Purple Hibiscus Chimamanda Ngozi Adichie, 2012-04-17 "One of the most vital and original novelists of her generation." –Larissa MacFarquhar, *The New Yorker* From the bestselling author of *Americanah* and *We Should All Be Feminists* Fifteen-year-old Kambili and her older brother Jaja lead a privileged life in Enugu, Nigeria. They live in a beautiful house, with a caring family, and attend an exclusive missionary school. They're completely shielded from the troubles of the world. Yet, as Kambili reveals in her tender-voiced account, things are less perfect than they appear. Although her Papa is generous and well respected, he is fanatically religious and tyrannical at home—a home that is silent and suffocating. As the country begins to fall apart under a military coup, Kambili and Jaja are sent

to their aunt, a university professor outside the city, where they discover a life beyond the confines of their father's authority. Books cram the shelves, curry and nutmeg permeate the air, and their cousins' laughter rings throughout the house. When they return home, tensions within the family escalate, and Kambili must find the strength to keep her loved ones together. *Purple Hibiscus* is an exquisite novel about the emotional turmoil of adolescence, the powerful bonds of family, and the bright promise of freedom.

Anna Hibiscus Atinuke, 2022-04-05 From acclaimed Nigerian storyteller Atinuke, the first in a series of chapter books set in contemporary West Africa introduces a little girl who has enchanted young readers. Anna Hibiscus lives in Africa, amazing Africa, with her mother and father, her twin baby brothers (Double and Trouble), and lots of extended family in a big white house with a beautiful garden in a compound in a city. Anna is never lonely—there are always cousins to play and fight with, aunties and uncles laughing and shouting, and parents and grandparents close by. Readers will happily follow as she goes on a seaside vacation, helps plan a party for Auntie Comfort from Canada (will she remember her Nigerian ways?), learns firsthand what it's really like to be a child selling oranges outside the gate, and longs to see sweet snow. Nigerian storyteller Atinuke's debut book for children and its sequels, with their charming (and abundant) gray-scale drawings by Lauren Tobia, are newly published in the US by Candlewick Press, joining other celebrated Atinuke stories in captivating

young readers.

In two homes, one in a distant shantytown, the other on the outskirts of a former sugar cane estate, two women hear the news and their blood runs cold. Rosa, the white daughter of a landowner, and Zuela, the adopted "daughter" of a Chinese shop owner used to play together as girls—and witnessed something terrible behind a hibiscus bush many years ago.

A Small Town Called Hibiscus Hua Gu, 1983 *A Small Town Called Hibiscus* is one of the best Chinese novels to have appeared in 1981. Its author Gu Hua was brought up in the Wuling Mountains of south Hunan. He presents the ups and downs of some families in a small mountain town there during the hard years in the early sixties, the cultural revolution, and after the downfall of the gang of four. He shows the horrifying impact on decent, hard-working people of the gang's ultra-Left line, and retains a sense of humor in describing the most harrowing incidents. In the end wrongs are righted, and readers are left with a deepened understanding of this abnormal period in Chinese history and the sterling qualities of the Chinese people.
