The Greatest Heist Stories Ever Told Tom

McCarthy, 2019-08-30 The Greatest Heist Stories Ever Told is a captivating collection of true stories celebrating the best heists ever pulled off—many still unsolved. It allows readers to appreciate the efforts that go into a truly magnificent heist. It is a celebration of stunning, well-planned, and audacious capers that left police and armies of investigators scratching their heads and looking for answers.

HEIST Pete Stegemeyer, 2021-10-19 Unlock the cultural obsession with high-stakes robberies in Heist, a collection of the world's greatest real-life break-ins. From the Isabella Stewart Gardner Museum's famous art heist to the disappearance of the Marie Antoinette watch, these 100% true stories will have you on the edge of your seat—and double checking the locks on your doors! Have you ever watched a movie like Ocean's Eleven and thought: "There's no way that could ever actually happen, right?" Wrong. In the US alone, there have been dozens, if not hundreds, of heists, from bank break-ins to museum plunders. In this premium compendium, we'll walk through the most impressive ones, diving into the details behind each case, the detectives that led the investigations, how the events unfolded, and what mysteries remain. The hardcover book will explore the top 50 incidents, including: 1. The Isabella Stewart Gardner Museum Heist: In March of 1990, two men dressed up as police officers and sweet-talked their way past security at the Isabella Stewart Gardner Museum in Boston, MA. After tying up the

real guards, these men dismantled and packed up 13 works of art, loaded them onto a truck, and drove off into the night, making the 81- minute breach one of the most expensive in modern history.

Today, it remains the single largest property

theft in the world. 2. The Great Train Robbery:

Not all heists happen in buildings. In fact, one

of the most popular ones was the 1963 train

robbery in which nearly 2.6 million pounds was

lifted from a Royal Mail train headed to London.

Using intel provided by a man on the inside dubbed

The Ulsterman, the group rigged the railways

traffic light system to bring the train to an

extended stop, during which time, they funneled

the money from one of the carriages into a waiting

truck by way of a human chain. 3. The French Bank

Vault Tunnelers: On the morning of July 19, 1976,

workers from a safe manufacturing company were

called to the Société Générale bank to fix a

faulty vault door that appeared to be jammed. When

they drilled into the vault and peered in to

diagnose the problem, though, what they found was

not a loose screw or broken hinge, but a door that

has been welded shut...from the inside. Also

scattered the room was a couple of wine glasses,

a portable stove, and a giant tunnel system that

proved to be the method of transport for thieves,

who had dug their way into the bank, spent the

weekend there, and left with ten million in cash.

4. D. B. Cooper's Escapades: The subject of many

conspiracy theories, D. B. Cooper (not his real

name) hopped on a Boeing 727 in a trench coat and

sunglasses in 1971. When the plane had reached

cruising altitude, Cooper hijacked it, extorting

200,000 dollars before strapping on a parachute, jumping out of the plane, and disappearing into thin air. This "aerial heist" remains unsolved to this day and remains one of the FBI's most frustrating open cases. 5. The Botched Crown Jewels of England Theft: Back in 1671, a man named Thomas Blood (a cool name, by any standard) decided: "Eh, I'm gonna steal the Crown Jewels." He reached out to Talbot Edwards, the keeper of the stones, with a proposition: if you give me a private viewing of the gemstones, I'll have my nephew marry your daughter (a nephew who, naturally, turned out to not exist). At this private viewing, Blood knocked out Talbot, smashed the jewels into pieces and threw the shards into his pockets, hoping to make a run for it. Though he didn't manage to escape, he did manage to escape jail time: The King at the time was so amused by this failed attempt that he let Blood off scot-free. And that's just the start of it. Plastered with gorgeous photography and big, sleek pages, Heist looks as good as it is captivating. Crack the code of the world's most elusive capers, from the popular tales your great grandad told you about to the ones that have been long forgotten.

Heist Society Ally Carter, 2010-02-09 When Katarina Bishop was three, her parents took her to the Louvre...to case it. For her seventh birthday, Katarina and her Uncle Eddie traveled to Austria...to steal the crown jewels. When Kat turned fifteen, she planned a con of her own--scamming her way into the best boarding school in the country, determined to leave the family business behind. Unfortunately, leaving the life

for a normal life proves harder than she'd expected. Soon, Kat's friend and former co-conspirator, Hale, appears out of nowhere to bring her back into the world she tried so hard to escape. But he has good reason: a powerful mobster's art collection has been stolen, and he wants it returned. Only a master thief could have pulled this job, and Kat's father isn't just on the suspect list, he is the list. Caught between Interpol and a far more deadly enemy, Kat's dad needs her help. For Kat there is only one solution: track down the paintings and steal them back. So what if it's a spectacularly impossible job? She's got two weeks, a teenage crew, and hopefully just enough talent to pull off the biggest heist in her family's (very crooked) history--and, with any luck, steal her life back along the way.

