

Homer

Joachim Latacz

Homer Andrew Ford, 2019-03-15 Andrew Ford here addresses, in a manner both engaging and richly informed, the perennial questions of what poetry is, how it came to be, and what it is for. Focusing on the critical moment in Western literature when the heroic tales of the Greek oral tradition began to be preserved in writing, he examines these questions in the light of Homeric poetry. Through fresh readings of the Iliad and the Odyssey, and referring to other early epics as well, Ford deepens our understanding of what poetry was at a time before written texts, before a developed sense of authorship, and before the existence of institutionalized criticism. Placing what is known about Homer's art in the wider context of Homer's world, Ford traces the effects of the oral tradition upon the development of the epic and addresses such issues as the sources of the poet's inspiration and the generic constraints upon epic composition. After exploring Homer's poetic vocabulary and his fictional and mythical representations of the art of singing, Ford reconstructs an idea of poetry much different from that put forth by previous interpreters. Arguing that Homer grounds his project in religious rather than literary or historical terms, he concludes that archaic poetry claims to give a uniquely transparent and immediate rendering of the past. *Homer: The Poetry of the Past* will be stimulating and enjoyable reading for anyone interested in the traditions of poetry, as well as for students and scholars in the fields of classics, literary theory and literary history, and intellectual history.

The Homer Book Matt Groening, 2005-10-18 The Homer Book is now being released in hardback, as part of the ongoing series: The Simpsons Library of Wisdom. Homer Simpson is a man's man, an 'Average Joe', a loving father and husband, and a devoted beer drinker. But do you know the 'real' Homer? Find out what's on Homer's mind, discover the mysteries of Homer's fridge, hang out in Homer's haunts; meet his friends and enemies; and spend a typical day with the lovable lout who will lift you out of your D'oh-l drums. In The Simpsons Library of Wisdom, Matt Groening, the creator of 'The Simpsons', offers an ongoing series of portable and quotable books that will eliminate the need for all religions and philosophies, exalt man's role in the universe and make the world a better place ... sort of. No other television show in history has commented so freely and so humorously on modern times, and there seems to be no end in sight for the sharp satire and pointed parody that 'The Simpsons' serves up every night of the week all around the world.

The Life and Times of Homer Kathleen Tracy, 2005-09 For almost three thousand years, The Iliad and The Odyssey have thrilled people with tales of adventure in ancient Greece. The stories of Helen and Paris, the Greek gods, the Trojan War, Achilles, and of Odysseus's ten year quest to return home after the war are known all over the world among all cultures. But so much about the life of the man responsible for those epic poems remains a mystery that for a while some scholars doubted he even really existed. Despite the controversies surrounding him, Homer is still honored as one of civilization's greatest poets. He overcame childhood poverty and adult blindness to achieve fame as a legendary storyteller whose epics kept his audiences spellbound. His poems were so vivid that 19th century archeologists used descriptions in The Iliad to locate the city of Troy. Though many facts about his life remain unknown, his genius as a storyteller remains undisputed.

Why Homer Matters Adam Nicolson, 2014-11-18 Adam Nicolson writes popular books as popular books used to be, a breeze rather than a scholarly sweat, but humanely erudite, elegantly written, passionately felt...and his excitement is contagious.—James Wood, The New Yorker Adam Nicolson sees the Iliad and the Odyssey as the foundation myths of Greek—and our—consciousness, collapsing the passage of 4,000 years and making the distant past of the Mediterranean world as immediate to us as the events of our own time. *Why Homer Matters* is a magical journey of discovery across wide stretches of the past, sewn together by the poems themselves and their metaphors of life and trouble. Homer's poems occupy, as Adam Nicolson writes a third space in the way we relate to the past: not as memory, which lasts no more than three generations, nor as the objective accounts of history, but as epic, invented after memory but before history, poetry which aims to bind the wounds that time inflicts. The Homeric poems are among the oldest stories we have, drawing on deep roots in the Eurasian steppes beyond the Black Sea, but emerging at a time around 2000 B.C.

when the people who would become the Greeks came south and both clashed and fused with the more sophisticated inhabitants of the Eastern Mediterranean. The poems, which ask the eternal questions about the individual and the community, honor and service, love and war, tell us how we became who we are.

