Hitman: Enemy Within William C. Dietz,2007-08-28 The clone assassin has been played long enough—now it's more than a game. Bred to kill, Agent 47 is The Agency's most valuable assassin. So when a competing murder-for-hire organization decides to destroy The Agency, the first person they target for elimination is Agent 47. Tasking someone to off the best hitman in the business is one thing; getting the job done is another. When the attempt falls short, Agent 47 is ordered to track down and kill the culprit who is feeding vital information about The Agency to its enemies. Agent 47 must follow a bloody trail halfway around the world, fight his way through the streets of Fez, Morocco, and battle slavers deep inside Chad. Then he will discover a shattering truth: If he fails at his mission, the price he'll pay will be far greater than his own life. . . .

Agent 47: Birth Of The Hitman Vol. 1 Christopher Sebela,2019-01-16 47 and his handler, Diana Burnwood, are a team responsible for some of the most ruthless, efficient and untraceable assassinations across the globe. But before they were operatives of the shadowy International Contracts Association, 47 and Burnwood were on their own separate paths in life - streets lined with blood, bullets and revenge. As 14-year-old Diana begins a mission to track down the people who killed her parents, 47 is struggling to free himself and his friend, 6, from the mysterious Institute which has bred them as killers since they were kids. With a story that stretches from the heartland of America to the Berlin Wall, Lone Wolves will trace the birth of the legendary Hitman and the secret past of the woman behind him who pulls the string and knows just how hard taking a life truly is.

Enemy Within William C. Dietz,2007 When a murder-for-hire organization decides to destroy their rival, The Agency, they try to take out The Agency's top assassin, Agent 47, who must trust no one and outwit devious enemies in order to survive, in this novel based on a video game.

Hitman David Foster,2009-12-01 After almost four decades in the music business, David Foster -- producer, arranger, songwriter, performer -- is finally ready to talk. In this compelling and outspoken memoir, Foster shares some of his incredible stories: the first time he met Barbra Streisand, as a young session player in Los Angeles; his first of 15 Grammys® for After the Love Has Gone, Earth, Wind & Fire's memorable hit; the making of Unison, Celine Dion's English-language debut; the challenges he faced on his way to putting the group Chicago back on the charts; his award-winning contribution to Unforgettable: With Love, Natalie Cole's comeback album; those back-to-back recording sessions with Madonna and Michael Jackson; and the incredible chain of events that spawned Whitney Houston's historic blockbuster, I Will Always Love You. Foster has worked with superstars of every decade, including: Celine Dion - Josh Groban - Whitney Houston - Michael Bublé - Barbra Streisand - Andrea Bocelli - Madonna - Michael Jackson - Natalie Cole - George Harrison - Earth, Wind & Fire - *NSYNC - Chicago - Paul McCartney - All-4-One - Katharine McPhee - Toni Braxton - Alice Cooper - Olivia Newton-John - Michael Bolton ...and many more. From his unique and privileged vantage point, Foster describes the delicate balancing act between artist and producer, offers revealing portraits of some of those artists at work, and shares his secrets for success in the maddeningly fickle music industry. At its heart, this is the story of a boy with perfect pitch who grew up to become one of the most influential musical forces of our time -- the solid

gold hitman who produced the soundtrack of our lives.

Hitman: Damnation Raymond Benson, 2012-10-30 THE OFFICIAL, ALL-ORIGINAL, ALL-OUT THRILLING PREQUEL TO THE MUCH-ANTICIPATED NEW GAME HITMAN: ABSOLUTION Since the devastating conclusion of Hitman: Blood Money, Agent 47 has been MIA. Now fans awaiting the return of the blockbuster videogame and film phenomenon can pinpoint the location of the world's most brutal and effective killer-for-hire before he reemerges in Hitman: Absolution. When the Agency lures him back with a mission that will require every last ounce of his stealth, strength, and undercover tactics, they grossly underestimate the silent assassin's own agenda. Because this time, Agent 47 isn't just going to bite the hand that feeds him. He's going to tear it off and annihilate anyone who stands in his way.

