**Herbie the Hamster Searches for Friends** Donald Pat Canuteson,2012-10-24 Why I Wrote Herbie the Hamster Searches for Friends When my children were young, we had several pets around the house. My oldest daughter, Leah, brought a hamster home from school, and the girls named him Herbie. Although Herbie lived in a hamster habitat, he managed to get out of the cage from time to time when someone forgot to close his cage door. As a father of four kids, I was always trying to teach them things I had learned during my life. I had witnessed how some people always believed they weren't good enough, or smart enough, or pretty enough, etc., so part of the story I tell in Herbie the Hamster is that a person's happiness comes from feeling good about himself or herself. I have also seen kids being mean to someone, or making wrong choices in life, and going down the wrong road. The other part of the story is to say that you need to pick your friends carefully, or you might head down the wrong path, too!

**Herbie the VW Beetle** Kenny Abdo,2023-12-15 This title explores Herbie the VW Beetle and gives information related to his origins, the media he has appeared in throughout the years, and the impact he has had on popular culture. Fly! is an imprint of Abdo Zoom, a division of ABD0.

**Herbie's Game** Timothy Hallinan,2014 It's everyday business when Wattles, the San Fernando Valley's top executive crook, sets up a hit. He establishes a chain of criminals to pass along the instructions and the money, thereby ensuring that the hitter doesn't know who hired him. Then one day Wattles finds his office safe open and a single item missing: the piece of paper on which he has written the names of the crooks in the chain. When people associated with the chain begin to pop up dead, the only person Wattles can turn to to solve his problem is Junior Bender, professional burglar and begrudging private eye for crooks. But Junior already knows exactly who took Wattles's list: the signature is too obvious. It was Herbie Mott, Junior's burglar mentor and second father--and when Junior seeks him out to discuss the missing list, he finds Herbie very unpleasantly murdered. Junior follows the links in the chain back toward the killer, and as he does, he learns disturbing things about Herbie's hidden

past. He has to ask himself how much of the life he's lived for the past twenty years has been of his own making, and how much of it was actually Herbie's game--

**Herbie the Hairy Monster** Colleen Driscoll, 2018-03-30 Herbie the hairy monster is in for a special treat! When Herbie tells three boys that his appearance frightens children, his new friends give him a makeover. After many snips and clips, Herbie makes a shocking discovery.
