The essayists explore the series as a critique of American concepts of masculinity, with Walter White discussed as a father archetype—provider, protector, author of a legacy—and as a Machiavellian warrior on the capitalist battleground. Other topics include the mutual exclusivity of intellect and masculinity in American culture, and the dramatic irony as White's rationales for his criminal life are gradually revealed as a lie. In "round table" chapters, contributors discuss the show's reception, fans who root for "Team Walt," "Skyler-hating" and Breaking Bad as a feminist text.

Mark Margolis Joshua Charis,2023-08-05 Mark Margolis: Transforming Characters, Leaving An Impression is a captivating and insightful biography that delves into the remarkable career of one of the most talented and versatile actors of our time. From his early beginnings to his rise as a respected figure in film and television, this book takes readers on a journey through the life and achievements of the enigmatic Mark Margolis. Discover the man behind the captivating characters as you explore Margolis's dedication to his craft and his ability to breathe life into the roles he portrays. With meticulous research and exclusive interviews, this biography offers an intimate look into Margolis's transformative performances and the profound impact he has had on the acting industry. Follow the footsteps of Margolis as he collaborates with renowned directors such as Darren Aronofsky and the Coen brothers, leaving an indelible mark on the films he graces with his presence. From his unforgettable portrayal of the silent yet menacing Hector Tio Salamanca in Breaking Bad and Better Call Saul to his poignant performance as Mr. Rabinowitz in Requiem for a Dream, Margolis's ability to captivate audiences and evoke genuine emotions is showcased throughout. Through the pages of this book, readers will gain a deeper understanding of Margolis's artistic journey, his meticulous approach to character development, and the legacy he has built. From his early struggles to his deserved recognition, his unwavering commitment to his craft serves as an inspiration for aspiring actors and fans alike. Mark Margolis: Transforming Characters, Leaving An Impression is a must-read for cinephiles, aspiring performers, and anyone fascinated by the transformative power of acting. Immerse yourself in the captivating story of a true artist who has left an everlasting impression on the stage and screen.

MULTIDISCIPLINARY VIEWS ON POPULAR CULTURE: Proceedings of the 5th International SELICUP Conference Eduardo de Gregorio-Godeo,María del Mar Ramón-Torrijos,2014-09-04

Breaking Bad e a filosofia David R. Koepsell,Robert Arp,2015-08-11 A série Breaking Bad conta a história de Walter White, cidadão exemplar, 50 anos, casado, pai de um garoto deficiente e de uma menina que está para nascer. Sua vida não é como ele sonhou: além de dar aula de Química em uma escola do Ensino Médio, precisa completar o orçamento trabalhando meio período em um lava-rápido. Parece que nada vai mudar em seu cotidiano, até que ele recebe o diagnóstico de que está com um câncer avançado no pulmão e que seu tempo de vida é limitado. Sem dinheiro para o tratamento e para garantir o conforto da família depois de sua morte, ele decide transgredir a lei, o sistema e tudo que faz dele um cidadão do bem: passa a produzir metanfetamina para ganhar dinheiro fácil e rápido. Breaking Bad e a filosofia apimenta a discussão de questões que a série instiga, analisando o comportamento de Walter White e dos personagens sob a luz da filosofia e da psicologia: Por que o público sente tanta empatia por Walt? O que significa torcer pelo criminoso? As atitudes de Walt são realmente transgressoras? Mas, sob a luz da filosofia, o que ele está transgredindo?