As 14-year-old Diana begins a mission to track down the people who killed her parents, the one responsible, 47, is struggling to free himself and his brother, 6, from the mysterious Institute which has bred them as killers since they were kids. The Hitman Katrina Jackson,2020-08-08 Zahra What would you do if you found out that your fiancé cheated on you the night before your wedding with a reality tv exotic dancer? What if you found out that they'd had a threesome with your best friend, who was also your maid of honor? What if you discovered all of this on the morning of your wedding with a camera for your own reality tv show pointing at your face? Let me tell you what I do. I punch her. I punch him. And then I run away to Italy on what should have been my honeymoon alone, with my ex's stolen credit cards. I just want to drink all the wine and cry myself to sleep at night, but I can't even do that in peace. Giulio I deserve this holiday. I worked hard for it. I killed for it. Literally. But the woman next door won't stop crying and it's keeping me awake at night. When I go to confront her... Well, let's just say things don't go to plan. Not that I'm complaining. And I know my life is chaotic, but even I can't predict the armed man who shows up to kill me or the fact that I've somehow ended up on the run with the weepy goddess from the penthouse suite. It's a mistake to bring Zahra along, but I want to keep her safe. I want to keep her with me. Also, try as I might, I can't tell her no and mean it. Besides, I'm beginning to suspect that I might have the guns, but I'm not running this show; she is, and she's damn sexy while doing it. The Mastermind Evan Ratliff, 2019-01-29 The incredible true story of the decade-long quest to bring down Paul Le Roux—the creator of a frighteningly powerful Internet-enabled cartel who merged the ruthlessness of a drug lord with the technological savvy of a Silicon Valley entrepreneur. “A tour de force of shoe-leather reporting—undertaken, amid threats and menacing, at considerable personal risk.”—Los Angeles Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • NPR • Evening Standard • Kirkus Reviews It all started as an online prescription drug network, supplying hundreds of millions of dollars' worth of painkillers to American customers. It would not stop there. Before long, the business had turned into a sprawling multinational conglomerate engaged in almost every conceivable aspect of criminal mayhem. Yachts carrying \$100 million in cocaine. Safe houses in Hong Kong filled with gold bars. Shipments of methamphetamine from North Korea. Weapons deals with Iran. Mercenary armies in Somalia. Teams of hit men in the Philippines. Encryption programs so advanced that the government could not break them. The man behind it all, pulling the strings from a laptop in Manila, was Paul Calder Le Roux—a reclusive programmer turned criminal genius who could only exist in the networked world of the twenty-first century, and the kind of self-made crime boss that American law enforcement had never imagined. For half a decade, DEA agents played a global game of cat-and-mouse with Le Roux as he left terror and chaos in his wake. Each time they came close, he would slip away. It would take relentless investigative work, and a shocking betrayal from within his organization, to catch him. And when he was finally caught, the story turned again, as Le Roux struck a deal to bring down his own organization and the people he had once employed. Award-winning investigative journalist Evan Ratliff spent four years piecing together this intricate puzzle, chasing Le Roux's empire and his shadowy henchmen around the world, conducting hundreds of interviews and uncovering thousands of documents. The result is a riveting, unprecedented account of a crime boss built by and for the digital age. Praise for The Mastermind “The Mastermind is true crime at its most stark and vivid depiction. Evan Ratliff's work is well done from beginning to end, paralleling his investigative work with the work of the many federal agents developing the case against LeRoux.”—San Francisco Book Review (five stars) “A wholly engrossing story that joins the worlds of El Chapo and Edward Snowden; both disturbing and memorable.”—Kirkus Reviews (starred review)

The New Confessions of an Economic Hit Man John Perkins, 2016-02-09 Featuring 15 explosive new chapters, this new edition of the New York Times bestseller brings the story of Economic Hit Men up-to-date and, chillingly, home to the U.S.—but it also gives us hope and the tools to fight back. Former economic hit man John Perkins shares new details about the ways he and others cheated countries around the globe out of trillions of dollars. Then

he reveals how the deadly EHM cancer he helped create has spread far more widely and deeply than ever in the US and everywhere else—to become the dominant system of business, government, and society today. Finally, he gives an insider view of what we each can do to change it. Economic hit men are the shock troops of what Perkins calls the corporatocracy, a vast network of corporations, banks, colluding governments, and the rich and powerful people tied to them. If the EHMs can't maintain the corrupt status quo through nonviolent coercion, the jackal assassins swoop in. The heart of this book is a completely new section, over 100 pages long, that exposes the fact that all the EHM and jackal tools—false economics, false promises, threats, bribes, extortion, debt, deception, coups, assassinations, unbridled military power—are used around the world today exponentially more than during the era Perkins exposed over a decade ago. As dark as the story gets, this reformed EHM also provides hope. Perkins offers specific actions each of us can take to transform what he calls a failing Death Economy into a Life Economy that provides sustainable abundance for all.

Then, a vindictive mob boss from Tommy's past puts a contract out on him. With his friends caught in the crossfire, Tommy must find a way to take out the hired assassin and exact retribution against the mafia head. But even with his extraordinary powers, the Hitman may find that a trained killer and a mob army is just too much for one man. Collects issues #4-8 and HITMAN ANNUAL #1.
