Arthur D. Howden Smith

The Boys' Book of Locomotives Joseph Russell Howden, 1909

He's Still Here Martin Howden, 2011-01-10 Joaquin Phoenix is one of the most fascinating and controversial actors working in film, and ever since his Oscar-nominated performance as Johnny Cash in *Walk the Line*, is one of the most sought-after actors in Hollywood. Yet in October 2008, during a press interview to promote the critically acclaimed *Two Lovers*, Phoenix made a shock announcement that he was to retire from acting and reinvent himself as a bona-fide hip-hop musician. The subsequent 'documentary', *I'm Still Here: The Lost Year of Joaquin Phoenix*, made by his brother in law Casey. In this in-depth biography, Martin Howden traces the rise of this unique actor, from his early career as a child-star, through to his Oscar nominated performance in *Walk the Line*, and subsequent reinvention. Drawing upon numerous interviews and press reports, this biography documents Phoenix's life following the release of *I'm Still Here: The Lost Year of Joaquin Phoenix* and examines whether his new career is indeed a genuine reinvention or simply a hoax.

Commodore Vanderbilt Arthur D. Howden Smith, 2007-06-01 Corneel flung up that lion head of his, a mingling of amusement and resentment mirrored in his frosty eyes. Steamship, gal, he corrected. Steamboats don't go to sea. The Prometheus is the sightliest craft in these waters. I didn't see her beat in England, either. And I'll tell ye something else. She's the fust ocean steamer ever built with one man's money. A flame of high egotism ennobled his conqueror's face. She's Cornelius Van Derbilt's, as she puts to sea. No other man owns ary dollar of her. She's mine, b'God, mine! -from Chapter IV His name has not endured like those of his contemporaries, but Arthur D. Howden Smith was, in the early years of the 20th century, a tremendously popular author of pulp fiction on a par with E.E. Doc Smith and Edgar Rice Burroughs. And the same boisterous enthusiasm that made his adventure tales of pirates and Vikings so rip-roaring readable bursts forth from his nonfiction as well. Here, in this 1927 work, Howden Smith tells the story of the life of American railroad and shipping magnate Cornelius Vanderbilt, from his family's roots in Holland to the last weeks before his death, when he clung to life with the pitbull tenacity that has taken him from a humble Staten Island childhood to wealth, fame, and power. Fun and feisty, this is a terrific work of classic biography. Also available from Cosimo Classics: Howden Smith's John Jacob Astor: Landlord of New York. ARTHUR DOUGLAS HOWDEN SMITH (1887-1945) was an enormously prolific and diverse writer, penning numerous short stories, biographies, and business studies, but he is best remembered for his many pulp novels, including *Porto Bello Gold* (a prequel to *Treasure Island*), *The Dead Go Oversea*, *The Doom Trail*, *Swain's Saga*, and others.

Russell Crowe - The Biography Martin Howden, 2010-04-05 One of Hollywood's hottest properties and the actor whose uncompromising reputation - both on and off the screen - has ensured he is constantly in the public eye, Russell Crowe has a fascinating personal and professional story. From early TV and stage work to career-defining roles in Ridley Scott's epic *Gladiator* and Nottingham movies, his drive, tenacity and talent have made him a favourite with directors and audiences alike. Much of Russell's early life was spent moving between his native New Zealand and Australia as his parents' film-set catering business gave him an insight in to acting and stoked his fascination of the movie industry. His first taste of fame came in a touring stage production of *The Rocky Horror Picture Show*, which was followed with parts in musicals such as *Grease* and *Blood Brothers*, before Russell was drawn to more challenging roles and to the screen in Australia, where he starred in his breakthrough film *Romper Stomper*. Romances with some of the most beautiful women in the world heightened his profile still further. But it is the highly acclaimed, demanding and character-driven roles in pictures such as *LA Confidential*, *A Beautiful Mind* and *Gladiator* for which Russell has established his reputation as a true professional. He has suffered concussions, cracked teeth, a dislocated shoulder and five months as a teetotaller, such is his dedication to his craft. From the action of *Master and Commander*, to thrillers *The Insider* and *State of Play*, and romantic comedies such as *A Good Year*, Russell is praised for his versatility and has been celebrated by peers at the Oscars, the Golden Globes and the BAFTA. Despite the awards and accolades, however, his love for the remote outback ranch he shares with his wife and young sons, for his band and the various sports teams and charities he supports reveals Russell as an enigmatic and complex man. Journalist and celebrity biographer Martin Howden goes back to the times Russell worked as a busker, bartender, fruit picker, bingo-number caller and insurance salesman before hitting the big time, and explores the truth behind his reputation for having one of the most volatile temperaments in showbusiness.

