Mary Cowden Clarke

Hellhound III Suzanne Brodine,2022-06-25 President-Elect Yardley has vowed to end the Culler war by any means necessary, but that promise to the voters of the Sol Coalition will ask more from him than he ever realized. As the secrets of the Coalition's research division are revealed, he may find that 'anything' is more than he can stomach. And that it has already been done. In order to save Malak's life, and the lives of thousands of civilians, Maker is forced to admit that she knows about the existence of the Legion. Malak knows he owes her a debt. He does not want to admit it or to think of any human soldier as capable of helping the Legion, but without her on his side he could lose more than one battle. What he stands to gain far outweighs the annoyance of having weak humans serving alongside Legionnaires. Together they will face the enemy at its strongest - and their government at its worst.

Prince of Fire Rue Volley,2014-02-25 This is the THIRD and Final book in the series.Waking up in Hell is not where anyone wants to be, but this is exactly what has happened to Halo Bay. Just as she starts to regain her strength, a new player enters the game that may cause her to let her guard down when she needs it the most. After a daring attempt at freedom she will soon discover that her feelings will need to be set aside if she is to fulfill her obligations as a protector of humanity and a branded Hellhound. Vampires, Hellhounds and Werewolves will need to unite as one, if they plan to defeat the ultimate enemy that is rising from the depths of Hell itself. As the blood moon hangs high in the night sky the true fight for humanity will begin.

Give Him Hell Casey Drake,Macy Blake,2019-10-05 Nick Smith is a man with a mission: find the place where he'd been held captive as a child and discover what happened to the kids he left behind. His memories are in flux, returned to him after being blocked for the past fourteen years, along with his ability to shift into his lion form. Nick is ready for answers. Instead, he finds a huge Viking of a man with flaming eyes and more power than Nick knew existed.As a hellhound, Jedrek is often sent on missions that lead to nothing. It's part of the gig. He's a champion of the fire goddess, tasked with keeping the secret of the supernatural world safe. When he gets called to a house of horrors he'd not visited in years, the last thing Jedrek expects to find is an out of control alpha lion who brings to life feelings he's never felt before.The mysteries of Nick's past collide with a powerful, evil force causing havoc in the supernatural world. Nick is convinced he can determine who is behind the current rash of dark magic--especially if he has the strength of a hellhound at his side. And if that hellhound is one he can't keep his mind or hands off? Well, that suits the lion instincts roaring back to life just fine.

Loving the Hellhound B. A. Stretke,2017-09-30 Loving The HellhoundVadin Labont is on a mission. He has been dispatched by his Vampire Coven Master to eliminate a rogue vampire who has broken every vampire code and has risked exposing vampire society to the human world. Florian Chamberlin sewed destruction wherever he went and earned the ire of the Dragons of Clan Keith in Laramie, risking the safety and good name of the Chamberlin Coven. With the permission of the Clan Keith Chieftain Calum Keith, Vadin and his two men are on the hunt for the rogue

vampire and will not fail in their mission. What Vadin isn't expecting is to find his beloved, his fate chosen love in the Clan Keith Lodge. Kyle Keith is everything Vadin never even knew he was dreaming of, a strong and intelligent Dragon Warrior. However, Vadin is pulled in two directions. He wants to claim his beloved and begin their life together, but he must find and destroy the dangerous rogue vampire before he strikes again. Vadin has secrets in his past that leave him vulnerable, and he wonders how can possibly hold it all together. When Kyle's life hangs in the balance, will Vadin reveal himself and save his beloved? It's been two years since one of the Clan Keith last found their mate. In that time the Clan has taken ownership of Laramie, Wyoming and have begun creating a sustainable and permanent life here in the High Plains of Wyoming. Kyle is eager to find his mate and wonders just who might be around the corner waiting for him. When the rogue Florian Chamberlin comes back to town, and the Chamberlin Coven comes to deal with him, Kyle is shocked to find his mate at the Vampire Master's side. Vadin Labont is every inch a warrior and Kyle can't take his eyes off the beautiful dark-skinned man. Using his tech skills, he finds out his mates deepest secrets, something that will come back to cause friction between him and his new love. Kyle will soon find himself in the greatest danger of his long life, and his only hope may be the dark-skinned man and his hellhound ancestry. Can Vadin save Kyle in time? Can a dragon love a hellhound? Fate doesn't make mistakes and love will always find a way.