The Lies of Locke Lamora Scott Lynch, 2007-06-26
"Remarkable . . . Scott Lynch's first novel, *The Lies of Locke Lamora*, exports the suspense and wit of a cleverly constructed crime caper into an exotic realm of fantasy, and the result is engagingly entertaining."—*The Times* (London) An orphan's life is harsh—and often short—in the mysterious island city of Camorr. But young Locke Lamora dodges death and slavery, becoming a thief under the tutelage of a gifted con artist. As leader of the band of light-fingered brothers known as the Gentleman Bastards, Locke is soon infamous, fooling even the underworld's most feared ruler. But in the shadows lurks someone still more ambitious and deadly. Faced with a bloody coup that threatens to destroy everyone and

everything that holds meaning in his mercenary life, Locke vows to beat the enemy at his own brutal game—or die trying. Praise for *The Lies of Locke Lamora* “Fresh, original, and engrossing . . . gorgeously realized.”—George R. R. Martin “Right now, in the full flush of a second reading, I think *The Lies of Locke Lamora* is probably in my top ten favorite books ever. Maybe my top five. If you haven’t read it, you should. If you have read it, you should probably read it again.”—Patrick Rothfuss, New York Times bestselling author of *The Name of the Wind* “A unique fantasy milieu peopled by absorbing, colorful characters . . . Locke’s wit and audacity endear him to victims and bystanders alike.”—The Seattle Times “A true genre bender, at home on almost any kind of fiction shelf . . . Lynch immediately establishes himself as a gifted and fearless storyteller, unafraid of comparisons to Silverberg and Jordan, not to mention David Liss and even Dickens.”—Booklist (starred review) “High-octane fantasy . . . a great swashbuckling yarn of a novel.”—Richard Morgan

The Heist Film Daryl Lee, 2014-03-14 A concise introduction to the genre about that one last big score, *The Heist Film: Stealing With Style* traces this crime thriller's development as both a dramatic and comic vehicle growing out of film noir (*Criss Cross*, *The Killers*, *The Asphalt Jungle*), mutating into sleek capers in the 1960s (*Ocean's Eleven*, *Gambit*, *How to Steal a Million*) and splashing across screens in the 2000s in remake after remake (*The Thomas Crown Affair*, *The Italian Job*, *The Good Thief*). Built around a

series of case studies (Rififi, Bob le Flambeur, The Killing, The Lavender Hill Mob, The Getaway, the Ocean's trilogy), this volume explores why directors of such varied backgrounds, from studio regulars (Siodmak, Crichton, Siegel, Walsh and Wise) to independents (Anderson, Fuller, Kubrick, Ritchie and Soderbergh), are so drawn to this popular genre.

Royal Heist Lynda La Plante, 2005-05-31 From Lynda La Plante, one of the world's greatest crime writers, *Royal Heist* is a big, dashing novel of deception, passion, and international suspense, in which a man with a dangerous double life masterminds the greatest robbery of all time. With a beautiful family and a magnificent fortune, Edward de Jersey is making news with his prized racehorse Royal Flush. But while de Jersey socializes with the cream of English society, he keeps to himself the details of his background and how he acquired his wealth. The son of an East End bookie, de Jersey reinvented himself as an aristocrat after pulling off some of England's most notorious heists. He has no intention of ever going back to crime . . . until his financial adviser loses his entire fortune in a disastrous investment and de Jersey decides to retrieve it the old-fashioned way: by stealing it. From Monaco to the Hamptons, from London to the shadowy back alleys of cyberspace, de Jersey goes into action, using guile, force, and the latest technology to put together the perfect plan. Drawing on the expertise of a computer hacker with a passion for Elvis, the inside knowledge of a dying aristocrat, and the skill of a professional impersonator, de

Jersey is ready to commit his greatest and final crime. He's going to steal the crown jewels from under the nose of the royals themselves. Now, as Royal Flush prepares for a spectacular run at the Derby, de Jersey faces his moment of truth: How much is he willing to risk to win the sport's most coveted prize? And just how far will he go to get away with the perfect crime? A novel that builds to an amazing crescendo of suspense, *Royal Heist* is a glamorous and gritty tale of men and women bound together by love, greed, trust, and mistrust. With all the pounding excitement of a high-stakes horse race, this is fiction that takes hold, doesn't let go, and dares us to keep guessing until the very end.

