Autobiographies of an Angel Gabor Schein,2022-07-05 An unflinching narrative of family history in Hungary's Jewish community and the nation's deep complicity in the Holocaust Gábor Schein is that rarest of elegists, endowed equally with a respect for history and an ecstasy of imagination.--Joshua Cohen, Pulitzer Prize-winning author of The Netanyahus Born in 1723 in a small German town, Johann Klarfeld is thirteen when his father dies. He is taken in by a kind Italian painter to live with him and his daughter in The Hague. But the daughter, beautiful and blind, has a secret. Two centuries later, Berta Jósza is born during World War II in a village in northern Hungary. The daughter of a police officer, Berta watches chaos unfold through her father's eyes, from the plundering of the possessions of murdered Jews to the carnage of the 1956 Revolution. When she happens upon an enigmatic autobiography in a secondhand bookshop, she can't shake the sense that she somehow knows the author. Lyrical and haunting, this is an unforgettable story about the spirit of history and the individual fates that make up the whole--the entwinements of the past and their unshakable hold on the present.

Masquerade Part 1 Valerie Francis,2020-07-17 What would you do if you knew you wouldn't get caught? Unwind with this steamy love story. Told as a 12-part serial, each book is about the length of a glass of wine or a soak in the tub. Isla Foster and Colin Jackman are strangers. Desperate to escape the daily grind of life, they each accept an anonymous invitation to a masquerade ball — one of the most prestigious events in New York City. There they are given lavish costumes, false identities and an opportunity to take part in a seductive game. If they accept, using the aliases Grace and Marlowe, they'll meet each month for a year in a series of secret rendezvous, consequence free. No one will ever know where they go or what they do, as long as they follow three simple rules: 1. they must never know the other's identity 2. they must only meet at the prearranged times and places 3. they must not fall in love What could possibly go wrong? "You'll be hooked from the opening scene." - Victoria Barbour, USA Today Bestselling Author A Selection of Reviews "Masquerade reads like a piece of chocolate after dinner. It goes down smoothly and leaves you craving more." "Amazing fantasy getaway. Perfect rainy day read!" "Ms. Francis is a skillful storyteller. She quickly captured the attention of this fussy reader and held my interest through to the end." "Hard to put down." Absolutely phenomenal. Each part is better written than the last." I enjoyed this book as another fun diversion from my busy life. It has excellent characterization and I was pulled into the story, intrigued to know what would happen next. Absolutely love this format of delivery for a book. Oh Masquerade you have my attention now! I voluntarily reviewed this book. I really like this book. The characters were believable, the story had some mystery and I liked where the series was going to go with the Masquerade themes. I especially liked how this story was 'as long as a glass of wine'. I didn't test that but it was as long as a short stint on the beach. Now I want to see what happens in the next few stories! This first instalment hooked me in every way: interesting opening, great detail, fully-fleshed major characters, each with a problematical life situation and minus my pet peeve -- poor editing. This instalment is expertly written AND edited, so there are no grammatical errors or typos to weaken/distract from the story. Kudos to Ms. Francis. I look forward to reading more! What a fun escape these first two books are! I just finished part 2 and am left hanging in suspense and anxiously awaiting part 3 to be delivered. This is a unique way to read for me and I love it. Come on part 3!!!!!!!

Silent Masquerade Molly Rice,2012-07-16 Who Is This Mysterious Man? Bill Hamlin—if that was even his name—was a mystery. A tall, dark, sexy mystery, but still, not one Cara Davis was really sure she wanted to solve...especially when it became clear he was on the run from some deadly danger he declined to discuss. Who Is This Woman of Mystery? Cara Davis was lying about her identity—that much Bill could read in her smoldering brown eyes. Question was, could he trust this pretty lady when she swore she wasn't connected to his enemies? If they were going to pose as a married couple, he'd have to find out her secrets...even though he could never reveal his own.
