Diana Ault

Sunshine Sketch, Vol. 2 Ume Aoki,2013-12-17 Daily life at the Hidamari Apartments goes on as the girls continue their art studies. Trips to the zoo, onsen excursions, and school projects fill their days as Yuno, Miya, Sae, and Hiro's friendships deepen. Take another peek into the lives of these memorable art students in the second installment of Sunshine Sketch!

Sunshine Sketch, Vol. 9 Ume Aoki,2018-09-18 Yuno is thinking so hard about her future prospects, it's even haunting her dreams! But the cure for a furrowed brow is good friends, and the girls at Hidamari Apartments (including their newest tenant Matsuri!) aren't about to let Yuno stress out alone. Whether it's an unexpected encounter on a college visit, a swimsuit shopping adventure, or a school trip to Kyoto, Nara, and Osaka, the days are getting a little more out of the ordinary...and a lot more fun!

Sunshine Sketch, Vol. 7 Ume Aoki,2013-12-17 With Sae and Hiro staring their college entrance exams straight in the face, the underclassmen of Hidamari Apartments are reminded that their own graduation is just a short time away...but there's still plenty of time for the girls to make fun memories in the meanwhile!

Sunshine Sketch, Vol. 10 Ume Aoki,2021-10-05 The final summer vacation, the final sports festival, the final cultural festival...As Yuno's senior year at Yamabuki marches on, she becomes acutely aware of how precious these high school moments are. Even though the upcoming entrance exams weigh heavily on her, Yuno's not going to let these last months with her Hidamari friends go to waste! There's still plenty of time for sushi outings, pool parties, and stargazing—but maybe the bug catching is best left to Miyako...

Sunshine Sketch, Vol. 1 Ume Aoki,2013-12-17 Accepted to a high school specializing in the arts, Yuno moves into a nearby apartment complex to make her commute easier. Just a few days into her new routine, she quickly discovers that creativity doesn't end with the art school bell! Her neighbors - Sae, Hiro, and Miya -are all fellow students, and each has her own hilarious quirks. And eccentricity clearly rules this school; Yuno's homeroom teacher is a cosplay otaku and the principal is just...weird. Will the quiet Yuno be able to handle this creatively kooky cast of characters?

Sunshine Sketch, Vol. 5 Ume Aoki,2013-12-17 With the innocent first-years Nazuna-chan and Nori-chan rounding out the quirky cast of residents at the Hidamari Apartments, every day is shaping up to be quite...erm, interesting! When Yuno manages to lose a battle with a toilet for her house key, her clumsiness leads to, among other things, a sleepover, which in turn becomes something of a habit. But with homesickness making the rounds through Hidamari, school trips for some residents resulting in others being left to their own wacky devices, and the pressures of college entrance exams looming, a girl like Yuno can use all the dedicated friends and fun sleepovers she can get! Grab a pillow and settle in for another sunny, heartwarming romp through Hidamari!

Sunshine Sketch, Vol. 6 Ume Aoki,2013-12-17 Real life and growing up are bearing down fast upon the residents of the Hidamari apartments, but they're going to make time for one last summer together, full of fun in the sun! Amidst Yuno deciding on the topic of her self-assigned summer project and Sae and Hiro attending summer sessions to help focus their goals for life after high school, the girls will really have to go all out to make sure it's a summer they'll never forget!

Helen McCarthy was founding editor of Anime UK and editor of Manga Mania.

Sunshine Sketch, Vol. 3 Ume Aoki,2013-12-17 Hidamari Apartments is really starting to feel like home as Yuno, Miyako, Hiro, and Sae grow closer and closer through their daily adventures at art school-like sketching excursions, celebrating the holidays, and exploring the Seven Mysteries of Yamabuki High-while Yuno searches for the confidence within herself to become a great artist.

Sunshine Sketch, Vol. 4 Ume Aoki,2013-12-17 Nothing much has changed at the Hidamari Apartments for some time: Miyako's her usual, wacky self; Sae's still writing novels; Hiro's worrying about her weight; and Yuno's still as thoughtful and adorable as ever! But believe it or not, time has been passing, and Yuno starts thinking about what the future holds for her, her friends, and her art as graduation looms ever closer. The immediate future of the Hidamari residents, however, involves two new first-year neighbors - the shy, polite Nazuna, and outspoken computer whiz Nori! Do these newbies have any idea what they're in for?!

Sunshine Sketch, Vol. 8 Ume Aoki,2015-12-15 All good things must come to an end, and with Sae and Hiro's graduation, the two girls bid farewell to Hidamari Apartments. But they aren't the only ones who have to face the future head-on. Yuno, now in her third year, is struggling with career uncertainty herself! And when a new first-year, Matsuri, moves into the building and old friends make way for the new, how will timid Yuno handle her new role as senpai?!

Anime Rayna Denison,2015-10-22 Anime: A Critical Introduction maps the genres that have thrived within Japanese animation culture, and shows how a wide range of commentators have made sense of anime through discussions of its generic landscape. From the battling robots that define the mecha genre through to Studio Ghibli's dominant genre-brand of plucky shojo (young girl) characters, this book charts the rise of anime as a globally significant category of animation. It further thinks through the differences between anime's local and global genres: from the less-considered niches like nichijo-kei (everyday style anime) through to the global popularity of science fiction anime, this book tackles the tensions between the markets and audiences for anime texts. Anime is consequently understood in this book as a complex cultural phenomenon: not simply a "genre," but as an always shifting and changing set of texts. Its inherent changeability makes anime an ideal contender for global dissemination, as it can be easily re-edited, translated and then newly understood as it moves through the world's animation markets. As such, Anime: A Critical Introduction explores anime through a range of debates that have emerged around its key film texts, through discussions of animation and violence, through debates about the cyborg and through the differences between local and global understandings of anime products. Anime: A Critical Introduction uses these debates to frame a different kind of understanding of anime, one rooted in contexts, rather than just texts. In this way, Anime: A Critical Introduction works to create a space in which we can rethink the meanings of anime as it travels around the world.

Starting Out Kaiya Kokoro,2015-01-25 Your complete anime persona takes account of your unique personality and appearance, and develops and accentuates those traits which have a natural place in an anime life. Your individual characteristics, aside from being developed in alignment with your ideal anime life, are also contrasted with a group of friends, each also committed to developing an anime lifestyle and persona. Together, individual similarities and differences help create a dynamic and fun group environment. And since no anime lifestyle is complete without some exciting plot-line, the group is put into action going on adventures, working on projects, and achieving goals together. In chapter 1, you will take several quizzes to help you determine what anime personality traits you have. This will help you find your niche among the friends who will take the anime dream to the next level, providing a context for your individual character to be fully realized. In chapter 2, you will learn how you can bring the anime dream to it's ultimate manifestation by structuring your group around a Group Focus. The Group Focus serves as a kind of plot-line within which talents will be realized and adventures will be had. In chapter 3, you'll learn how to plan exciting adventures. From fun afternoons to overnight trips - adventures of all sorts are discussed in detail, as well as how to make them affordable and safe. Chapter 4 discusses ways to add anime magic to holidays. In addition to traditional Western holidays that are also celebrated in Japan, common Japanese holidays, celebrated in Japan and in anime, will be discussed. We will review ways to incorporate those holidays in your life through small celebrations with your friends. Chapter 5 discusses group projects - activities that you and your friends can work on together such as making a group photo book, sewing costumes, and making anime style accessories. There is even a how-to guide for creating anime-like photos.