The Hellhound Sample Charles Shaar Murray,2012-09-17 YOU DON'T NEED TO GO TO THE CROSSROADS TO MAKE A DEAL WITH THE DEVIL. THE CROSSROADS WILL COME TO YOU. James 'Blue' Moon, the greatest living bluesman, was ten years old when he saw Robert Johnson playing on a street corner. Now, more than seventy years later, he's dying of cancer. His last wish is to reunite his estranged family - his soul-diva daughter Venetia Moon and his grandson, hip-hop mogul Calvin 'Ice Blue' Holland - for one final album. Enter his former protégé, hapless British blues-rock superstar Mick Hudson, who has unfinished business with all three of them, plus a posse of vengeful gangstaz and a mysterious figure with whom Blue struck a deal one dark, bloody night at a haunted crossroads back in his native Mississippi Delta. It's a potent mix of secrets, nightmares and lies, spanning decades and continents. James 'Blue' Moon has one last chance to escape the hellhound on his trail ... if the cancer doesn't get him first. YOU NEVER GET OUT OF THESE BLUES ALIVE.

Hellhound II Suzanne Brodine,2020-06-22 Malak has fought long and hard for the humans who created him, but the war never seems to end. The longer he fights, the more he begins to question whether humanity deserves to defeat their alien enemy. Each loss makes him consider an alternative to the servitude he was genetically designed for. If he takes his Legion of genetically designed super soldiers out of the fight - how long can the Sol Coalition, and the human race, survive? Clara Maker is doing her best to make it through her first voluntary military service in the Coalition, but prejudice against Minty's like her - those without genetic modifications - makes even routine assignments unpleasant. The constant threat of death to herself and her friends would be easier to handle if she wasn't also carrying a secret. She knows the Legion exists, and that is knowledge that could get her killed off the field of battle.

As punishment for her transgression, Lilith orders Ava to track down the last soul in her reaper's ledger . . . or die trying. But after a hundred years of servitude, it's time for payback. And Hell hath no fury like an avenging Ava. . . .

Hellhounds of the Cosmos Clifford D. Simak, 2013-03-12 The paper had gone to press, graphically describing the latest of the many horrible events which had been enacted upon the Earth in the last six months. The headlines screamed that Six Corners, a little hamlet in Pennsylvania, had been wiped out by the Horror. Another front-page story told of a Terror in the Amazon Valley which had sent the natives down the river in babbling fear. Other stories told of deaths here and there, all attributable to the Black Horror, as it was called.

Lexicon Zu Shakespeares Werken Alexander Schmidt, 1874

Shakespeare's Religious Language R. Chris Hassel Jr., 2015-03-26 Religious issues and discourse are key to an understanding of Shakespeare's plays and poems. This dictionary discusses over 1000 words and names in Shakespeare's works that have a religious connotation. Its unique word-by-word approach allows equal consideration of the full nuance of each of these words, from 'abbess' to 'zeal'. It also gradually reveals the persistence, the variety, and the sophistication of Shakespeare's religious usage. Frequent attention is given to the prominence of Reformation controversy in these words, and to Shakespeare's often ingenious and playful metaphoric usage of them. Theological commonplaces assume a major place in the dictionary, as do overt references to biblical figures, biblical stories and biblical place-names; biblical allusions; church figures and saints.

Hellhound Rue Volley, 2018-10 Revisited and revised. We return to the Hellhound universe in which USA Today Bestselling Author, Rue Volley took the original version of Hellhound and turned it upside down. For fans of the original, be prepared. This book takes you back to the beginning with Halo Bay and gives you an entirely NEW journey. One in which you will never forget. Halo Bay has never had it easy. She lost her mother when she was a teenager. Her father is incarcerated, and her brother was taken in a terrible accident. She grew up in an abusive home only to continue that abusive cycle with a string of dangerous men who stepped in and out of her life. Until David Weller came along. David worked alongside her as a fellow nurse at Mercy General Hospital. Biding his time, testing her restraint and reminding her of how beautiful life could be. David was kind and giving. Everything she should have wanted but never felt like she deserved. Travis was dangerous and abusive. Something she understood all too well. One man would break her heart, the other, her body. But both would lead her down a path she never intended to walk on. A path filled with the hidden truths of an age-old war between heaven and hell. A battle between darkness and light. But is it real or does it only exist in her now damaged mind? Every legend has a dark past. This is her story and how the end became the beginning. I was left absolutely speechless! I loved the original series, but this... THIS is exceptional storytelling. Just when you thought this series couldn't get any better! Rue Volley took one of my all-time favorite stories and made it even better! My GOD! What can I say? Well, do yourselves a HUGE favor and get this book. Trust me, it's unbelievable. I can't wait to see where it goes from here. A quick hard read that left my jaw dropped. BRING IT ON, RUE! This author is an AUTOMATIC ONE CLICK for me. She moves from one genre to the next so effortlessly it's scary. OMG! Dorin. Enough said. Halo is the kind of woman that makes me stand up and take notice. BIG heart. BIGGER gun.