The Best Laid Plans Jim Leach, Jeannette Sloniowski, 2017-12-04 Explores the significance of the heist film genre.

Culprits Richard Brewer, Gary Phillips, 2018-02-27 Some stories are all about the crime. These stories are about the maelstrom of what happens after... A hard-bitten crew of professional thieves pull off the score of their lives, coming away with seven million in cash. Like any heist there are some unforeseen complications, and unfortunately they don't get away without a few bodies dropping. But despite this, they get away with the swag. Seven million. Enough to change their lives, make new identities, start fresh. But that's when the real trouble begins... In this unique, riveting, linked anthology, we follow each member of the crew of culprits as they go their separate ways after the heist, and watch as this perfect score ends up a perfect nightmare.

Featuring stories penned by acclaimed writers Brett Battles, Gar Anthony Haywood, Zoë Sharp, Manuel Ramos, Jessica Kaye, Joe Clifford and David Corbett, CULPRITS examines what happens next to these criminals once they take their cut and go their separate ways, only to find that the end of the heist was the beginning of their troubles.

The Art of the Heist Myles J. Connor, Jr., Jenny Siler, 2009-04-21 "One of the most beguiling criminal memoirs ever written....A rare gem of a book." – T. J. English, New York Times bestselling author of Havana Nocturne How did the son of a decorated policeman grow up to be one of Boston's most notorious criminals? How did he survive a decades-long feud with the FBI? How did he escape one jail sentence with a fake gun carved out of soap? How did he trade the return of a famous Rembrandt for early release from another sentence? The Art of the Heist is a roller-coaster ride of a life, the memoir of America's most infamous art thief Myles Connor. Once a promising young rock musician, the son of a respected policeman, Myles Connor became one of Boston's most infamous criminals—a legendary art thief with irresistible charm and a genius IQ whose approach to his chosen profession mixed brilliant tactical planning with stunning bravado, brazen disguises, audaciously elaborate con jobs, and even the broad-daylight grab-and-dash. New York's Metropolitan Museum of Art, the Smithsonian Institution, Boston's Museum of Fine Art . . . no museum was off-limits. The fact that he was in jail at the time of the largest art theft in American history—the still-unsolved robbery of the Isabella Stewart Gardner

Museum—has not stopped the FBI from considering him a prime suspect. The Art of the Heist is Connor's story—part confession, part thrill ride, and impossible to put down.

Heist Ed Hansen, Mary Kate Doman, 2012 Jake Woods has a small construction business and will be drywalling a five-story building, but he can not figure out why the basement is smaller than the first floor so he seeks out his friends the Silvas and with their help discovers that a bank rob

The Heist C. W. Gortner, M.J. Rose, 2022-08-02 To catch a leopard wear diamonds. A year after THE BAIT, Ania Throne is on the prowl. Gone into hiding, she's planned her next move to perfection, intent on winning her dangerous game of cat-against-cat with the Leopard. But Ania doesn't know that even the best-laid heists have hidden flaws. Jerome Curtis has taken a job at a Hollywood movie studio to try and put his life back together. When a familiar face from the past shows up unexpectedly, Jerome realizes that much as he's tried to forget her, there's no escaping Ania. And this time, what she's about to do could be her doom. The heist is on. Jerome must join with Ania again to bring down the mastermind thief who's dead-set on not getting caught. Passion and vengeance collide as father and daughter bait each other in a high-stakes gambit, with Jerome caught in the middle. Because no matter how much Ania has tried to keep her lover safe, she's only brought him back into the center of her ploy— and the Leopard intends to take full advantage of it. From the glamour of late 1950s Hollywood to a desperate chase in the ravines of Los Angeles, two leopards

must hunt each other to the end. And only one of them can bring down its prey. THE HEIST is the thrilling conclusion in the To Catch A Leopard series, a dramatic romantic caper that began with THE STEAL and THE BAIT.