El evangelio según Breaking Bad Blake Atwood,2017-02-01 El responsable de Breaking Bad, Vince Gilligan quiere creer que existe el cielo, pero no puede no creer que exista un infierno. A través de esta fascinante serie que muestra la impactante y trágica vida y momentos de Walter White, Gilligan ofrece su singular visión en un universo moralmente amoral, un lugar que no se diferencia mucho del mundo en que vivimos. Esta serie de televisión aclamada por la crítica busca responder a la pregunta: En un mundo aparentemente en caos, ¿Puede prevalecer finalmente la justicia? El evangelio según Breaking Bad ofrece una completa perspectiva cristiana del éxito de público y crítica de la AMC. Cubriendo temas teológicos profundos como la identidad, la muerte, la justicia, el poder, el destino, el libre albedrío y el mismo Evangelio, los lectores se verán obligados a pensar con más profundidad en las preguntas universales que Breaking Bad plantea. En las secciones que cubren los colores y metáforas de Breaking Bad, los fans también llegarán a una mayor apreciación de la serie de televisión mejor realizada de la historia reciente. Más que simplemente ofrecer un entretenido viaje en furgoneta a través del desierto de Albuquerque, Breaking Bad presenta dos personajes únicos: Walter White y Jesse Pinkman. Cada uno de ellos tiene trayectorias notablemente distintas en sus vidas. ¿Será redimido alguno de ellos al final de la serie? ¿Qué nos dicen de nosotros mismos nuestras reacciones a sus historias? A través de estas historias y más, El evangelio según Breaking Bad busca contarnos la más antigua de las historias a través de una de la historias más viscerales y atrayentes del presente. Como la autora Madeline L'Engle escribió: Quizás has de conocer la oscuridad antes de poder apreciar la luz.

Narcomedia Jason Ruiz,2023-10-10 Exploring representations of Latinx people from Scarface to Narcos, this book examines how pop culture has framed Latin America as the villain in America's long and ineffectual War on Drugs. If there is an enemy in the War on Drugs, it is people of color. That is the lesson of forty years of cultural production in the United States. Popular culture, from Scarface and Miami Vice to Narcos and Better Call Saul, has continually positioned Latinos as an alien people who threaten the US body politic with drugs. Jason Ruiz explores the creation and endurance of this trope, its effects on Latin Americans and Latinx people, and its role in the cultural politics of the War on Drugs. Even as the focus of drug anxiety has shifted over the years from cocaine to crack and from methamphetamines to opioids, and even as significant strides have been made in representational politics in many areas of pop culture, Latinx people remain an unshakeable fixture in stories narrating the production, distribution, and sale of narcotics. Narcomedia argues that such representations of Latinx people, regardless of the intentions of their creators, are best understood as a cultural front in the War on Drugs. Latinos and Latin Americans are not actually America's drug problem, yet many Americans think otherwise—and that is in no small part because popular culture has largely refused to imagine the drug trade any other way.

Breaking bad Chiara Checcaglini,2018-07-13T00:00:00+02:00 In uno scenario seriale come quello attuale, ormai consolidato su altissimi livelli qualitativi, la serie Breaking Bad, creata da Vince Gilligan e andata in onda tra il 2008 e il 2013, si è imposta come un prodotto particolarmente interessante per il perfetto equilibrio tra le caratteristiche tecniche e tematiche della quality tv e la centralità del coinvolgimento spettatoriale. Il volume si propone di indagare la serie intrecciando l'analisi testuale, con particolare attenzione alla ricca rete di influenze e citazioni, a quella delle dinamiche produttive e di fruizione, nel tentativo di tracciare una mappatura della serie a tutto campo, e di rendere conto del perché Walter White si candidi ad essere un protagonista con cui sarà impossibile non fare i conti per la serialità - e per il cinema - a venire.

Our Fathers, Sons, Lovers and Little Brothers Makambe K. Simamba,2021-05-31 Slimm, a seventeen-year-old Black boy in a hoodie suddenly finds himself in the first moments of his afterlife. He calls out for God. God does not respond. What happens next is a sacred journey through the unknown, as Slimm grapples with the truth of the life he lived and the death he didn't choose. Our Fathers, Sons, Lovers and Little Brothers is a protest for all Black life beyond headlines and hashtags, a prayer for all families left behind, and a promise to the community that all Black lives matter.

Guia Oficial Breaking Bad Cinema,Entretenimento,Curiosidades,On Line Editora,2018-01-11 A série mais bem avaliada da televisão americana, que conta a história do professor de química que descobre um câncer terminal e resolve produzir metanfetamina com a ajuda do ex-aluno para deixar dinheiro à família, também fez fãs no Brasil. Milhares deles. Se você é um dos aficionados pela trajetória de Walter White - o homem que migra de uma reputação irretocável para uma mente criminoso -, a proposta é simples: mergulhe de cabeça na história desse fascinante e intrigante personagem. Caso ainda não tenha sido fisgado pelo enredo, é certo que será. Razões não faltam para se render.
