Can you and Cinder make it to happily ever after? For fans of the #1 New York Times-bestselling author Marissa Meyer, this is the ultimate interactive celebration of all things Lunar Chronicles. A Perfect Ten Linda Kage,2019-12-17 Let your hair down, Caroline, they said. It'll be fun, they said. I know I've closed myself off in a major way in the past year, ever since “the incident” where I messed up my life completely. It's past time I try to live again or just give up completely. But this is quite possibly the craziest thing I've ever done. In a last ditch effort to invigorate myself, I'm standing outside Oren Tenning's bedroom, I just peeled off the sexiest pair of underwear I own, and my hand is already raised to knock. My brother would disown me for doing anything with his best friend, and he'd probably kill Oren. But if I play my cards right, no one will ever know about this. Not even Ten. Maybe after tonight, I’ll finally get over this stupid, irrational crush I hate having on the biggest jerk I’ve ever met. Or maybe I’ll just end up falling for him even harder. Maybe I’ll discover there’s so much more to my crude, carefree hunk than meets the eye.

Puella Magi Oriko Magica, Vol. 1 Magica Quartet,2015-05-19 Oriko, a magical girl with the gift of foresight, knows the fate that awaits all who accept Kyubey's offer of supernatural powers. But when she is struck with a terrible vision of the future-of the devastation caused by a single, powerful witch-she decides to prevent the girl from becoming a magical girl in the first place. To draw Kyubey away from the girl's potential, Oriko directs him instead to Yuma, an orphan who is all too eager to gain powers that will enable her to protect herself-powers that will ultimately lead to her own destruction...

Skip[]Beat!, Vol. 31 Yoshiki Nakamura,2014-01-28 Ren is fighting to keep himself under control, but living as Cain Heel and simultaneously building the character BJ are really wearing him down. Kyoko is getting really worried, but even President Lory can’t do more than encourage her to support Ren. Can Kyoko’s own dark side give her the insight to help her friend, or will she be forced to watch as he self-destructs?! -- VIZ Media

The Solitary Gourmet Masayuki Kusumi,2022-04-26 THOUGHT FOR FOOD This is the book in which nothing happens but everything is consumed! Like 'The Walking Man' at lunch!! What do we learn about Mister Inogashira? He's a sole, independent trader importing household and fashion goods from France. He is always busy but never rushed as he travels around Japan selling his wares. He's a private person who, whilst he enjoys the company of women, prefers to remain a bachelor. He smokes cigarettes but never touches alcohol. But above all, he enjoys his food! He is The Solitary Gourmet! Each of the thirty-two chapters explores another dish in another restaurant in another part of town - from Tokyo to Tottori, from Osaka to hospital (yes!) and even ventures to an Algerian restaurant in Paris, eating and observing. This volume collects all 32 chapters serialized over two decades (originally in Fusosha's monthly 'Panja' magazine) and includes the special hospital chapter. Like an exquisite meal, this book should be savored over and over again.