The Gardner Heist Ulrich Boser, 2009-02-19 "Boser cracks the cold case of the art world's greatest unsolved mystery."—Vanity Fair One museum, two thieves, and the Boston underworld: the riveting story of the 1990 Gardner Museum robbery, the largest unsolved art theft in history. Perfect for fans of the Netflix series This is a Robbery: The World's Biggest Art Heist! Shortly after midnight on March 18, 1990, two men broke into the Isabella Stewart Gardner Museum in Boston and committed the largest art heist in history. They stole a dozen masterpieces, including one Vermeer, three Rembrandts, and five Degas. But after thousands of leads, hundreds of interviews, and a \$5 million reward, not a single painting has been recovered. Worth as much as \$500 million, the missing masterpieces have become the Holy Grail of the art world and their theft one of the nation's most extraordinary unsolved mysteries. Art detective Harold Smith worked the theft for years, and after his death, reporter Ulrich Boser decided to pick up where he left off. Traveling deep into the art underworld, Boser explores Smith's unfinished leads and comes across a remarkable cast of characters, including a brilliant rock 'n' roll art thief and a golden-boy gangster who professes his innocence in rhyming verse. A tale of art and greed, of obsession and loss, The Gardner Heist is as compelling as the stolen masterpieces

themselves.

The Heist Janet Evanovich, Lee Goldberg, 2014-02-25 NEW YORK TIMES BESTSELLER • From Janet Evanovich, #1 bestselling author of the Stephanie Plum novels, and Lee Goldberg, bestselling author and television writer for Monk, comes the first adventure in an electrifying series featuring an FBI agent who always gets her man, and a fearless con artist who lives for the chase. FBI Special Agent Kate O'Hare is known for her fierce dedication and discipline on the job, chasing down the world's most wanted criminals and putting them behind bars. Her boss thinks she is tenacious and ambitious; her friends think she is tough, stubborn, and maybe even a bit obsessed. And while Kate has made quite a name for herself for the past five years the only name she's cared about is Nicolas Fox—an international crook she wants in more ways than one. Audacious, handsome, and dangerously charming, Nicolas Fox is a natural con man, notorious for running elaborate scams on very high-profile people. At first he did it for the money. Now he does it for the thrill. He knows that the FBI has been hot on his trail—particularly Kate O'Hare, who has been watching his every move. For Nick, there's no greater rush than being pursued by a beautiful woman . . . even one who aims to lock him up. But just when it seems that Nicolas Fox has been captured for good, he pulls off his greatest con of all: He convinces the FBI to offer him a job, working side by side with Special Agent Kate O'Hare. Problem is, teaming up to stop a corrupt investment banker who's hiding on a private island

in Indonesia is going to test O'Hare's patience and Fox's skill. Not to mention the skills of their ragtag team made up of flamboyant actors, wanted wheelmen, and Kate's dad. High-speed chases, pirates, and Toblerone bars are all in a day's work . . . if O'Hare and Fox don't kill each other first. Praise for The Heist "The Heist is the perfect title to carry on a trip to the beach. The laugh out loud humor that readers expect from Evanovich is in full force, and Goldberg's crafty and elaborate writing is prominent. . . . Everyone will be eager for the next book in the series."—Associated Press "The action is fast-paced and the writing is first-rate, making The Heist an excellent choice for vacation reading."—Huntington News The hardcover edition of The Heist contains stickers—"I 'Heart' Plum" and "The Con Is On"—and a sneak peek from the next Stephanie Plum novel!

The Last Good Heist Wayne Worcester, Randall Richard, Tim White, 2016-08-01 On Aug. 14, 1975, eight daring thieves ransacked 148 massive safe-deposit boxes at a secret bank used by organized crime, La Cosa Nostra, and its associates in Providence, R.I. The crooks fled with duffle bags crammed full of cash, gold, silver, stamps, coins, jewels and high-end jewelry. The true value of the loot has always been kept secret, partly because it was ill-gotten to begin with, and partly because there was plenty of incentive to keep its true worth out of the limelight. It's one thing for authorities to admit they didn't find a trace of goods worth from \$3 million to \$4 million, and entirely another when what was at stake was more

accurately valued at about \$30 million, the equivalent of \$120 million today. It was the biggest single payday in the criminal history of the Northeast. Nobody came close, not the infamous James Whitey Bulger, not John The Dapper Don Gotti, not even the Brinks or Wells Fargo robbers. The heist was bold enough and big enough to rock the underworld to its core, and it left La Cosa Nostra in the region awash in turmoil that still reverberates nearly 38 years later. The Last Good Heist is the inside story of the robbery and its aftermath.

Heist Jeff Diamant, 2015 Revised edition of the author's Heist! 2002.

