2401 Objects Analogue,,Lewis Hetherington,Hannah Barker,Liam Jarvis,2012-06-18 2011 Fringe First Award Winner Henry, are you awake?" Henry lives each day like the last. Exactly like the last. Every day, he tries to make sense of the world around him; the girl sitting on the lawn outside his window, the pages of a book filled with the same sentence, the 80 year old man looking at him in the mirror. In 2009 Patient H.M.'s brain is dissected live on the internet to a global audience of 400,000 people, cut into carefully preserved slices: manuscripts of tissue like the pages of a book. In 1953 Henry Molaison emerges from experimental brain surgery without any recollection of the last two years of his life or the ability to form new memories. In 1935 nine-year old Henry is knocked over by a bike, leaving him unconscious for five minutes. Following Analogue's critically acclaimed Mile End and Beachy Head and inspired by the world's most important neuroscientific case-study, 2401 Objects tells the remarkable story of a man who could no longer remember, but who has proven impossible to forget.

**FINAL INNINGS** Sunil Gupta,2020-11-26 Final Innings is the story of five tumultuous years in the life of a successful and internationally admired Indian cricketer, Ramdas Upreti. It explores the depths of human desire and disillusionment, hope and regret, love and longing, and deep passions. Above all it is a story of extraordinary courage in the teeth of danger and adversity. A combination of extraordinary circumstances and coincidences on and off the cricket field conspire to rekindle Ramdas’ obsessions with contemporary global and subcontinental gridlocks. Three complex relationships add their own piquancy: with Anne, his ex-girlfriend, with Pakistani nurse Nargis, and the bond he develops with Nargis’ father, the Pakistani umpire Khalid Azam. Events now begin to overtake him, and his life slowly begins to unravel. These multiple strands eventually converge to create a stirring and memorable crescendo. Final Innings brings to life our world: the reality that subcontinental teams tend to struggle in the SENA countries, the fraught India-Pakistan relationship, the powder keg called Kashmir, terrorism, climate change and the environment. The plot unfolds over four ‘Innings’ like the build-up to the climax of a cliff-hanger Test Match. The action swings across India, Australia, England, Pakistan and the UAE. ‘Final Innings’ is a voyage deep into dark, choppy and uncharted waters. It is not about about the T-20 leagues, nor about corruption and match-fixing. It is a thought-provoking and deeply moving human story which happens to be set in the world of cricket.

*J.O.E. Big Adam*,Adam Big Adam,2009-12 Be nice Mr. Giant...please. In an independent parish somewhere in the southern Appalachian Mountains, a new leader suddenly comes to power following the unexplained death of his father. Promising change to the tiny hamlet, he orders a new decree put into effect with zero tolerance for opposition. What follows are some of the most horrifying images Big Adam has ever created. For four young officers, the new decree is nothing short of a ghastly nightmare. When they are ordered to assist in expanding the boundary of the parish, they discover something living in the mountains that not only violates the new law but is something they learn should be left alone. When the ruler decides otherwise, an unforgiving and revengeful disaster is unleashed upon the town. Inspired by his favorite monster movie and the demented perceptions that exist in modern society, Big Adam's eighth novel is a simplistic vision of a brutal atrocity and genuine horror that must never become a reality.
