Gotterdammerung/Twilight of Gods Richard

Wagner,2018-01-01 Richard Wagner's fifteen-hour operatic cycle

The Ring of the Nibelung ends with this great music drama.

Michael Tanner's essay tackles the scale and meaning not just of this work but of Wagner's whole undertaking, showing that

Goetterdaemmerung is - for all its length - his fastest-moving

drama. Composer Robin Holloway brings the focus of creative genius to his discussion of the score, while Christopher Winkle's

article analyses Brunnhilde's concluding monologue. The ninety

numbered musical themes of the Thematic Guide are cross-

referenced to the other Ring guides.Contents: An Introduction to

Te Rautakitahi o Tuhoe ki Orakau Pou Temara, 2023-03-09

Rautakitahi o Tuhoe ki Orakau is an account of Tuhoe involvement in the battle of Orakau in the New Zealand wars by Sir William Te Rangihua & 'Pou' Temara. Written in te reo Maori and based on oral sources, Ta Pou asks the big questions about the Tuhoe men and women who went to fight with Ngati Maniapoto at Orakau. Who were they? Why did they go and what did they do there? What was the nature of their alliance with Ngati Maniapoto? Ta Pou gives this account as a man from Ruatahuna, where most of the Tuhoe who went to Orakau came from, through the stories told to him by his grandfather, great-grandmother and other kuia and koroua when he was young. He tells the story of Rewi Maniapoto visiting Tuhoe at Ruatahuna in 1862 and 1864 to ask if Tuhoe would become involved in the war to help Ngati Maniapoto and the King movement. He recounts the warriors, women and children who went, and then tells what happened to their authority and reputation in Tuhoe after the party returned, defeated, from Orakau. The book includes significant Tuhoe whakapapa for those who went to Orakau. Ta Pou compares his account of events to those of Pakeha writers like Elsdon Best, Judith Binney and Vincent O' Malley. This is a major new account of a key episode in

the New Zealand wars written by one of our leading Maori thinkers and writers.

Roar, Squeak, Purr Paula Green, 2022-10-05 A marvellous menagerie of more than 200 animal poems by Aotearoa's best writers, ROAR SQUEAK PURR shows just how fun poetry can be, and is sure to inspire a new generation of poets. In between the covers of this book you will meet creatures large and small. They might pad, or skitter, swoosh or soar. They could be fuzzy, feathery, suckery, scaly or spiky. These animals might ROAR or squeak or Purrrrrrrrrr. Just like the animals they are about, these poems come in all shapes and sizes! They tell stories, pose questions, make us feel things - and they all make glorious music. If your kids think poetry isn't for them, Roar Squeak Purr will cure that thought forever! This exuberant treasury brings together over 200 animal poems by New Zealand's best writers, many of them written by children. The poems were selected and edited by champion poet Paula Green, winner of the Prime Minister's Award for Poetry and creator of the popular Poetry Box blog, and teamed with Jenny Cooper's cheeky, whimsical and adorable illustrations.

Roar Squeak Purr is destined to be a family treasure - and to inspire a new generation of poets.

Wagner's Ring of the Nibelung: A Companion Barry

Millington, Stewart Spencer, 1993-08-17 Scrupulous . . . planned and executed with quite unusual care. —Opera There has long been a need for a modern English translation of Wagner's Ring—a version that is reliable and readable yet at the same time is a true reflection of the literary quality of the German libretto. This acclaimed translation, which follows the verse form of the original exactly, fills that niche. It reads smoothly and idiomatically, yet is the result of prolonged thought and deep background knowledge. The translation is accompanied by Stewart Spencer's introductory essay on the libretto and a series of specially commissioned texts by Barry Millington, Roger Hollinrake, Elizabeth Magee and Warren Darcy that discuss the cycle's musical structure, philosophical implications, medieval sources and Wagner's own changing attitude to its meaning. With a glossary of names, a review of audio and video recordings, and a select bibliography, the book is an essential complement to Wagner's great epic.

Jesus of Nazareth and Other Writings Richard

Wagner, 1995-01-01 Near the end of his life, Richard Wagner supervised the publication of his collected writings, providing an extensive view of his thoughts about art and politics from his youth

to his final period of triumph. After his death, there was still more to be told: his admirers discovered a large number of writings he had forgotten, misplaced, never published, or had chosen to omit from his collected works. This volume, the last of eight volumes now reprinted by the University of Nebraska Press, collects the most illuminating of those works. øThe title work, "Jesus of Nazareth," was written in 1848 or 1849; its composition coincided with the most widespread revolutionary ferment seen in Europe. It expresses Wagner's own revolutionary ideals, thoroughly justified (or so he thought) by Jesus and the early Church. At the time Wagner considered Jesus as a revolutionary leader whose struggles with authority and traditions were much like his own. The opening work is "Siegfried's Death," a poem written in 1848 that set the tone for his most famous operatic work, the tetralogy *Der Ring des Nibelungen*. Whole sections of the poem were later incorporated into the fourth Ring opera, *Götterdämmerung*, but the differences are as revealing as the carryover. øThe essays that Wagner published in journals but saw fit to exclude from his *Gesammelte Schriften* might have embarrassed the elderly sage but are key documents to Wagner's activities in his revolutionary period. For example, his ardently prorevolutionary essay, "The

Revolution,? would have displeased the wealthy patrons of his later years.øThis edition includes the full text of volume 8 of the translation of Wagner?s works published in 1899 for the London Wagner Society.
