The Ashgate Encyclopedia of Literary and Cinematic Monsters Jeffrey Andrew Weinstock, 2016-04-01 From vampires and demons to ghosts and zombies, interest in monsters in literature, film, and popular culture has never been stronger. This concise Encyclopedia provides scholars and students with a comprehensive and authoritative A-Z of monsters throughout the ages. It is the first major reference book on monsters for the scholarly market. Over 200 entries written by experts in the field are accompanied by an overview introduction by the editor. Generic entries such as 'ghost' and 'vampire' are cross-listed with important specific manifestations of that monster. In addition to monsters appearing in English-language literature and film, the Encyclopedia also includes significant monsters in Spanish, French, Italian, German, Russian, Indian, Chinese, Japanese, African and Middle Eastern traditions. Alphabetically organized, the entries each feature suggestions for further reading. The Ashgate Encyclopedia of Literary and Cinematic Monsters is an invaluable resource for all students and scholars and an essential addition to library reference shelves.

They've been inseparable since they started Offbeat Enterprises together. Their publishing house produces a book series focused on unusual homes. After suffering memory loss about his past, Tobias inherits an elaborate, isolated estate at the top of Bloodmoon Mountain in Bloodmoon Cove. The reports and rumors swirling about the house, suggesting death and secrets hide within, make it all the more appealing to Syl as their next Offbeat Homes project. But her biggest motivation is discovering more about Tobias's beginnings. Although Syl and Tobias don't relish spending winter trapped in isolation, they bring along their closest family and friends to keep them company while they search out the mysteries of Howling Halls. The nightmare Syl has been having as long as she can remember returns. The voice of a ghost urges, Find me, leading her to hidden spaces and the skeletons of a family desperate to escape its demons...all while monstrous things are waking up hungry.

The Amtrak Wars: Earth-Thunder Patrick

Tilley, 2013-08-06 Hundreds of years after civilisation has been destroyed by nuclear war, the Earth is divided between the Trackers of the Amtrak Federation – a community living in vast subterranean cities – and the Mutes, who have evolved to withstand the radiation that has driven their foes underground. A long war for possession of the overground has killed and enslaved many of the Mutes, leaving only the Plainfolk to resist the Federation. And now the Iron Masters – a powerful people living in the traditions of the Samurai – have joined the battle for dominance. It is time for Steve Brickman, who has long struggled with split loyalties, to finally pick a side. His duty to his own people, the Amtrak Federation, wars against his spiritual bond to the Mute clan M'Call. Honoured with promotion into the First Family, it looks as though Brickman may choose his home over that of his love's, the pregnant Clearwater. But when Clearwater gives birth to his child at the exact moment that Mount Saint Helens explodes, it looks as if the Mute Prophecy has come to fruition. Meanwhile Roz – Brickman's powerfully psychic kin-sister – and Cadillac, last free living member of the clan M'Call, must travel into the treacherous lands of the Iron Masters to stave off a deadly retribution, whilst becoming embroiled in another land's civil war. Now that the First Family believe Clearwater's child to be the Talisman – heralded messiah of the Plainfolk – their grip tightens as they plan to use this child of prophecy for their own ends. Earth-Thunder, book six of The Amtrak Wars Saga, first published in 1990, concludes Patrick Tilley's internationally best selling science fiction epic.

Dean,2013-12-06 The Comics Journal Library series is the most comprehensive series of lavishly illustrated interviews conducted with cartoonists ever published. To celebrate our republication of the legendary EC line, we proudly present the first of a two-volume set of interviews with the artists and writers (and publisher!) who made EC great. Included in the first volume: career-spanning conversations with EC legends Will Elder, John Severin, Harvey Kurtzman, and Al Feldstein, as well as short interviews with EC short-timers Frank Frazetta and Joe Kubert. Also: EC Publisher William Gaines on his infamous Senate subcommittee testimony, and probing conversations between Silver Age cartoonist Gil Kane and Harvey Kurtzman, as well as contemporary alternative cartoonist Sam Henderson and MAD great Al Jaffee. Part of what made EC the best publisher in the history of mainstream comics was some of the most beautiful drawing ever published in comic books, and every interview is profusely illustrated by pertinent examples of the work under discussion.

The Case of the Posturing Principal April Smith, 2003 Haley Ann Lethridge is a new history teacher at a high school ruled by domineering Gina Echols. As principal, Echols presides with an iron fist and an acerbic tongue. One of her favorite pastimes is to criticize those around her and take all the praise for herself. But when the abrasive principal goes too far, the high school is the scene for sudden murder. Circumstantial evidence points to a

student who has already been in trouble, but Haley thinks there is much more to the shooting than the police suspect. While her parents decide to give her a surprise visit, Haley has to scramble to find out what really happened. Now she and her enterprising canines are back in the middle of a murder mystery with too many suspects and not very much time. The second in the Canine Capers series, *The Case of the Posturing Principal* features cats determined to outwit humans and dogs intent on getting the most from the dinner table. While Haley tries to narrow the list of likely killers with her best friend Pam, Pam's cats concentrate on getting their saucers filled with cream. Meanwhile, Haley's dogs approve of the new man in her life, Robert Lawson, who shares food from his dinner plate and takes them on walks. For anyone who loves animals and murder mysteries, this book is full of feline friskiness and canine cleverness.