The Homer Anthology Homer, 2013-03 Compiled in one book, the essential collection of books by Homer: The Iliad The Odyssey Odysseus Homer and Classical Philology The Homeric Hymns Hesiod, The Hymns, and Homerica

The Children's Homer Padraic Colum, 2019-09-24 From master storyteller Padraic Colum, winner of a Newbery Honor for *The Golden Fleece*, comes a collection of fifteen timeless stories inspired by classic Greek literature. Travel back to a mythical time when Achilles, aided by the gods, waged war against the Trojans. And join Odysseus on his journey through murky waters, facing obstacles like the terrifying Scylla and whirling Charybdis, the beautiful enchantress Circe, and the land of the raging Cyclopes. Using narrative threads from *The Iliad* and *The Odyssey*, Padraic Colum weaves a stunning adventure with all the drama and power that Homer intended.

Homer Homer, 2016-05-22 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Homer Tammy Gagne, 2013-09-01 Imagine writing a poem with more than 15,000 lines! Perhaps even more incredible, suppose that instead of writing it down, you simply memorized it. That is exactly what many people believe the famous poet Homer did. Very little is known about Homer's life. Some historians say that Homer is actually a legend with traits from numerous poets who were responsible for penning the epic poems *The Iliad* and *The Odyssey*. Others insist he was just one extremely gifted man. Painters, sculptors, and even archaeologists have built entire careers studying Homer and the amazing works with which he is credited.

Homer, His Art and His World Joachim Latacz, 1996 Published to great success in Europe, Joachim Latacz's book *Homer, His Art and His World* is now widely available to an English-speaking audience. *Homer, His Art and His World* takes Homer out of the preserve of specialists, and carefully outlines the historical background to Homer and his poetry. Current perspectives on the *Iliad* and the *Odyssey* are explained clearly, and narrow philological questions are deliberately avoided. Written in an accessible style for lovers of Homer and all who would like to be, Latacz's book brings Homer closer to the modern audience as a poet, and not as a historical source. *Homer, His Art and His World* includes sections on the relevance of Homer to modern issues in literary criticism; on contemporary culture and history, including the Mycenaean era; the renaissance of the eighth century B.C.E.; and the poetical context of Homer's work; as well as specific chapters on the *Iliad* and *Odyssey* and features peculiar to each poem. *Homer, His Art and His World* will be of interest to a broad range of readers, including those interested in the literary history of Western culture. Joachim Latacz is Professor of Greek at the University of Basel, Switzerland. James P. Holoka is Professor of Classics and Ancient History at Eastern Michigan University.

Chasing Homer László Krasznahorkai, 2021-11-02 A classic escape nightmare, *Chasing Homer* is sped on not only by Krasznahorkai's signature velocity, but also by a unique musical score and intense illustrations. In this thrilling chase narrative, a hunted being escapes certain death at breakneck speed—careening through Europe, heading blindly South. Faster and faster, escaping the

assassins, our protagonist flies forward, blending into crowds, adjusting to terrains, hopping on and off ferries, always desperately trying to stay a step ahead of certain death: the past did not exist, only what was current existed—a prisoner of the instant, rushing into this instant, an instant that had no continuation ... Krasznahorkai—celebrated for the exhilarating energy of his prose—outdoes himself in *Chasing Homer*. And this unique collaboration boasts beautiful full-color paintings by Max Neumann and—reaching out of the book proper—the wildly percussive music of Szilveszter Miklós scored for each chapter (to be accessed by the reader via QR codes).

Homer, Updated Edition Harold Bloom, 2009 Presents a collection of eight critical essays on the works of Homer.

Homer: Odyssey Books VI-VIII Homer, 1994-12-08 This edition of the *Odyssey*, books VI-VIII forms an introduction to Homer for students of Greek. The commentary aims especially to provide guidance on questions of literary and narrative technique and poetic artistry

Homer James I. Porter, 2023-03-22 The story of our ongoing fascination with Homer, the man and the myth. Homer, the great poet of the *Iliad* and the *Odyssey*, is revered as a cultural icon of antiquity and a figure of lasting influence. But his identity is shrouded in questions about who he was, when he lived, and whether he was an actual person, a myth, or merely a shared idea. Rather than attempting to solve the mystery of this character, James I. Porter explores the sources of Homer's mystique and their impact since the first recorded mentions of Homer in ancient Greece. *Homer: The Very Idea* considers Homer not as a man, but as a cultural invention nearly as distinctive and important as the poems attributed to him, following the cultural history of an idea and of the obsession that is reborn every time Homer is imagined. Offering novel readings of texts and objects, the book follows the very idea of Homer from his earliest mentions to his most recent imaginings in literature, criticism, philosophy, visual art, and classical archaeology.

