Hijikata Tatsumi and Ohno Kazuo Sondra Fraleigh,Tamah Nakamura,2017-12-14 Now re-issued, this compact book unravels the contribution of one of modern theatre's most charismatic innovators. Hijikata Tatsumi and Ohno Kazuo combines: • an account of the founding of Japanese butoh through the partnership of Hijikata and Ohno, extending to the larger story of butoh's international assimilation • an exploration of the impact of the social and political issues of post-World War II Japan on the aesthetic development of butoh • metamorphic dance experiences that students of butoh can explore • a glossary of English and Japanese terms. As a first step towards critical understanding, and as an initial exploration before going on to further, primary research, Routledge Performance Practitioners are unbeatable value for today's student.

How to Draw Japanese Manga Characters from Gintama Book 5 Yumeji Yamamoto,2017-02-03 Gintama is about Sakata Gintoki, who is a samurai in an age where samurai's have been deemed unnecessary by the aliens who have taken over. Gintama is a masterclass in comedy writing and variety; a series that grows in originality with each passing episode, so inventive and fresh, dynamic and interesting, it's no wonder it has become one of Sunrises' flagship series, not to mention a mainstay of Shounen Jump. This book contains step by step instructions of how to draw your favorite Gintama Characters in a picture book format. All the steps are visually depicted in a very detailed manner and are self explanatory. Hence there are no written instructions required. Art grids are used to help improve your work by breaking down intimidating imagery into more manageable portions. You will learn to draw the following characters:Learn To Draw Chin Pirako, Hachirou, Hijikata Toshiro, Janki Akage, Kawakami Bansai, Kujaku Hime Kada, Minamito Sui, Obi Hajime, Prince Hata, Seita, Tama, Toujou Ayumu and Yamazaki Sagaru.We hope that you enjoy this book.

Hechos virtuales. Con A de Animación 18 María Lorenzo Hernández,2024-03-25 Lo virtual, lo digital, lo irreal, se confronta hoy con lo real, lo factual. Como no puede ser de otro modo, cuando el simulacro está tan bien hecho, ya no tenemos medios para distinguir lo real de lo imaginario. El título Hechos virtuales lanza un malicioso guiño a los “hechos alternativos” que defienden los (falsos) profetas de las postverdad. El presente número de Con A de animación arranca con la firma invitada de Nea Ehrlich, la autora de *Animating Truth: Documentary and Visual Culture in the 21st Century* (2021); en su artículo “El auge de la no ficción animada: contexto tecnocultural” lanza preguntas necesarias para comprender la actual vigencia de la animación documental, directamente relacionada con la virtualización de la cultura. Entre los contenidos de Investigación figuran : “El imperio no contraataca. Propaganda y dibujo animado en Alemania (1939-1945)”, de José M^a de Luelmo Jareño; “La adaptación al anime de los cuentos de hadas como herramienta de japonización: el caso de Belle”, por Mireya Vicent-Ibáñez, Tamara Antona-Jimeno y Joseba Bonaut-Iriarte; “Del Videojuego al Anime: Hakuoki Shinsengumi Kitan y la modelización de la cultura otaku”, por Florencia Mauna; “El proceso creativo detrás de la física y mecánica del movimiento animado”, de Ángel-José F. Lamosa y Vicente López-Chao; y por último, “Animación en los entornos inmersivos: ampliación de las teorías de la autenticidad en contextos educativos, históricos y políticos”, de Hannes Rall, Emma Harper y Wibke Weber.

The Routledge Companion to Butoh Performance Bruce Baird, Rosemary Candelario, 2018-09-03 The Routledge Companion to Butoh Performance provides a comprehensive introduction to and analysis of the global art form butoh. Originating in Japan in the 1960s, butoh was a major innovation in twentieth century dance and performance, and it continues to shape-shift around the world. Taking inspiration from the Japanese avant-garde, Surrealism, Happenings, and authors such as Genet and Artaud, its influence can be seen throughout contemporary performing arts, music, and visual art practices. This Companion places the form in historical context, documents its development in Japan and its spread around the world, and brings together the theory and the practice of this compelling dance. The interdisciplinarity evident in the volume reflects the depth and the breadth of butoh, and the editors bring specially commissioned essays by leading scholars and dancers together with translations of important early texts.

