**Kiss the Baby** Clarence Wylie, 2015-04-01 Kiss The Baby, Hell On Earth is a story was written for those that have experienced the horrors of incarceration as well as the true grit of the streets. Herein lies a realistic tail about a troubled youth named Delgotto who bet against the odds by taking a lifelong gamble which earned him a free ticket out of the ghetto and straight into Pennsylvania's harshest breeding grounds. A place where Violence, Racism, Death and mental instability is the norm: the Penitentiary. These social and psychological conditions are designed to either make you or break you. However, for Delgotto this was just another part of life. Manhood didn't come easy, but it came early as God dropped the responsibility of survival on Delgotto's lap, literally leaving him within an atmosphere to whereas there was absolutely no time to play as a child, only time to fight. As usual, in the infamous words of Delgotto, Let the revolution begin. For the struggle will always exist until the bells of freedom ring for all of mankind.

**PFC: Private Flower Child** Patricia Mohar, 2019-12-26 This is the true story, a memoir of S. Fenyoaée McKinney, PFC, "Private Flower Child," a young black man from Chicago who, in 1970, is discovering his individuality. It's subtitle is "Marching to the Beat of a Different Drummer." It is a time when the Vietnam War and civil rights marches are a regular feature of the nightly news. In an era when many young men are faced with the reality of war but are unaware of its consequences, PFC has become a protagonist of the Age of Aquarius, the peace movement, hippies, iconoclasm, Jimi Hendrix, and the new age of rock. He is a young man who wants to be part of the revolution." The story line parallels the lives of two brothers, PFC and his elder brother, PRINCETON, who are both in the military during the Vietnam War. As he challenges the system, his brother embraces the war. Intermittently throughout the story, bold images of PRINCETON in combat in Vietnam are juxtaposed with the nonconformist capers of the pacifist PFC. PFC is an adventurer seeking to be free, questioning social norms. He rejects conformity, especially the military but finds himself drafted at a time when the Vietnam War is escalating. In stark contrast, his older brother, PRINCETON has voluntarily joined the U.S. Marines. He wants to serve his country by fighting in Vietnam and become one of the "few good men." The tale of "Private Flower Child" begins at the Ringling Brothers, Barnum & Bailey Circus headquarters in Venice, FL where he is rehearsing for the upcoming tour season. He receives a call from his mother instructing him to return home to Chicago or the military will arrest him as a draft dodger. On April 15, 1970 he is involuntarily inducted into the U.S. Army. The story follows him from his idealistic survival as a pacifist through the rigorous disciplines of military life. His army buddies call him PFC, Private Flower Child which was a vicarial substitute for the Army rank, Private First Class. The story recounts PFC's adventures with friends and enemies in the military world. Each anecdote chronicles a chapter in his army experience from boot camp to his honorable discharge. During basic training, he pan-handles at Chicago's O'Hare Airport and parties with friends at "Love In" gatherings at Grant Park. The antics continue when PFC paints his combat boots red, white, and blue. His song, "I Got The Army Blues, Baby and its defiant lyrics

performed at his battalion's talent show, add to his many military infractions resulting in an Article 15 reprimand. In addition, this autobiographical insight reveals PFC's escapades during his assignment in Germany where he becomes the personal stenographer for Brigadier General George Patton, IV who will determine his fate when he is convicted for the possession of .06 grams of hashish. He became a member of a blues-rock band, The Last Transaction, with two German civilians and an Army buddy. He continues with frequent AWOL holidays in Switzerland and Austria. He buys a 1961 Porsche, names it "Smack," then paints the Superman "S" logo on the hood. At last, he returns home to Chicago and enrolls into college. After completing two tours of duty in Vietnam his brother also returns home. Days later his brother dies. Later he finds that after a car accident, his girlfriend's mother, a recovering addict, gave him methadone to relieve the head pain incurred from the accident. The coroner attributes his death with the drug and alcohol he had taken earlier. Motivated by the loss of his brother, PFC establishes a career as The Fabulous FENO, "the world's only talking mime." He creates the "What Is Cool", a program that encourages youths to say no to drugs and alcohol and yes to education and to a healthy, positive lifestyle. He appears on numerous TV shows and performs at schools all across the US. The result of his work is exemplified by the positive outcome on the many lives he has inspired to this day.

Is My Baby in Hell? Michael Lofton, 2020-03-02 Do unbaptized babies go to hell? Has God provided a means by which they may be saved? What does the Catholic Church teach on this topic? These questions, and more, are explored in *Is My Baby in Hell?: Hope for Parents of Unbaptized Infants*.