Iliad Homer Author, 2016-02-06 Why buy our paperbacks? Standard Font size of 10 for all books High Quality Paper Fulfilled by Amazon Expedited shipping 30 Days Money Back Guarantee BEWARE of Low-quality sellers Don't buy cheap paperbacks just to save a few dollars. Most of them use low-quality papers & binding. Their pages fall off easily. Some of them even use very small font size of 6 or less to increase their profit margin. It makes their books completely unreadable. How is this book unique? Unabridged (100% Original content) Formatted for e-reader Font adjustments & biography included Illustrated About *Iliad* by Homer

The Iliad Karin Sisti, 1985

Homer: Iliad Book XVIII Homer, 2019-01-10 Book 18 of the *Iliad* is an outstanding example of the range and power of Homeric epic. It describes the reaction of the hero Achilles to the death of his closest friend, and his decision to re-enter the conflict even though it means he will lose his own life. The book also includes the forging of the marvellous shield for the hero by the smith-god Hephaestus: the images on the shield are described by the poet in detail, and this description forms the archetypal *ecphrasis*, influential on many later writers. In an extensive introduction, R. B. Rutherford discusses the themes, style and legacy of the book. The commentary provides line-by-line guidance for readers at all levels, addressing linguistic detail and larger questions of interpretation. A substantial appendix considers the relation between *Iliad* 18 and the Babylonian Epic of Gilgamesh, which has been prominent in much recent discussion.

The Iliad of Homer Homer, 1769

The Poetry of Homer Samuel Eliot Bassett, 2003 Samuel Eliot Bassett's classic work *The Poetry of Homer* investigates the rhetorical techniques that have made the *Iliad* and the *Odyssey* speak to audiences throughout the ages. Combining a sublime poetic sensitivity with thorough scholarship this work offers original analyses of many topics, including the Homeric narrator's presentation of his story, his evocation of character through direct speech, the organization of speeches and descriptions into vivid dramatic situations, the pacing and emotional weight of similes and narratorial interventions, and the expressive variation in rhythms and word-groupings. A prolific and insightful contributor to Homeric scholarship, Bassett was invited to deliver the Sather Classical Lecture at Berkeley, but he died with the manuscript unpublished. This work, published posthumously in 1938

as *The Poetry of Homer*, has left its mark on a generation of classicists. Lexington is proud to bring such an important and influential book back into print in this new edition, edited and introduced by Bruce Heiden with a foreword by Greg Nagy.

Homer's Hero Michelle M. Kundmueller, 2019-11-01 Draws on Plato to argue that Homer elevated private life as the locus of true friendship and the catalyst of the highest human excellence. Offering a new, Plato-inspired reading of the *Iliad* and the *Odyssey*, this book traces the divergent consequences of love of honor and love of one's own private life for human excellence, justice, and politics. Analyzing Homer's intricate character portraits, Michelle M. Kundmeuller concludes that the poet shows that the excellence or virtue to which humans incline depends on what they love most. Ajax's character demonstrates that human beings who seek honor strive, perhaps above all, to display their courage in battle, while Agamemnon's shows that the love of honor ultimately undermines the potential for moderation, destabilizing political order. In contrast to these portraits, the excellence that Homer links to the love of one's own, such as by Odysseus and his wife, Penelope, fosters moderation and employs speech to resolve conflict. It is Odysseus, rather than Achilles, who is the pinnacle of heroic excellence. Homer's portrait of humanity reveals the value of love of one's own as the better, albeit still incomplete, precursor to a just political order. Kundmueller brings her reading of Homer to bear on contemporary tensions between private life and the pursuit of public honor, arguing that individual desires continue to shape human excellence and our prospects for justice. "A beautiful account of the Homeric hero, in all his complexity." — Mary P. Nichols, author of *Thucydides and the Pursuit of Freedom*

The Odyssey of Homer, Volume 4 Homer, 2015-12-08 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible.