John Jacob Astor Arthur D. Howden Smith, 2005-12-01 Some weeks later a dray drove up to the Astor store, then at 68 Pine Street, and delivered a number of very heavy little kegs which chinked faintly as they were rolled in through the door. What on earth are those, Jacob? Sarah demanded when she happened in during the afternoon. Der fruits of our East India pass, he answered, his deep-set eyes twinkling merrily. Money? He nodded. Ho-how much? Fifty-five t'ousan' dollar. Jacob! she gasped. And well she might. It was as rich a coup as he ever achieved. -from *Fur and Tea* New Yorkers can't escape the name Astor: it graces theaters, hotels, street names, and even an entire Queens neighborhood. This delightful biography of the landlord of New York explains how John Jacob Astor, who arrived in the city a poor immigrant in 1784, created such a fortune-in real estate, fur, and trade with China-not only for himself but for the city and nation around him that his influence could not be denied. Author Arthur D. Howden Smith was, in the early years of the 20th century, a tremendously popular author of pulp fiction on a par with E.E. Doc Smith and Edgar Rice Burroughs. And the same boisterous enthusiasm that made his adventure tales of pirates and Vikings so ripping readable bursts forth from this classic biography as well. Also available from Cosimo Classics: Howden Smith's *Commodore Vanderbilt: An Epic of American Achievement*. ARTHUR DOUGLAS HOWDEN SMITH (1887-1945) was an enormously

prolific and diverse writer, penning numerous short stories, biographies, and business studies, but he is best remembered for his many pulp novels, including *Porto Bello Gold* (a prequel to *Treasure Island*), *The Dead Go Oversea*, *The Doom Trail*, *Swain's Saga*, and others.

Swain's Vengeance Arthur D. Howden Smith, 2023-11-17 *Swain's Vengeance* by Arthur D. Howard Smith is about Viking Swain, Olaf's son, who goes on a journey to avenge his brother and his father. Excerpt: You're holding treasures. It's tempting to call them lost, but it's more accurate to describe them as inaccessible because unless you had laid hands on an old hardback from the 1930s – which reprinted only a handful of Swain tales – or a long run of *Adventure* magazine from the teens and '20s of the last century, you couldn't read these...

Two Letters addressed to the Right Honourable Lord Howden ... on the withdrawal of the British intervention from the River Plate question. By the principal editor of the "Comercio del Plata." Preceded by his lordship's order to Commodore Sir Thomas Herbert ... and followed by a short answer from Lord Howden to the above letters. Translated from the Spanish John Hobart CARADOC (Baron Howden.), 1847

A Manifest Destiny Arthur Douglas Howden Smith, 1926

Swain's Stone Arthur D. Howden, 2020-12-08 *Swain's Stone* by Arthur D. Howden is about hunter Swain and a mysterious stone he finds on his hunts. Excerpt: Swain pushed on through the low, dwarf trees of the wood, trees that had been battered and shoved and bent into caricatures of themselves by centuries of booming winds. He was sure, now, that he had missed the reindeer stag at the streamlet far back beyond the scour of Nafar, but he heard in the distance the sounding roar of the surf and so he continued...

William Balleny Howden Ian C. Howden, 2017-02-09 William Balleny Howden at the age of 23 proceeded to create a life of adventure. In 1839 he left the promise of a comfortable life in the shadow of Edinburgh Castle and set sail for Australia. His adventure started with the voyage to New South Wales, and success was triggered by a shipwreck. Encounters with Aborigines, were small problems compared with isolation and unloading cattle and an elephant from sailing ships into deep water. Discovery of gold and the rich pasture land catalysed success and the prosperous Port Albert. You will read about the characters he lived with and how he generated a fortune in a challenging environment. It was difficult to attract a wife to a Spartan and isolated life, but he found love and marriage with American educated Agnes, and they had 12 children. Read how they coped with the tragic loss of five of their children. Uncontrolled bush fires destroyed one of their homes, and business declined with a rail line built from Melbourne to nearby Sale. This is the story of one man's life, but it also gives a snapshot of life in the pioneering days of S.E. Australia.
