Asia and Europe José Luis de Sales Marques, Reimund Seidelmann, Andreas Vasilache, 2009 This book provides a broad in-depth discussion of the various topics, facets, and dynamics of both intraregional and interregional dialogues in Asia and Europe. The book begins with theoretical and methodological reflections on regionalization and interregionalism. The discussion then examines the patterns of relations before addressing specific aspects and challenges in and between both regions. By bringing together scholars from Asia and Europe, this volume explores the chances and possible limits in regionalization processes and in interregional cooperation, and shows that, despite existing difficulties, Europe and Asia have a broad common agenda of issues to follow and to solve. This publication is the fifth volume of the book series from the research and cooperation project EU - Network of European Studies Centres in Asia (NESCA): A Research Dialogue, funded within the 6th Framework Programme of the European Commission.

Love and Death of King Ananda Mahidol of Thailand Pavin Chachavalpongpun, 2021-12-01 This book examines two aspects of the abbreviated reign of King Ananda Mahidol (1935-1946), or King Rama VIII, of the current Chakri dynasty of Thailand.

First, it discusses the royal family's plot to thwart a romantic relationship between the young king, Ananda, and his Swiss girlfriend, Marileine Ferrari, a daughter of a famous pastor of Lausanne, Switzerland. Interracial marriage, particularly with Westerners, has been strictly forbidden for Thai kings or heirs apparent. The restriction stems from the interwoven connection between sexual relationship and the security of the throne. The second part investigates the mysterious death of King Ananda, a long-held taboo topic in Thailand. Although the two events were not specially related, both in their own way served to unavoidably shake the position of the monarchy and hence threaten its existence. The palace's reactions to these events demonstrated its continuous search to maintain its power and ultimately to warrant its survival.