Baby's Breath B. D. McDuff, 2018-10-12 Asleep at night, have you ever dreamed about the hereafter? Drifting in and out of slumber, you may ask yourself, Is there a God and a Heaven? Taking comfort in that belief, you drift back to sleep but soon awaken to another question, Could there be a Devil and a Hell? *Baby's Breath* pulls you into the lives of two friends in Hallowed, Ohio in 2010. Claire and Anne have it all--beautiful children, caring

husbands, and their close friendship. Claire's procrastination and Anne's tragic decision lead to the death of an innocent person. When the deed is done, the two best friends begin a terrifying journey into the realm of demons and angels. Will spiritual warfare enable them to reclaim their broken hearts and spirits? In dreams they know there is Heaven and Hell; Satan and Sinners; Devils and Angels. Claire and Anne face the demons. They search for rescue. Will you dare to think it was only a dream?A glimpse of Heaven: Come, Claire, come. They're all waiting for us. Claire closed her eyes and at once she and Ariel were back in the beautiful pearl hallway. Ariel, am I ever going back to Earth?Ariel cautiously responded, Well, we still have one more place to visit. Claire bristled at this. No more visits to the nether world, Claire. God is pleased that you courageously endured the view of the chambers of Hell. I know you miss Chet and Jeannie and Jeff. Please trust that God is an omnipotent Father who will reveal His plan to you. Ariel's voice was jubilant, We need to go now, Claire. This is the best part of Heaven. Ariel whisked Claire through pearl halls, one more beautiful than the other until they floated in the Angels' Room of Life. Within the Angels' Room of Life, Claire and Ariel stood before a huge archway covered with Baby's Breath flowers and red roses. As they walked through the fragrant portal, Claire gazed in awe at the luminous streams of light that shone on rows and rows of angels, the caretakers of Paradise Purest.Claire noticed the angels who cuddled the babies seemed to sway gently back and forth as a unit. It was as though God, Himself, was tenderly rocking the cradle of little lost lives. Ariel answered Claire's thoughts, He is.A glimpse of Hell:Once inside Chamber Darkest, an Arctic blast of air hit her face, freezing her tears. Claire was confused. Hell was supposed to be fire! Through the crystal clear ice domes, she saw faces frozen in ghoulish frowns, eyes bulging with fear, skulls open with blood clinging to petrified faces. When Claire heard an eerie hissing sound, she turned around abruptly! Snakes of all sizes slithered in the chamber. She looked up and gasped. Serpent tongues eagerly lashed at body parts frozen to the walls, floor and ceiling. Then thousands, maybe millions of demons appeared. In unison they inhaled. Their nostrils opened wide to suck in the dark air. Snakes crawled into a deep hole to avoid what would happen next. In unison, the demons exhaled and a tsunami of fire roared through the chamber. Ice melted and then boiled. Then the water was gone and there was only the inferno.One of the demons whispered in Claire's ear, You came at the end of the show when Hell freezes over. The best part happens now. He laughed in a high, shrill voice full of evil sarcasm. Then, the demon spewed a long trail of the fire of Hell past Claire's cheek. She experienced a twinge of pain. At once Michael spread his powerful wings pushing the demon down into the deepest end of the snake hole. The power of Michael the Archangel filled Claire with awe.Baby's Breath is BD McDuff's literary debut into the world of demons and angels, but the back story is about life and death decisions. She explores the intense apprehension of two women who have been friends since childhood. They discover that there is a heaven and a hell; satan and sinners; demons and angels. Bonnie wants to use her writing talent to help those who have been ensnared before it's too late!

*Baby Daddy from Hell* Kelly Dunn,2021-08-19 The norm for me was but the latest juicy update for them—family, friends, coworkers, whoever would listen. My life felt like a reality show, and I an open book. The ongoing

turmoil was so bizarre people were disturbed one individual was capable of such magnitude. From alcohol to drugs to domestic violence (all in excess), police involvement was nothing short of expected. Lies upon lies, his narcissism gave me skyrocketing anxiety. As an ethical, godly person myself, I struggled to comprehend the predicament I was in. Surely this was not my best life. Along with his abuse, I racked my own brain asking, "What am I supposed to learn from all of this?" Maybe if I knew, I could move past this phase. But certain lessons can only be fully understood the hard way. If I could go back in time and alter the past, I would not change a thing. As tormenting as it was, I lost battles (for sure), but I won the war. I am in a far better place than I ever imagined. I have grown leaps and bounds in many facets of life. Everything truly happens for a reason. One day it hit me: turn a negative (-) into a positive (+), hence Baby Daddy from Hell was born. In this book based on a true story, I will take you on a journey of laughter, tears, and righteous anger while I share with you how to do the following: ● Establish boundaries ● Prepare for court ● Handle harassment ● Put children first ● Divert arguments ● Make hard choices ● Redirect emotions ● Stay the course It is liberating to know if I can survive that and come out on top, nothing is impossible. The word itself says "I'm possible." Don't make the same mistake I did; don't be naive. Take initiative and educate yourself. Knowledge is power. Better to be safe than sorry. You never know what the future holds.