Heist 2 Kiki Swinson, De'nesha Diamond, 2015-09-29
The Last Heist KIKI SWINSON Shannon Marshall gambled that betraying her husband's biggest heist ever was her way out of the game for good. Losing that bet put her in lockdown—and at the top of Todd Marshall's revenge-fueled hit list. Now she'll work every seductive move and lethal play to survive. 'Cause when it comes to wreaking her own vengeance, this devious beauty isn't taking any prisoners ... Caked Up DE'NESHA DIAMOND Harlem Banks already has twenty-five million reasons to break out of the federal pen. But saving his desperately ill daughter is at the top of his list, even as he's racing his ex-partner-in-crime to his stashed loot ... while U.S. Marshals are hot on his trail. His only chance is the one woman he can't stop loving—even if she's the one endgame he'll never escape ... "A definite thrill ... will not disappoint." —Urban Reviews on Kiki Swinson's Notorious "Diamond's hairpin plot twists, snappy

dialogue, sultry sex scenes, and colorful, often hilarious characters keep the pages turning.”

—Publishers Weekly on *Heist*

Heist Howard Sounes, 2023-03-28 A detail-driven account of how a gang of criminal misfits pulled off the world’s biggest cash robbery, from the bestselling author of true crime classic *Fred & Rose*. The target was a regional counting house for the Bank of England, a fortified concrete bunker located within a triangle of police stations, one only three hundred yards away. When former UFC cage fighter Lightning Lee Murray discovered that this cash centre held hundreds of millions of pounds, he assembled a team of mates including a mechanic, a roofer, and a used car dealer. A hairdresser made disguises for the men so they could pass off as police officers. In an *Ocean’s Eleven*-style robbery, the gang succeeded in hauling away a lorry-load of cash—a staggering £53 million (worth \$87 million at the time)—a world-record sum. That’s when their problems began. By turns thrilling and hilarious, *Heist* is the compelling true story of this mind-blowing crime, including background on Lee Murray, the build-up to the heist, the robbery itself, and its aftermath. The subject of *Catching Lightning*, as seen on SHOWTIME.

Repairing the World Linda Epstein, 2023-07-04 A young girl grapples with her grief over a tragic loss with the help of a new perspective from Hebrew school and supportive new friends in this heartfelt and “accessible” (Kirkus Reviews) middle grade novel about learning to look forward. Twelve-year-old Daisy and Ruby are totally

inseparable. They've grown up together, and Daisy has always counted on having Ruby there to pave the way, encourage her to try new things, and to see the magic in the world. Then Ruby is killed in a tragic accident while on vacation, and Daisy's life is shattered. Now Daisy finds herself having to face the big things in her life—like starting middle school and becoming a big sister—without her best friend. It's hard when you feel sad all the time. But thanks to new friends, new insights, and supportive family members, Daisy is able to see what life after Ruby can look like. And as she reaches beyond that to help repair the world around her, she is reminded that friendship is eternal, and that magic can be found in the presence of anyone who chooses to embrace it.

Diamonds Aren't Forever Connie

Shelton, 2017-08-14 A nearly flawless museum robbery, a missing million-dollar necklace, a stalled police investigation. For the victim of the crime, the situation calls for desperate measures. Penelope Fitzpatrick wasn't born to wealth. Her grandfather fed the family by selling his small stash of gemstones smuggled from tsarist Russia when the monarchy fell. Now, Pen has done well for herself as a successful novelist. But when the final jewel in her family legacy becomes the target of a cunning band of thieves, and the priceless piece is stolen, the police have many excuses why they can't solve the crime. Not one to accept defeat, Pen does the only thing she can do—gather a group of friends to help catch the crooks and steal back the necklace. It becomes apparent the thief is a master con man who is

likely working with an international theft ring. The chase takes the Ladies far from home and into elegant European enclaves as they attempt to face him down. Close calls and near misses—it's never quite certain whether the women will be able to pull their own spectacular heist and see justice done. Fans of Janet Evanovich and Jana DeLeon will love this daring and spunky group of women friends in their first mystery caper. Praise for Connie Shelton's previous novels: "Readers can only hope the likable characters, fast-paced plots and local color will continue ..." —Albuquerque Journal "Down to earth and very readable." —Library Journal "...a delightfully complex mystery." —Romantic Times (4 out of 5 stars) "Connie Shelton gets better with every book she writes." —The Midwest Book Review

The Gardner Museum Heist Michael

Regan, 2019-12-15 The Gardner Museum Heist explores all sides of this famously unsolved crime. It discusses police investigations, conspiracy theories, and more related to the biggest art heist in world history. Features include a glossary, references, websites, source notes, and an index. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.