Draw Manga Boys in Simple Steps (Book 5) Shizuo Kubo, 2018-03-11 The pleasure of creating a manga character is immeasurable. The act of building and developing a character is not just linked to the construction of the figure: each character has its own shape, personality and attributes. The artist must take into consideration these qualities in order to build a character that is plausible in the eye of the audience. To get some inspiration, have a look at the lessons to draw hundreds of Characters from Blossom Art Studio. This book contains step by step instructions of how to draw your favorite manga Characters from Anime Boys in a picture book format. Art grids are used to help improve your work by breaking down intimidating imagery into more manageable portions. The grid basically divides the original image into smaller blocks so that you can more easily see what belongs where. This can help you create more natural, effortless artwork, and increase your understanding of shapes, composition and color. The grid method has been used by artists for centuries as a tool to creating correct proportions. In this book you will learn to draw following characters: Alpha A. Bate, Ayato Kirishima, Doppo Kunikida, Hijikata Toshiro, Jaden Yuki, Kenny, Licht Jekyll and Todoroki, Maruyama, Misogi Kumagawa, Sakuya Watanuki, Souta Higurashi, Yohei. All the steps in this book are visually depicted in a very detailed manner and are self explanatory. Hence there are no written instructions required. I hope that you enjoy this book.

The Routledge Companion to Studio Performance Practice Franc Chamberlain, Bernadette Sweeney, 2021-11-29 The Routledge Companion to Studio Performance Practice is a unique, indispensable guide to the training methods of the world's key theatre practitioners. Compiling the practical work outlined in the popular Routledge Performance Practitioners series of guidebooks, each set of exercises has been edited and contextualised by an expert in that particular approach. Each chapter provides a taster of one practitioner's work, answering the same key questions: 'How did this artist work? How can I begin to put my understanding of this to practical use?' Newly written chapter introductions put the exercises in context, explaining how they fit into the wider methods and philosophy of the practitioner in question. All 21 volumes in the original series are represented in this volume.

Ju-On: The Grudge Marisa Hayes, 2017-04-04 Takashi Shimizu's Ju-on franchise was a principal instigator in the rise of contemporary Japanese horror and its international popularity at the turn of the millennium. Following the success of Hideo Nakata's *Ringu* (1998), the first cinematic release of Ju-on: The Grudge in 2002 crystallized Japanese horror's rise to prominence and outlined the new decade's thematic interest in supernatural technology and fear of contagions, while skillfully navigating domestic social concerns, such as Japan's growing elderly population and domestic violence. This Devil's Advocate explores the production roots of Ju-on The Grudge, followed by a critical reading of the film that highlights its

essential themes and motifs, in addition to a section on cultural influences, before concluding with a section on Shimizu's continued involvement with the Ju-on franchise and its ongoing legacy. The book serves as an excellent primer for readers without prior knowledge of Japanese horror or the Ju-on film cycle, while providing fresh perspectives on the film that makes it equally appealing to J-horror aficionados.

Japan Trade Directory ,2000 Provides information on Japanese companies, products and services and includes brief overviews giving demographic, business, and tourist information for all Japanese prefectures

The Sesqui-centennial International Exposition Erastus Long Austin,Odell Hauser,1929

Japanese Art After 1945 Alexandra Munroe,1994-09-30 This provocative book, the first in English on Japanese avant-garde art after 1945, is the catalogue of the most ambitious exhibition of its kind. It surveys some 200 works--from painting and sculpture to performance and video--by more than 100 artists. The exhibition comes to the Guggenheim Museum, New York, in September. Over 445 illustrations, 200 in full color.
