History of Holland George Edmundson,2018-09-21 Reproduction of the original: History of Holland by George Edmundson

Holland and Its Neighbors ,2004 Holland and Its Neighbors offers a glimpse of bygone times in a rural area of northeastern Vermont along the Canadian border. Holland is typical of many rural small towns. Its neighboring Canadian towns and Norton, Derby, Morgan, and Charleston, Vermont, have familial, geographical, and historical connections that give the area a unique and cohesive culture. Mills and lumber-related businesses were established early, and as land was cleared, farming also became an important way of life. Holland and Its Neighbors includes photographs of loggers and mill workers, while images of horse-drawn equipment and horse-powered machinery illustrate hard work and long hours on hardscrabble farms. Interesting community characters such as Big Jack, peddler Jabez, fortuneteller Marie, hermit Scotty, and Haw Tabor are also pictured.

Steve Holland: The World's Greatest Illustration Art Model Michael Stradford,2021-11-19 STEVE HOLLAND: The World's Greatest Illustration Art Model is a visual celebration of the career of the most iconic male model whose face and form were recognized on paperbacks (Doc Savage, The Spider among others), magazines (Male, For Men Only, and more), comic books (The Phantom, Conan, and The Hulk), advertising illustration (The Saturday Evening Post), and even television (1950's Flash Gordon) from the fifties through the eighties. For many growing up in this era, Steve Holland was the face and muscle of male heroism - the archetypal hero that all men could aspire to be. Featuring exclusive biographical material and memorabilia from his family, interviews with the world-famous commercial illustrators who captured his dynamic sensibility, the colorful paintings and covers, and rare reference photos; STEVE HOLLAND: The World's Greatest Illustration Art Model is the definitive story of a true American icon whose impact on pop culture was limitless - right up until his death. For over thirty years Steve Holland wore the crown of male heroism. STEVE HOLLAND: The World's Greatest Illustration Art Model will show you what made him king.

Road Map to Holland Jennifer Graf Groneberg,2008-04-01 An exceptional memoir that provides emotional insight and practical advice. It's like planning a trip to Italy, only to get off the plane and discover you're actually in Holland. You need a new road map, and fast... When Jennifer Groneberg and her husband learned they'd be having twin boys, their main concern was whether they'd need an addition on their house. Then, five days after Avery and Bennett were born, Avery was diagnosed with Down syndrome. Here, Jennifer shares the story of what followed. She dealt with doctors-some who helped, and some who were disrespectful or even dangerous. She saw some relationships in her life grow stronger, while severing ties with people who proved unsupportive. And she continues to struggle to find balance in the hardships and joys of raising a child with special needs. This book is a resource, a companion for parents, and above all, a story of the love between a mother and her son-as she learns that Avery is exactly the child she never knew she wanted.

HappiNest Judy Holland,2020-02-15 An empty nest does not have to be an empty life. Judy Holland shows you how to get back in touch with yourself, your partner, your life, AND your kids when the house is less-populated. The transition to the empty nest creates a void that can catapult you into existential crisis. Your zeal for climbing the career ladder, striving for social status, and collecting material things starts to subside, as is common in middle age. Friends and relatives may suffer from illness or pass away, bringing jarring reminders of mortality that trigger a need to make sense of it all. HappiNest helps you traverse this passage with grace by distilling the latest social science research and drawing from hundreds of interviews with those who have gone before you. Whether you're seeking a renaissance in your romantic relationship, dealing with a boomerang child at home, or figuring out how to support aging parents, this book is for you. HappiNest explores a variety of challenges that arise when the house is suddenly empty or emptying, and Judy Holland provides tips and tools for managing the emotions and realities of this new life stage. From dealing with friends, career transitions, rekindling love or leaving a marriage, to reconnecting with genuine interests and passions, this road map will help guide you. There are hills, valleys, thickets, briar patches, and ditches ahead, as well as waterfalls that resolve into pristine ponds. With mindfulness, hard work, and knowledge of experiences, research, and wisdom from seasoned empty nesters, you can create the most golden phase of your life.

Holland's Life of Abraham Lincoln Josiah Gilbert Holland,1998-01-01 Soon after the assassination of President Lincoln in April 1865, newspaper editor Josiah Gilbert Holland traveled to Illinois to talk with people who had known Abraham Lincoln back when. In 1866 Holland published the earliest full-scale life of the fallen leader. A great popular success, Holland's biography introduced American readers who were hungry for personal information about Lincoln's early life to some of the most famous and enduring Lincoln stories. From Holland the reader learned about Lincoln making restitution for a ruined book, the railsplitter earning his first silver dollar, the millhorse's kick to his head, the wrestling match with Jack Armstrong. Holland relayed homey stories about the young Illinois legislator and lawyer and poignant ones about the president during the dark days of the Civil War. Holland was one of the earliest biographers of Lincoln to insist that Lincoln had always opposed slavery and had planned consistently for emancipation. Most debatable, from the viewpoint of some later historians, Holland demonstrated that Lincoln was eminently a Christian President. To understand the sixteenth president and the making of his public image, it is necessary to begin with Holland's Life of Abraham Lincoln. J. G. Holland (1819-1881) was editor-in-chief of the Springfield (Mass.) Republican and founder of Scribner's Monthly. Introducer Allen C. Guelzo is the author of The Crisis of the American Republic: A History of the Civil War and Reconstruction Era. He is Grace F. Kea Professor of American History and chair of the History Department at Eastern College in Pennsylvania.

Havenfall Sara Holland,2020-03-03 Vibrant. – Emily A. Duncan, New York Times bestselling author of Wicked Saints An enchanting and thrilling contemporary fantasy. – Brigid Kemmerer, New York Times bestselling author of A Curse So Dark and Lonely A safe haven between four realms. The girl sworn to protect it--at any cost. New York Times bestselling author Sara Holland crafts a breathtaking new contemporary fantasy perfect for fans of Melissa Albert and Holly Black. Hidden deep in the mountains of Colorado lies the Inn at Havenfall, a sanctuary that connects ancient worlds--each with their own magic--together. For generations, the inn has protected all who seek refuge within its walls, and any who disrupt the peace can never return. For Maddie Morrow, summers at the inn are more than a chance to experience this magic first-hand. Havenfall is an escape from reality, where her mother sits on death row accused of murdering Maddie's brother. It's where Maddie fell in love with handsome Fiorden soldier Brekken. And it's where one day she hopes to inherit the role of Innkeeper from her beloved uncle. But this summer, the impossible happens--a dead body is found, shattering everything the inn stands for. With Brekken missing, her uncle gravely injured, and a dangerous creature on the loose, Maddie suddenly finds herself responsible for the safety of everyone in Havenfall. She'll do anything to uncover the truth, even if it means working together with an alluring new staffer Taya, who seems to know more than she's letting on. As dark secrets are revealed about the inn itself, one thing becomes clear to Maddie--no one can be trusted, and no one is safe . . . Sara Holland takes the lush fantasy that captured readers in Everless and Evermore and weaves it into the real world to create a wholly captivating new series where power and peril lurk behind every door.
